[57] **CLAIM**

The ornamental design for a headboard and footboard set for a bed, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a headboard and footboard set for a bed, showing our new design, the broken lines are for environmental purposes only and form no part of the claimed design;

FIG. 2 is fragmentary side elevational view of headboard, shown for convenience of illustration;

FIG. 3 is front elevational view of the headboard, shown for convenience of illustration;

FIG. 4 is a front elevational view of the footboard, shown for convenience of illustration;

FIG. 5 is a top plan view of the headboard, the top plan of the footboard being identical thereto, shown for convenience of illustration; and,

FIG. 6 is a fragmentary perspective view of the footboard, shown for convenience of illustration.

The rear of the headboard and the rear of the footboard are substantially flat and unornamented.
