[57] **CLAIM**

The ornamental design for a gift holder, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of our gift holder illustrating the base and showing the positioning of the central riser in our new design the rear and side perspectives being identical thereto;

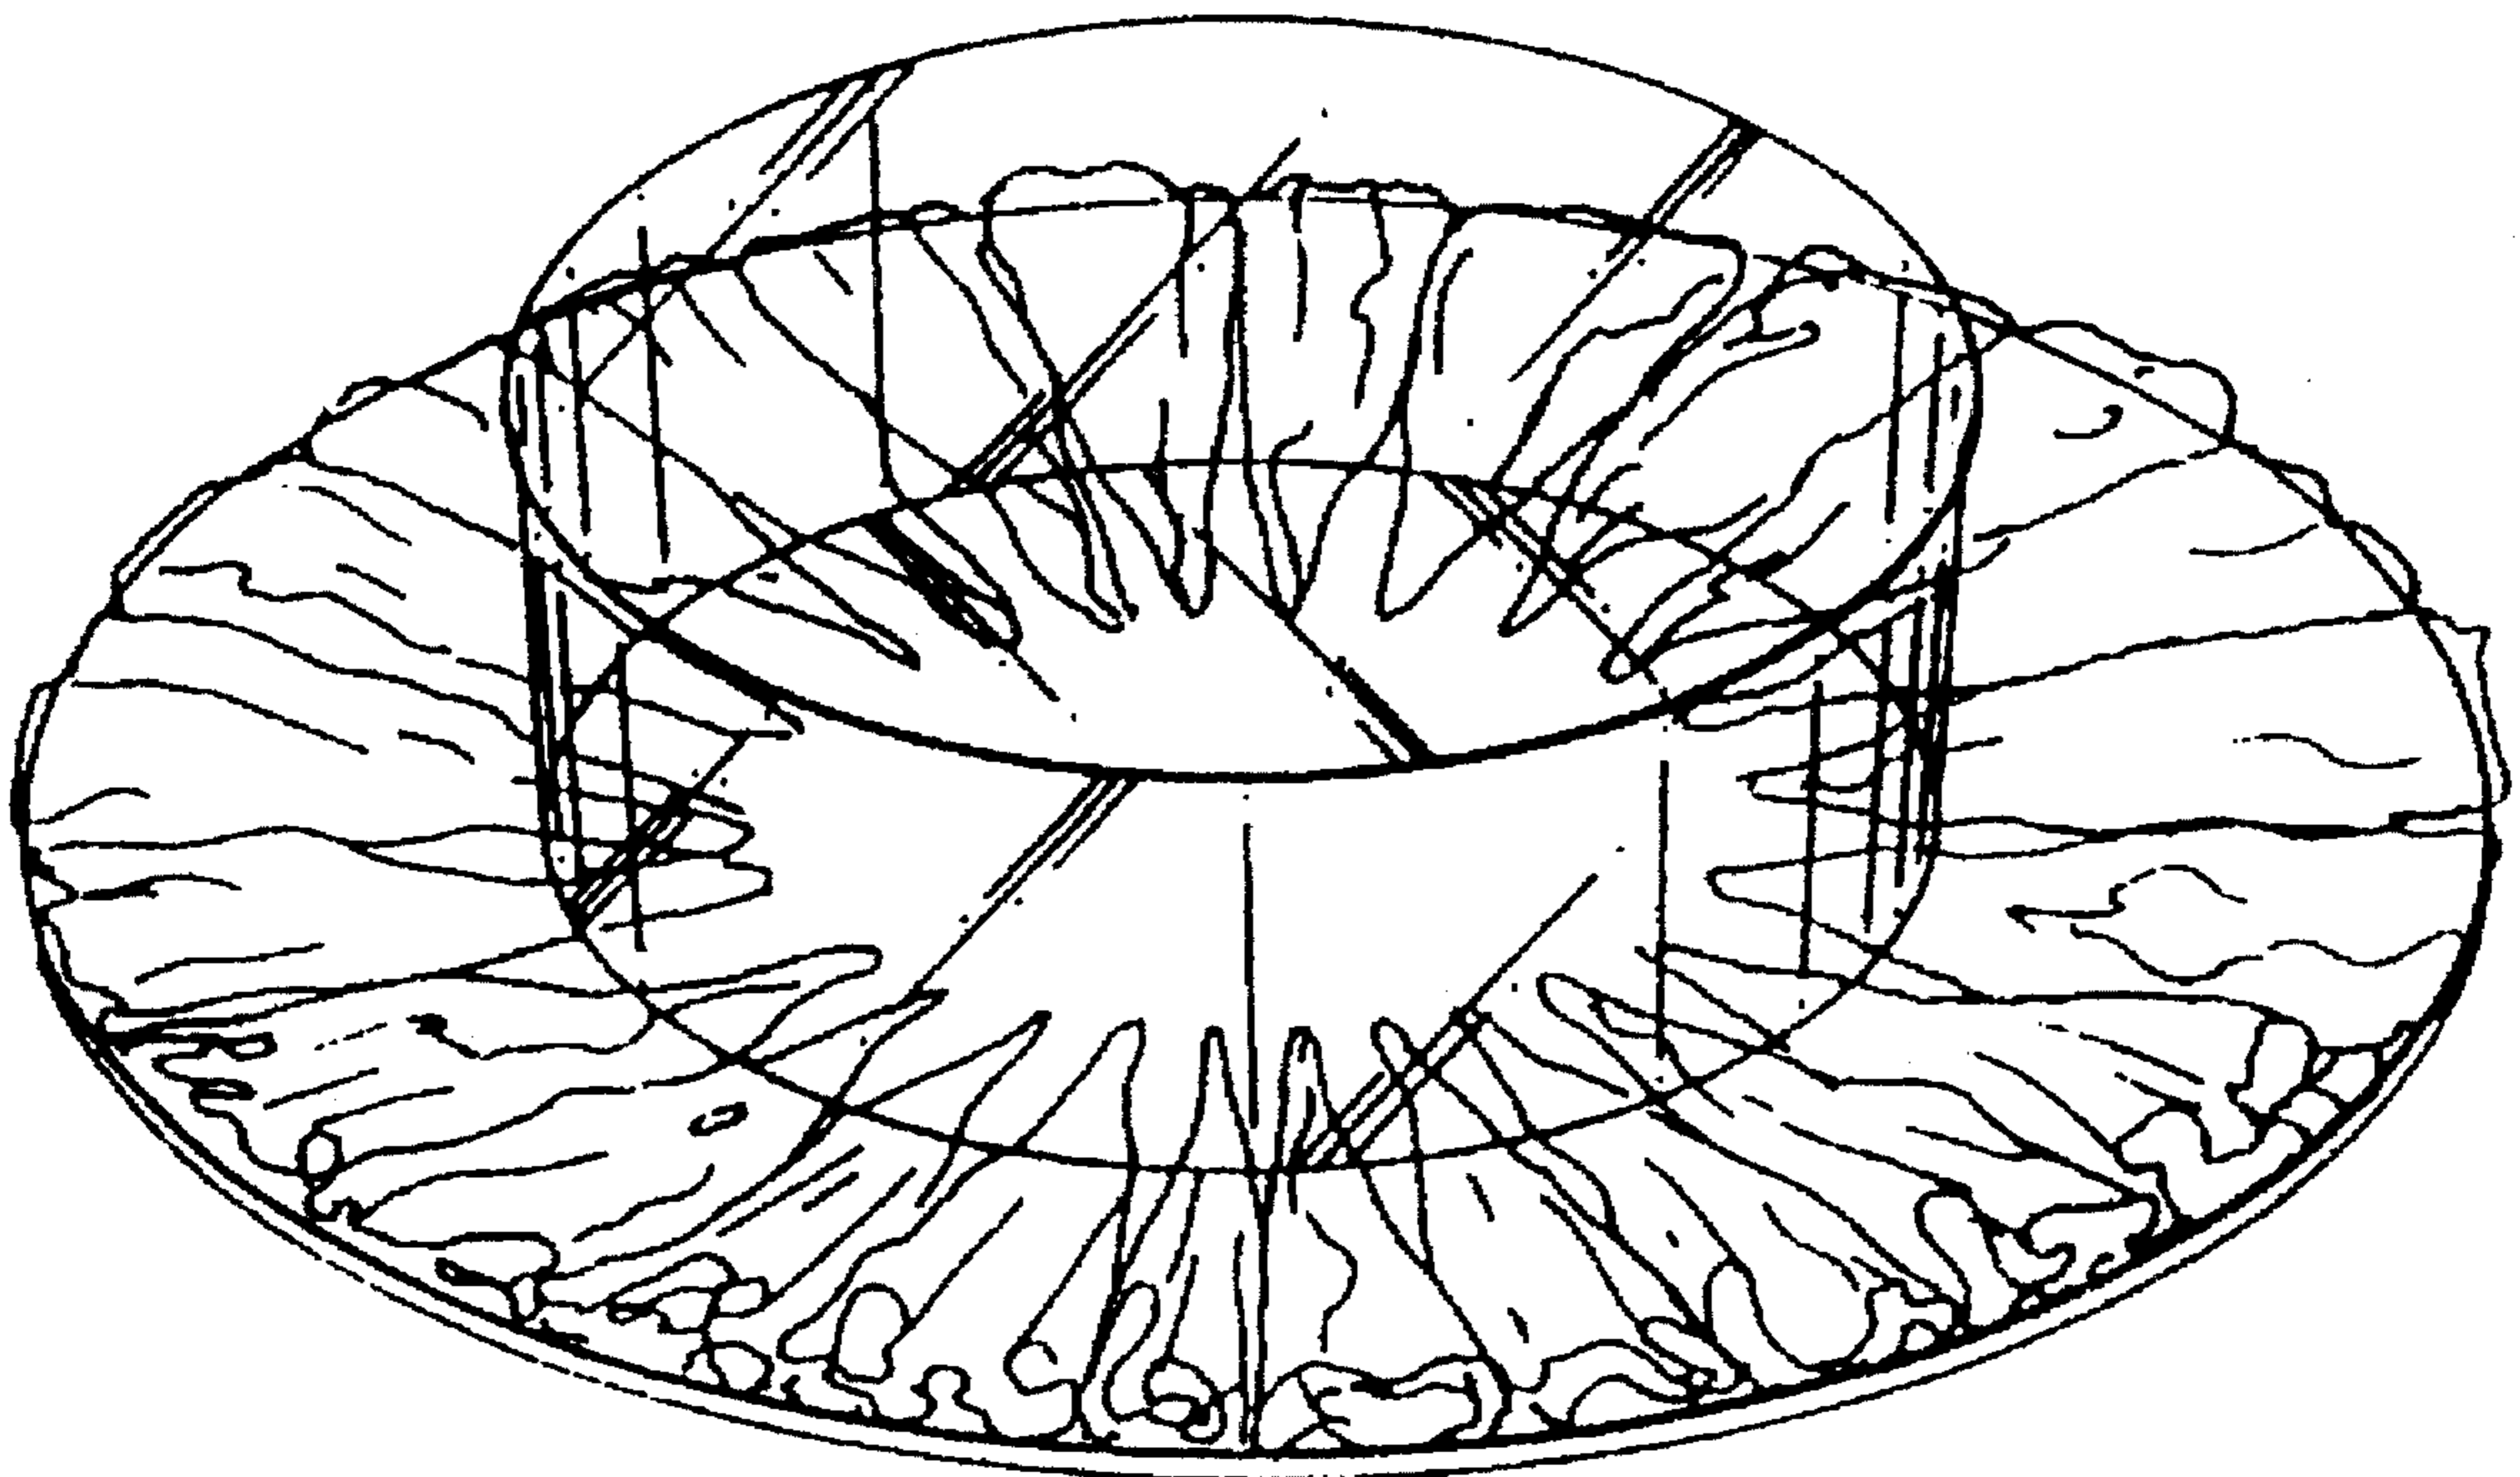

FIG. 2 is a front perspective view of our gift holder showing the base having a towel wrapped around the central riser. The towel shown in broken lines is for illustrative purposes only and forms no part of the claimed design;

FIG. 3 is a front perspective view of our gift holder showing the general positioning of the gifts on top of the central riser. The towel and gifts shown in broken lines are for illustrative purposes only and form no part of the claimed design;

FIG. 4 is a bottom view of our design; and,

FIG. 5 is a top view of our design.
