[57] **CLAIM**

The ornamental design for a lipstick case, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing my new design with the cover and base separated for illustrative purposes; the broken lines showing the interior portions of the case being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a perspective view of the assembled article;

FIG. 3 is a front elevational view, the rear and side elevational views being identical; and,

FIG. 4 is a top plan view, the bottom plan view being identical.
