[57] **CLAIM**

The ornamental design for a rear-end of a fork lift vehicle,
as shown and described.

DESCRIPTION

FIG. 1 is a left side view of a rear-end of a fork lift vehicle showing my new design, the right side being a mirror image; FIG. 2 is a left rear perspective view of a rear end of a fork lift according to my novel design; FIG. 3 is a close-up of a left rear perspective view of a rear end of a fork lift according to my novel design; FIG. 4 is a further close-up of a left rear perspective view of a rear end of a fork lift according to my novel design; FIG. 5 is a rear view of the rear end of a fork lift according to my novel design; and, FIG. 6 is a top view of a rear end of a fork lift according to my novel design.
The broken line showing is for illustrative purposes only and forms no part of the claimed design.
