[57] **CLAIM**

The novel design for a pull ring with attached aperture seal, as described and shown.

DESCRIPTION

FIG. 1 is a perspective view of a can pull ring of my new design;
FIG. 2 is a top plan view of the can pull ring of my new design;
FIG. 3 is a right elevational view of the can pull ring of my new design;
FIG. 4 is a left elevational view of the can pull ring of my new design;
FIG. 5 is a rear elevational view of the can pull ring of my new design;
FIG. 6 is a front elevational view of the can pull ring of my new design;
FIG. 7 is a bottom elevational view of the can pull ring of my new design;
FIG. 8 is a perspective schematic view of the can pull ring of my new design, with the pull ring being shown to be fixed to a can lid which is not opened.
The broken line showing of the beverage can lid is for illustrative purposes only and forms no part of the claimed design.
