[57] **CLAIM**

The ornamental design for a telephone ear cushion, as shown and described.

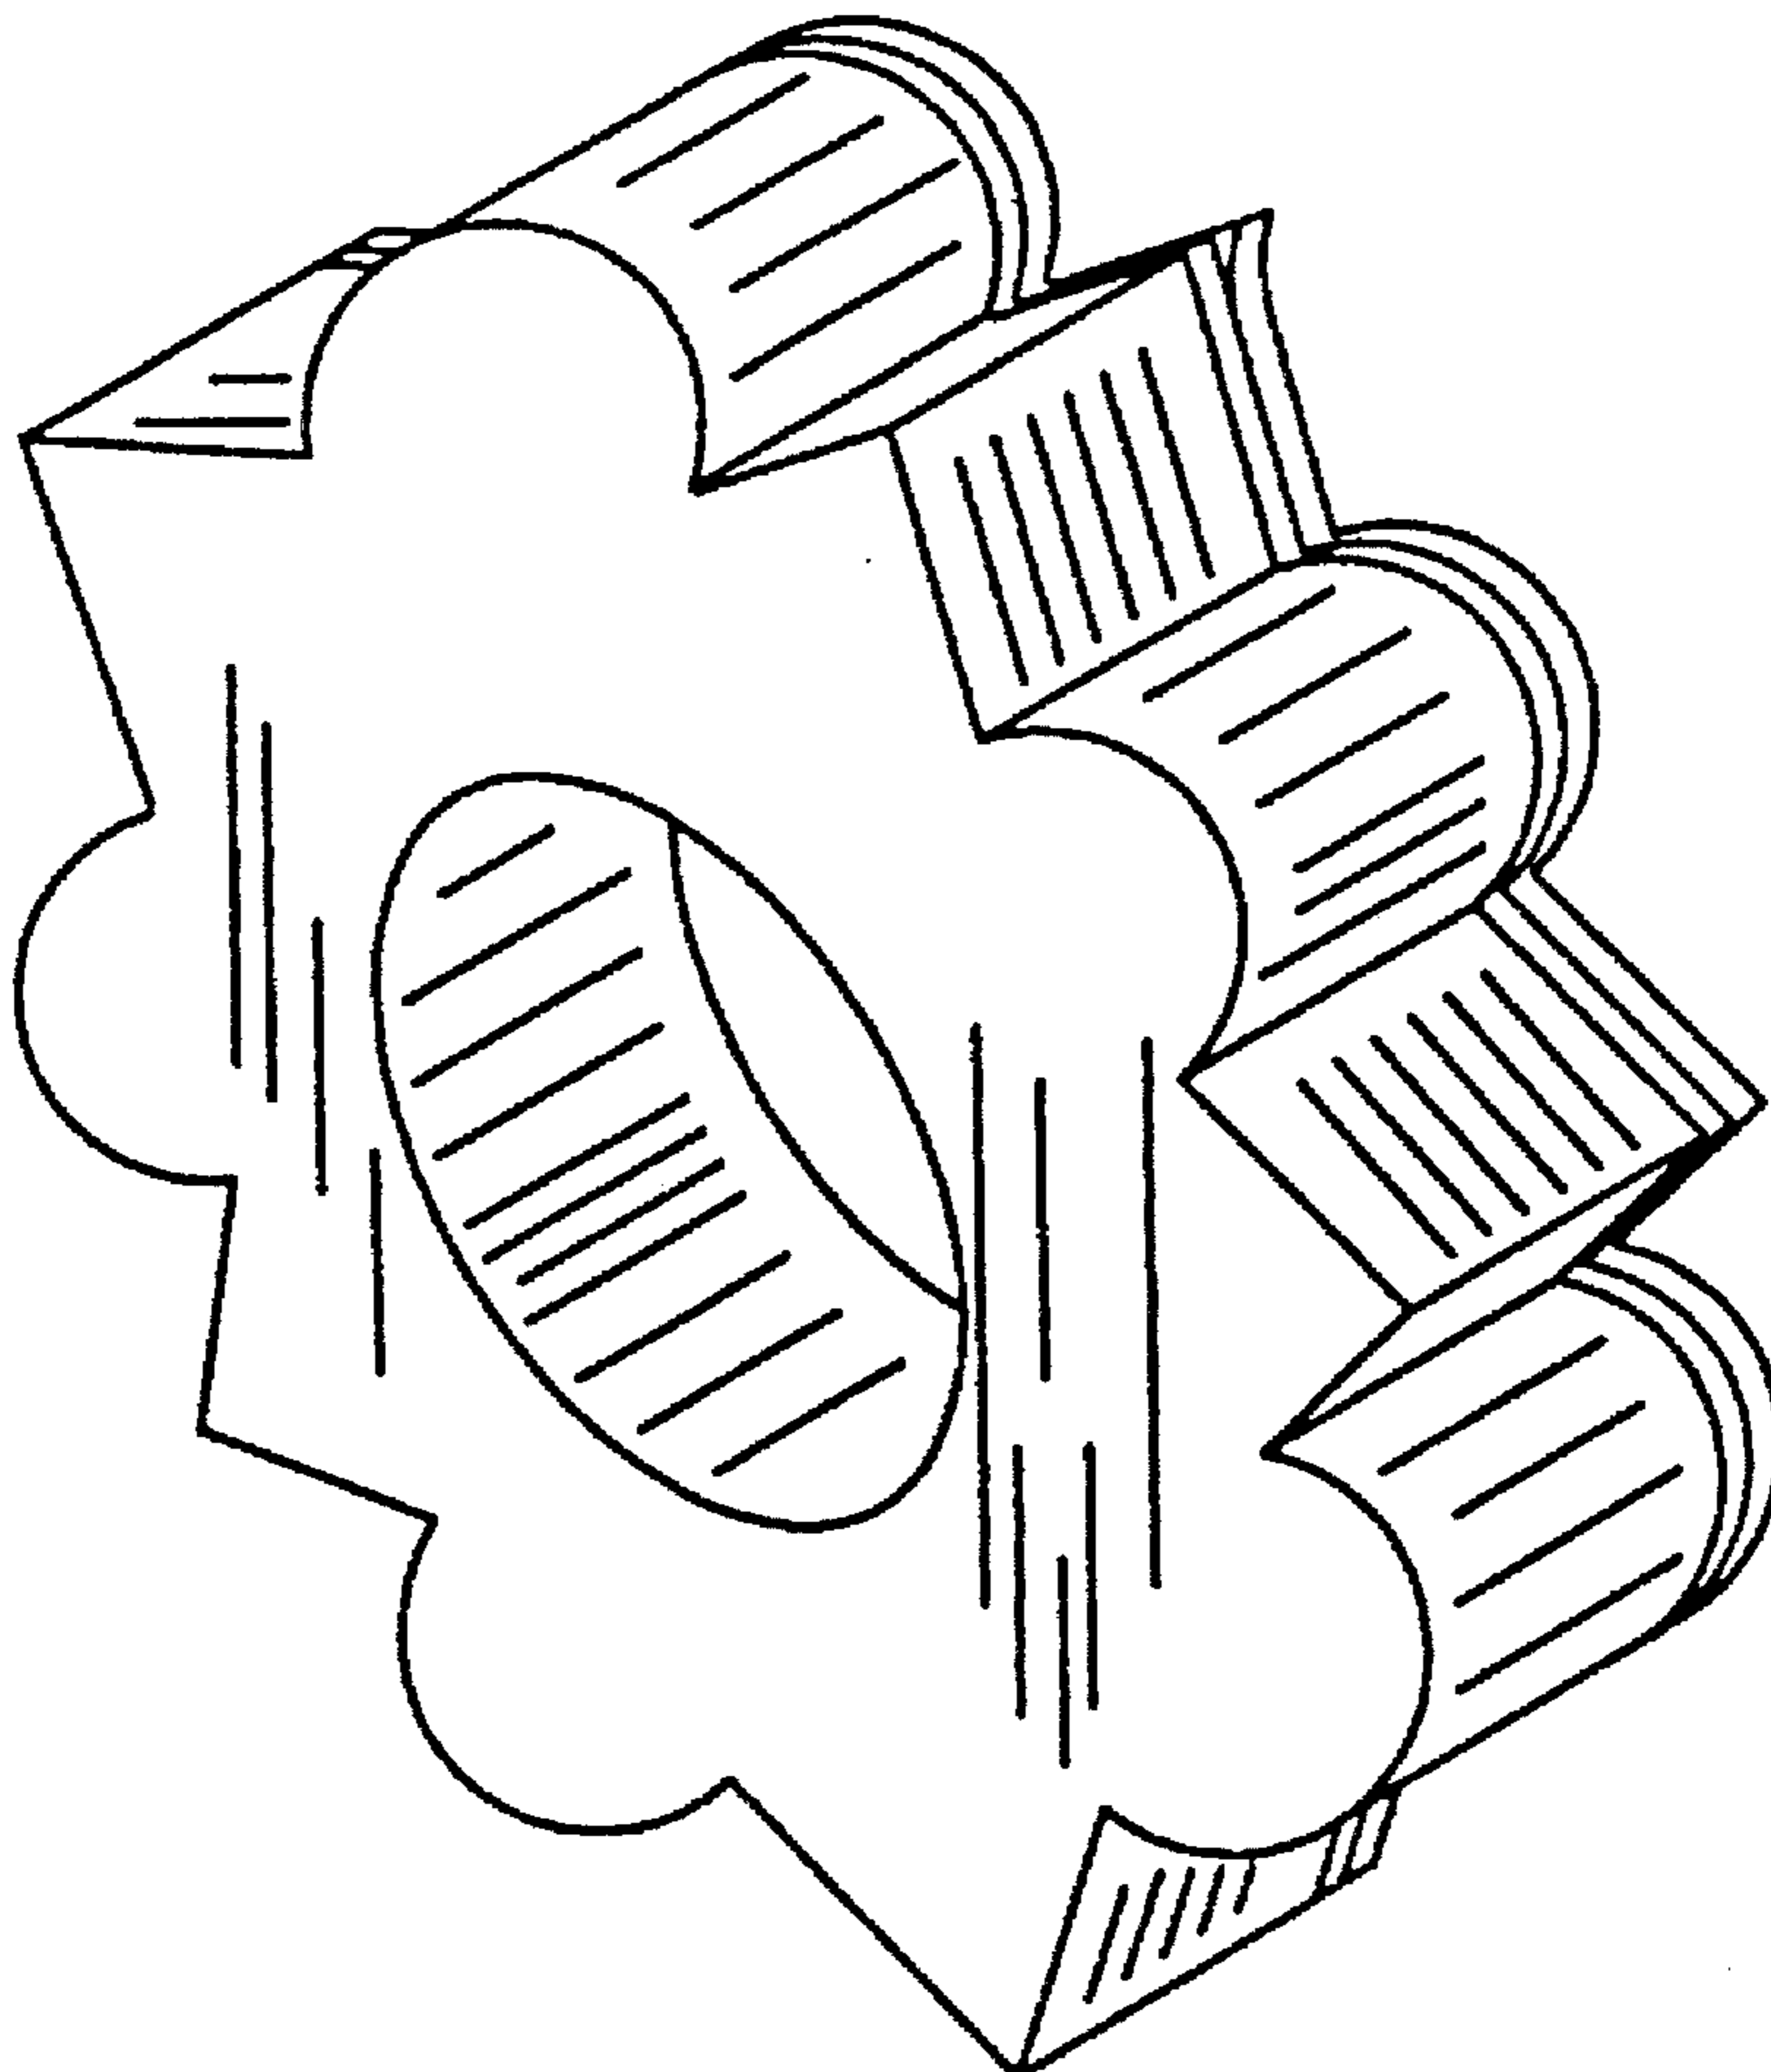

DESCRIPTION

FIG. 1 is an isometric view of the telephone ear cushion showing my new design;
FIG. 2 shows a telephone ear cushion on a telephone;
FIG. 3 is a front elevational view of the telephone ear cushion;
FIG. 4 is a side view of the telephone ear cushion; and,
FIG. 5 is another side view, from a different side, of the telephone ear cushion, and a part of the adhesive backing peeled away.
The dashed lines of FIG. 2 illustrate a telephone on which the telephone ear cushion is attached and are for illustrative purposes only, and form no part of the claimed design.
