[57] **CLAIM**

The ornamental design for planter, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a planter showing my new design, the rear view (not shown) being identical thereto;

FIG. 2 is a top plan view;

FIG. 3 is a bottom plan view;

FIG. 4 is a right side elevational view, the left side (not shown) being a mirror image thereof; and,

FIG. 5 is a perspective view.

The broken lines of FIG. 5 showing arrangements of flowers and plants, and soil, are for illustrative purposes only and form no part of the claimed design.

The planter has interior walls that are vertical, as is partially disclosed in FIG. 5.
