[57] CLAIM

The ornamental design for a tool for creating straight lines, marks and images with hand-held implements, as shown and described.

DESCRIPTION

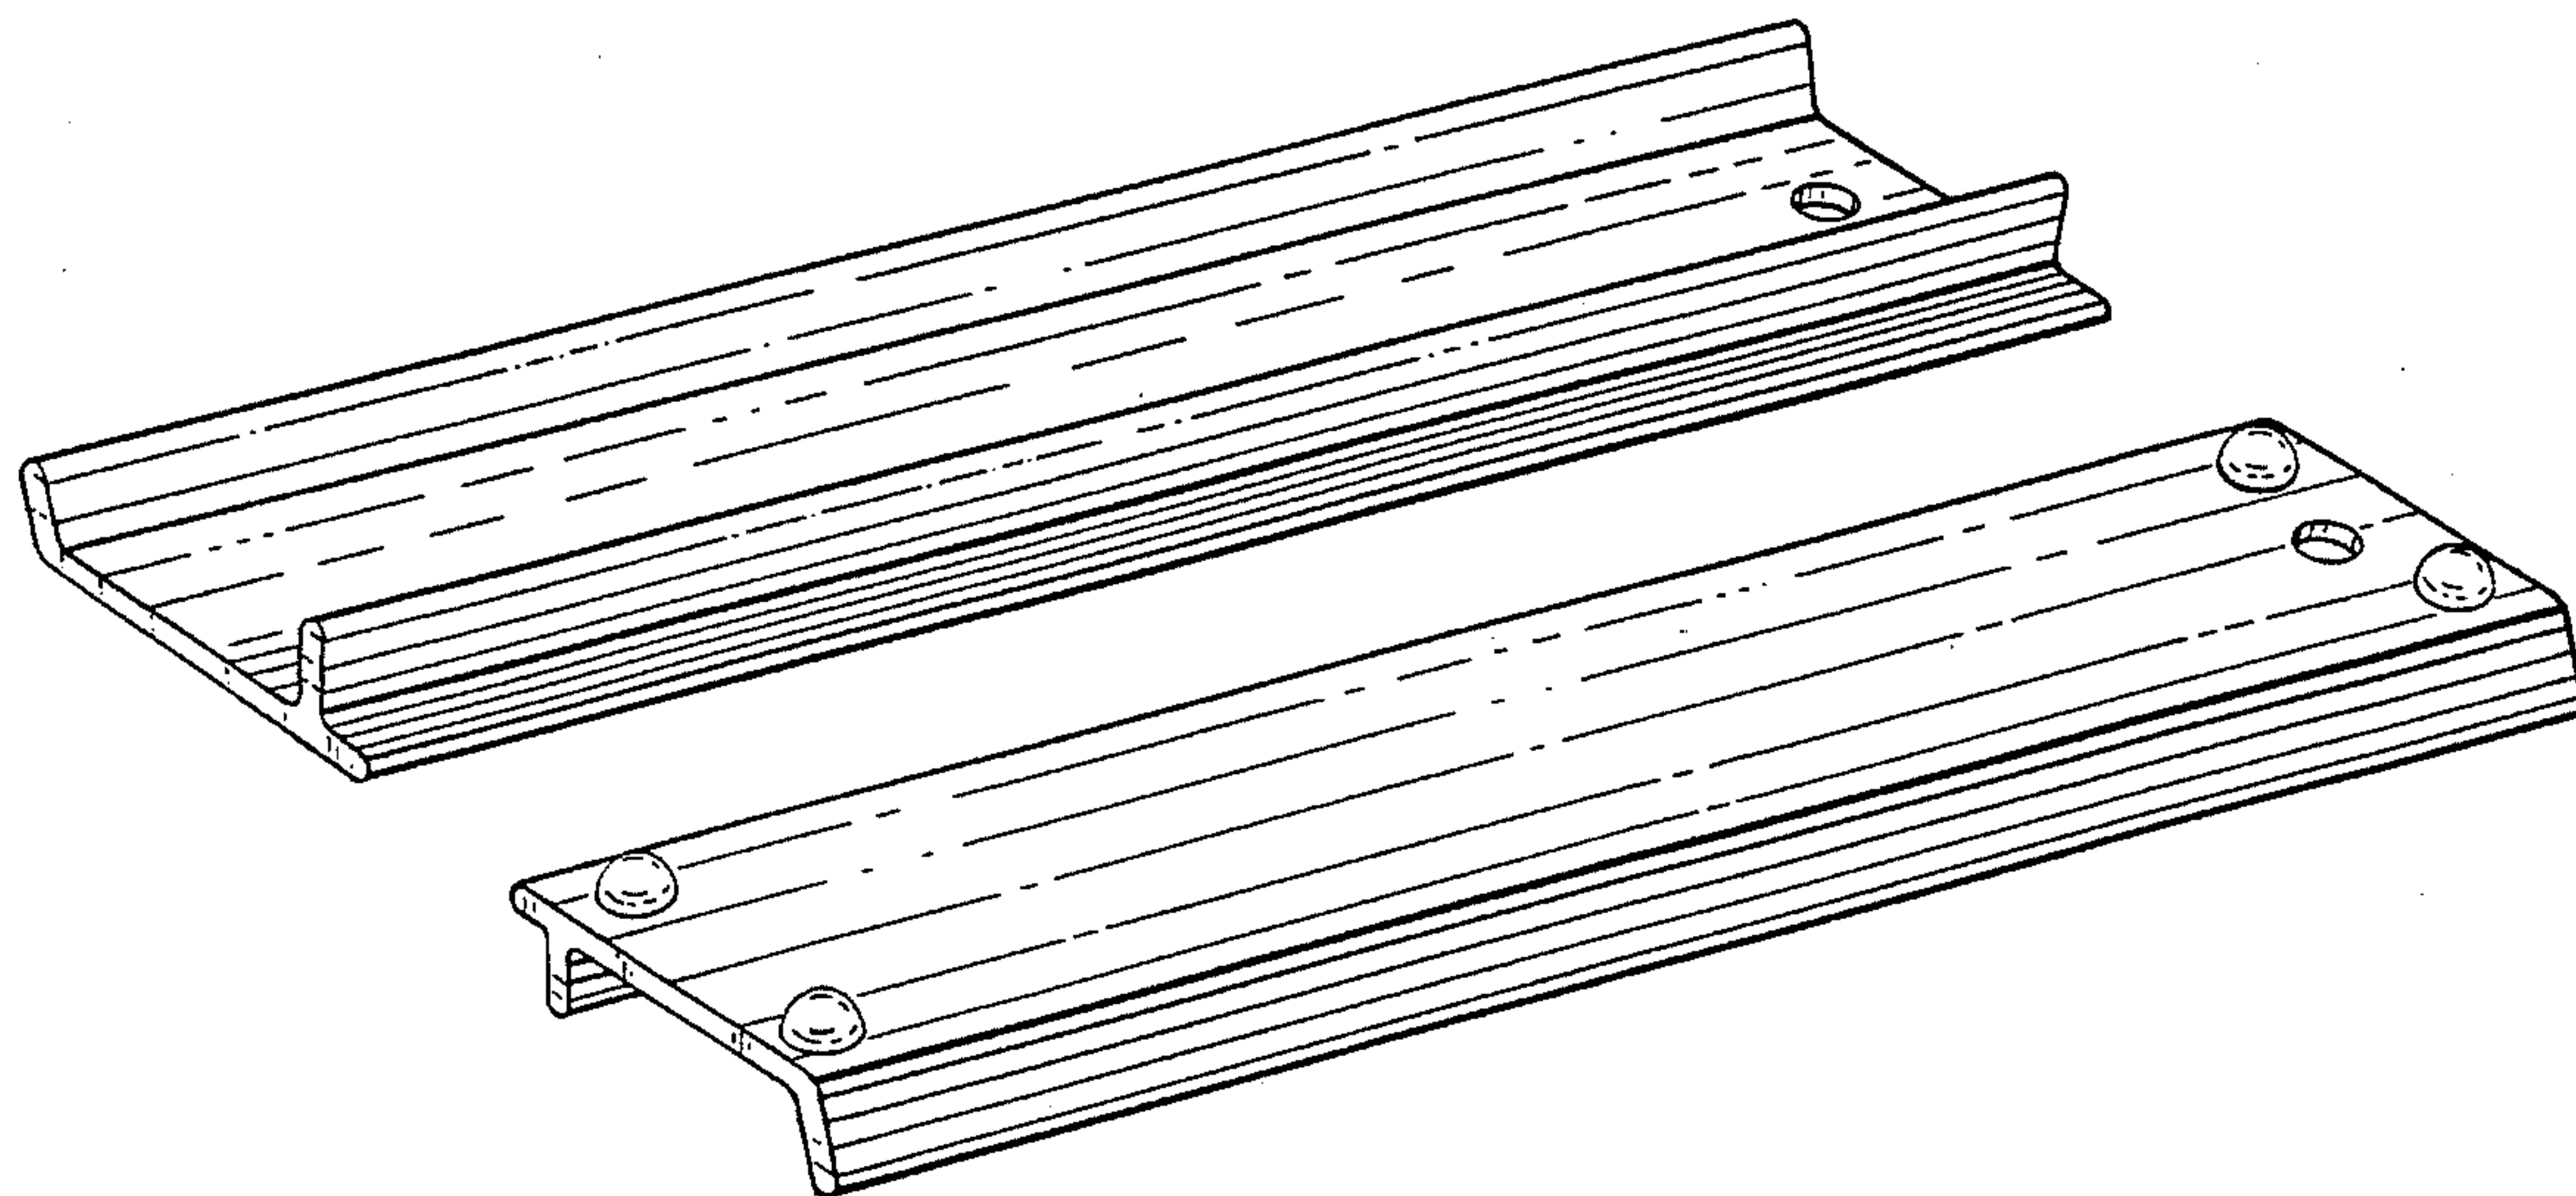

FIG. 1 is a top plan view of my new design for a tool for creating straight lines, marks and images with hand-held implements;

FIG. 2 is a right-hand end view thereof;

FIG. 3 is a top isometric view of my new design; and,

FIG. 4 is a isometric bottom view thereof.
