[57] **CLAIM**

The ornamental design for a closable cup, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and side perspective view of the closable cup showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a rear elevational view thereof;
FIG. 5 is a right side elevational view thereof;
FIG. 6 is a left side elevational view thereof;
FIG. 7 is a bottom plan view thereof;
FIG. 8 is a top, front and right side perspective view of a variation thereof wherein the vertical seam is at substantially midpoint on the right side thereof;
FIG. 9 is a top, rear and left side perspective view of the variation of FIG. 8;
FIG. 10 is a top, front and right side perspective view of a second variation thereof wherein the vertical seam is at an offset point on the right side thereof, with the handle flap underlying the top panel; and,
FIG. 11 is a top, rear and left side perspective view of the variation of FIG. 10.
