[57] **CLAIM**

The ornamental design for a combination mask and scarf, as shown and described.

DESCRIPTION

FIG. 1 is a right front perspective view showing the front and right side of a combination mask and scarf of my new design as it would appear if worn around the head and neck of a user;

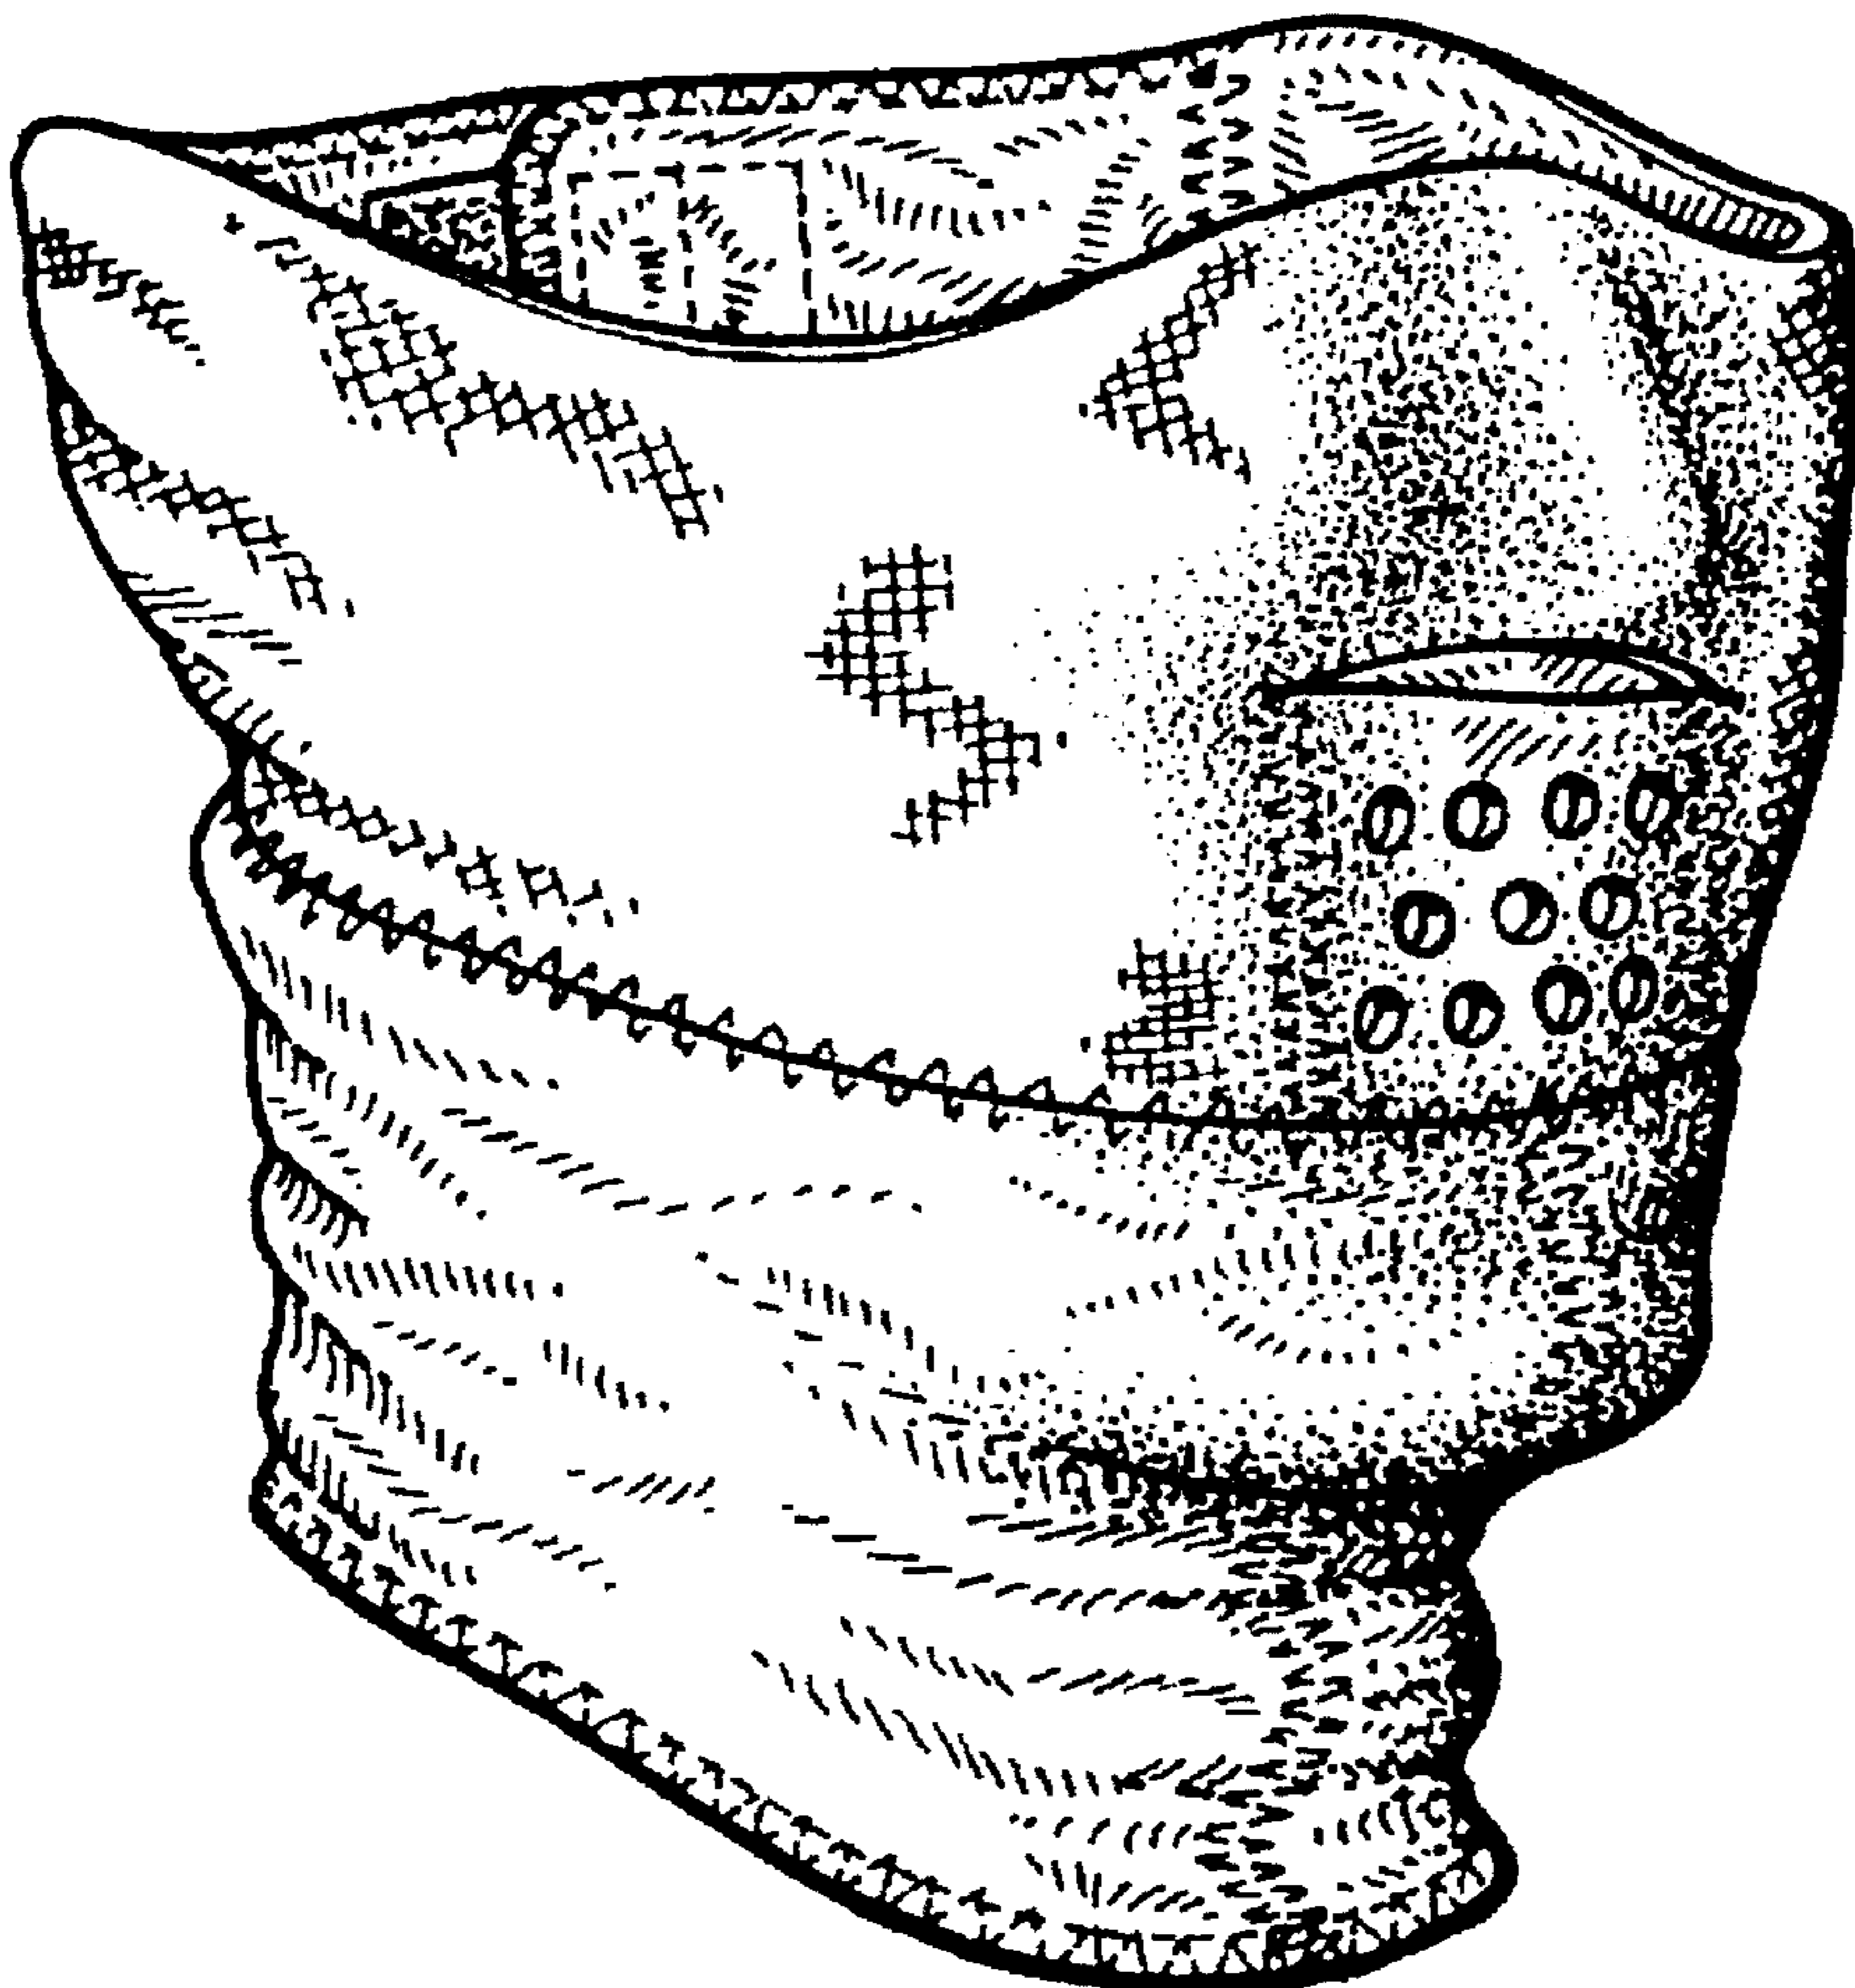

FIG. 2, a left front perspective view of the combination mask and scarf in the configuration of FIG. 1 showing principally the left side thereof;

FIG. 3, a rear elevational view of the combination mask and scarf in the configuration of FIG. 1;

FIG. 4, a front elevational view of the combination mask and scarf of FIG. 1, but in an open position as it would appear laid out on a flat surface; and,

FIG. 5, a rear elevational view of the combination mask and scarf in the configuration of FIG. 4.
