FIG. 1 is a front elevational view of a clock face showing my  
new design;  
FIG. 2 is a front elevational view showing a modified form  
of my new design;  
FIG. 3 is a front elevational view showing another modified  
form of my new design; and,  
FIG. 4 is a front elevational view showing still another  
modified form of my new design.  
The clock face is conventionally of no appreciable thick-  
ness, and the rear is flat and unornamented.
