## [57] CLAIM

The ornamental design for a surge protector, as shown and described.

## DESCRIPTION

FIG. 1 is a pictorial view from the top, front and right of the surge protector showing fragmentarily an electric cord in broken lines;

FIG. 2 is a rear elevational view of the surge protector of FIG. 1;

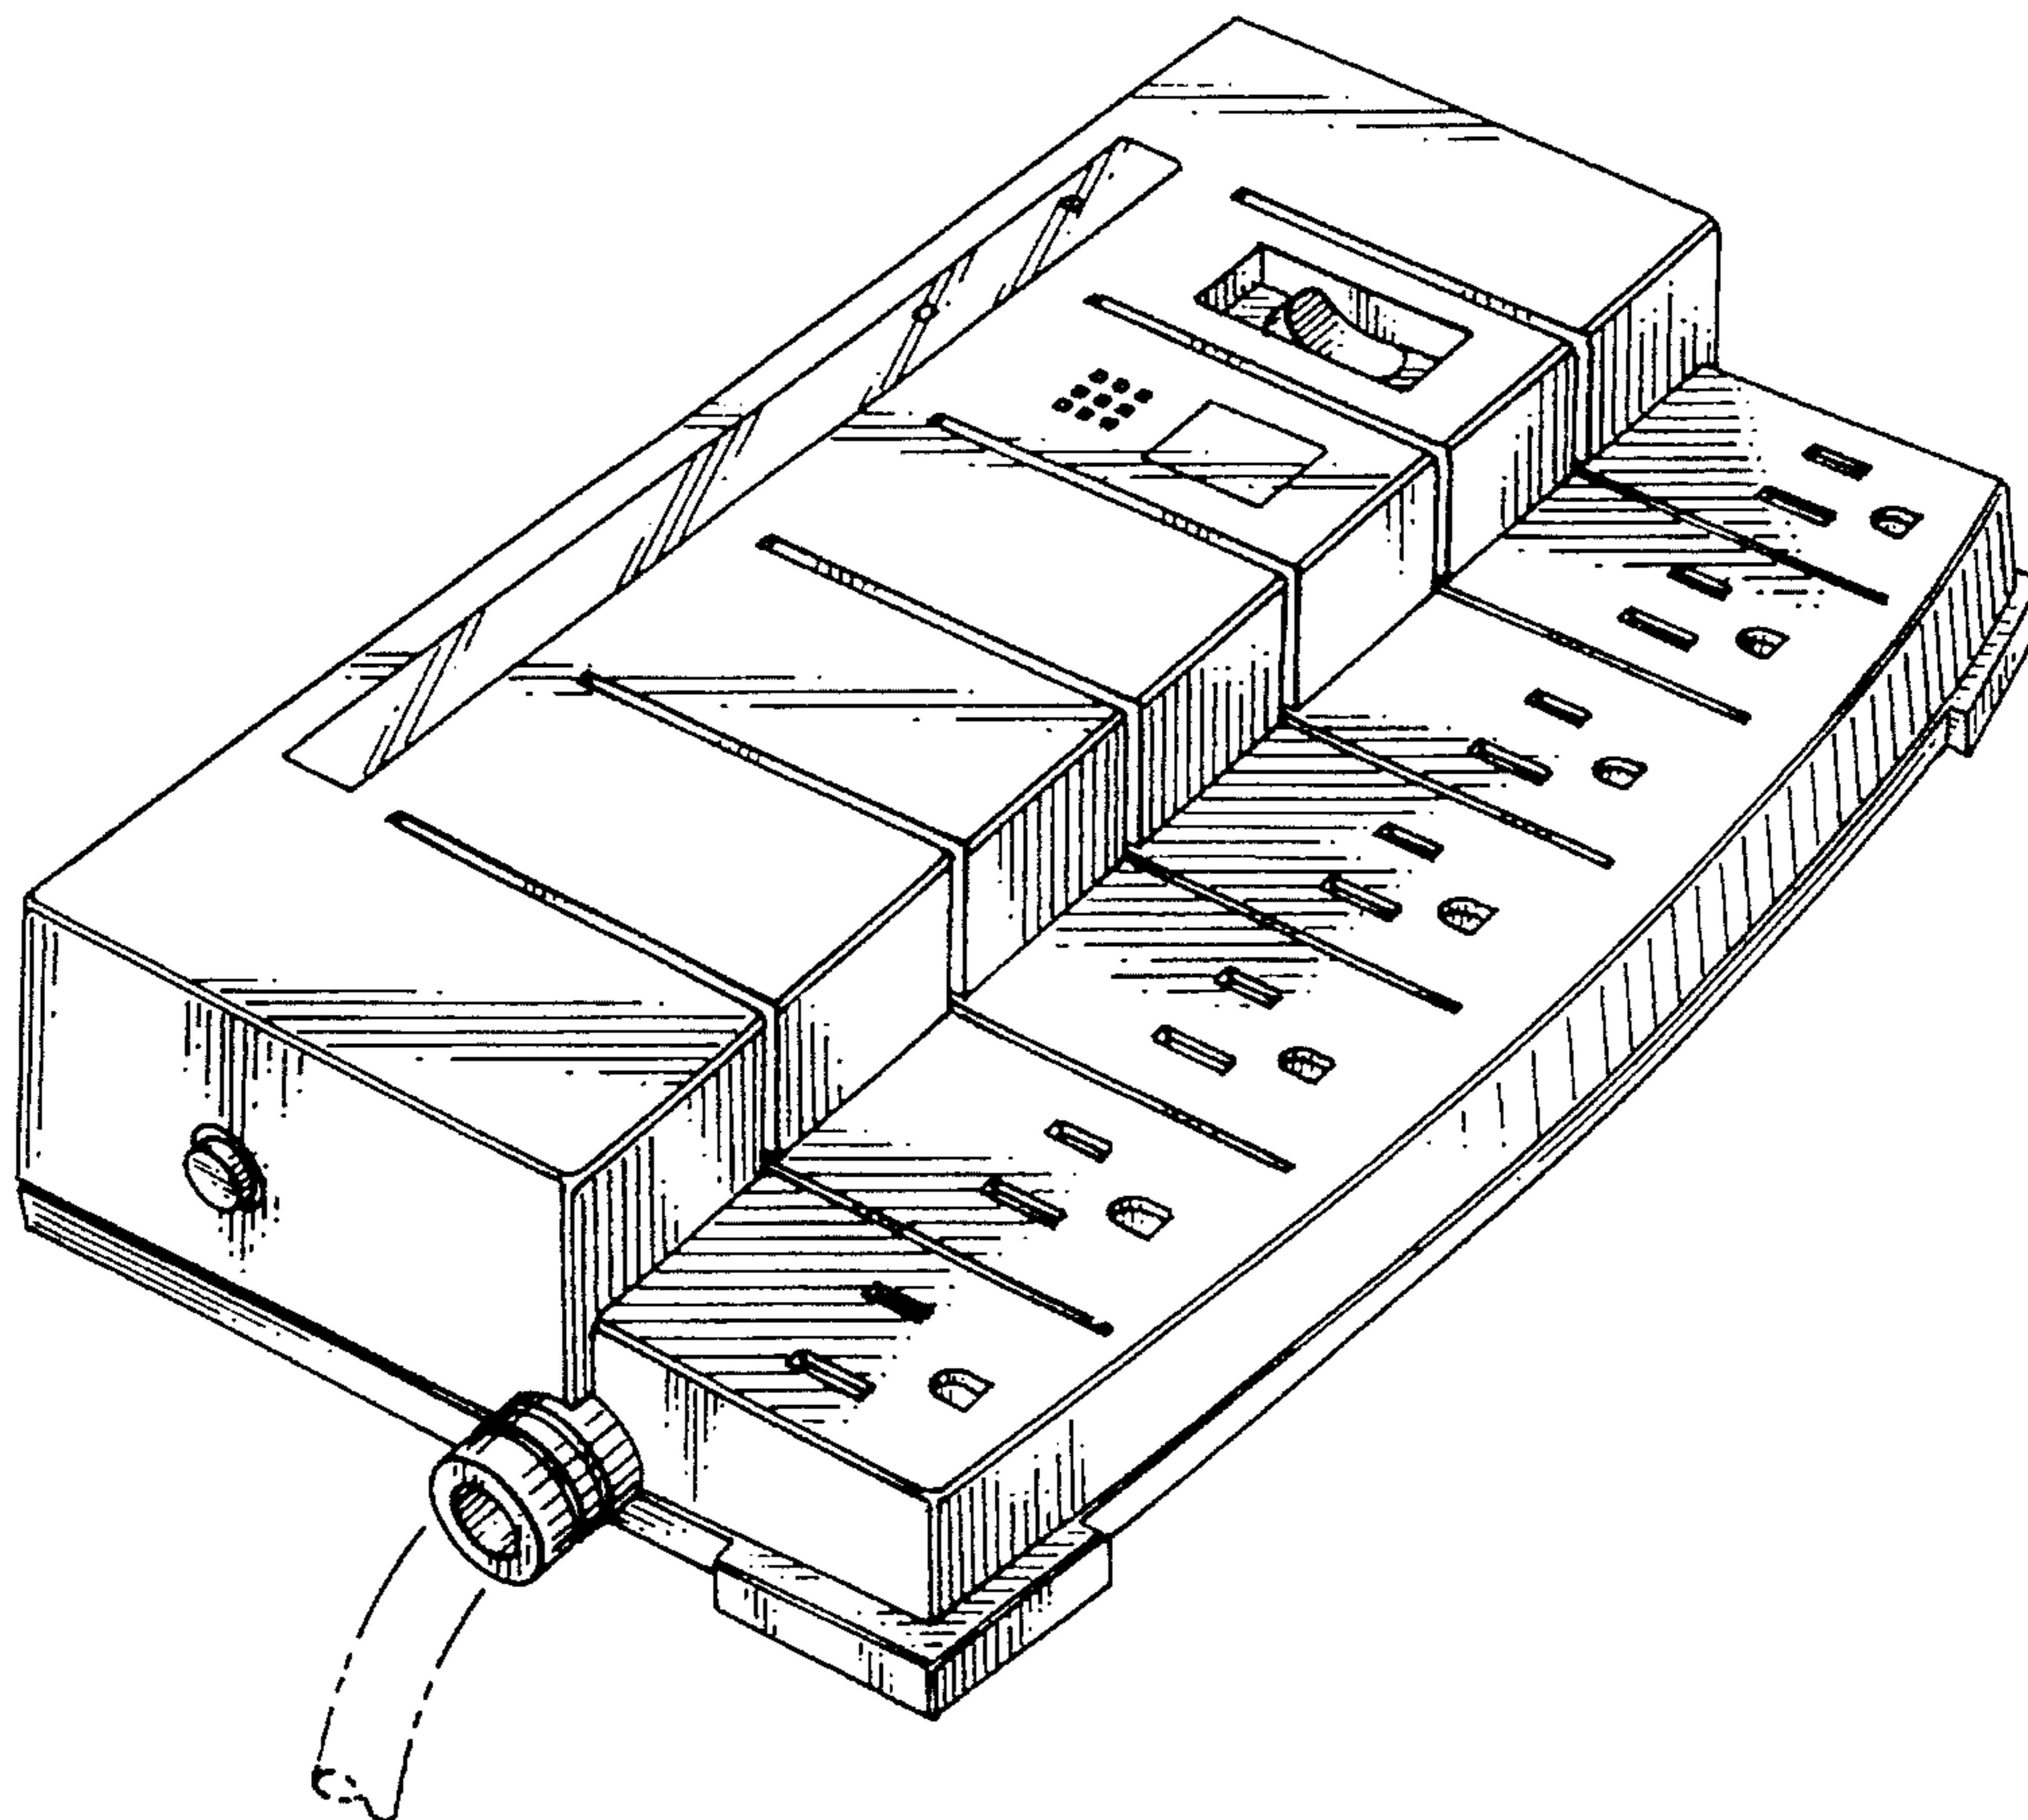

FIG. 3 is a bottom plan view of the surge protector;

FIG. 4 is a left elevational view of the surge protector; and,

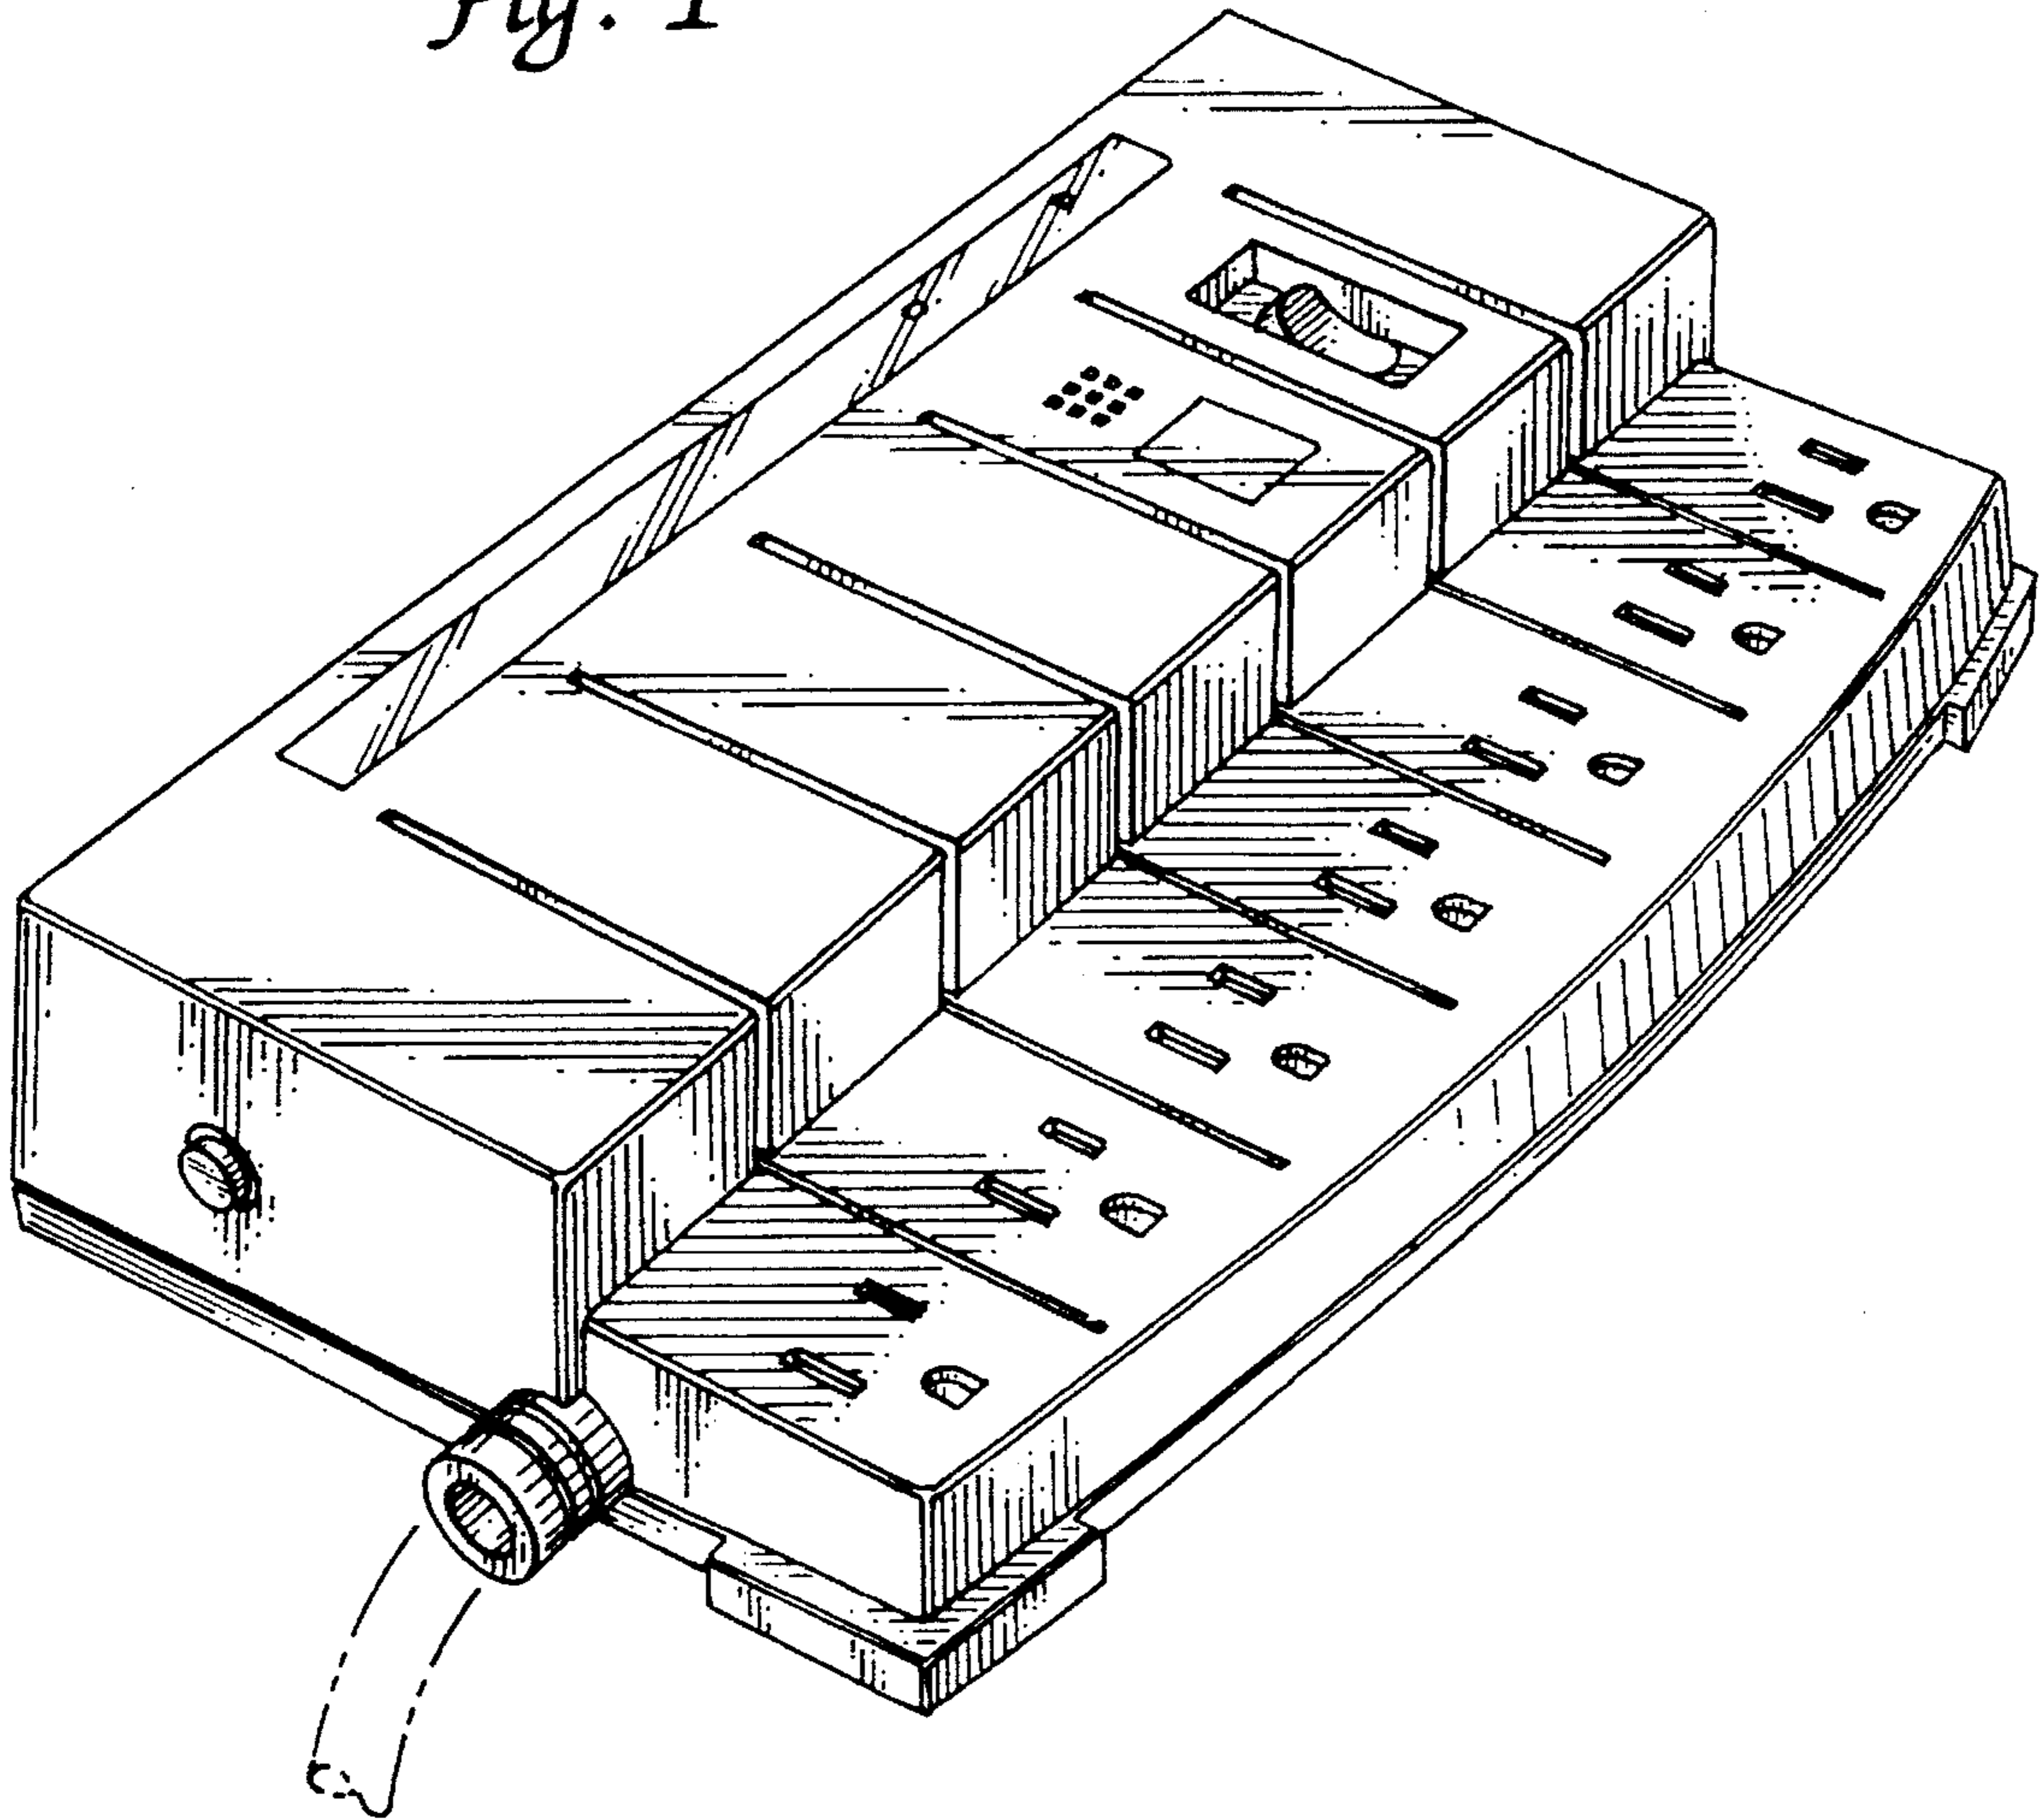

FIG. 5 is a pictorial view from the top, front and right of an alternative embodiment of the surge protector, the other three sides being identical to the corresponding sides of the surge protector of FIG. 1 as shown in FIGS. 2-4.

The broken line showing of the electrical cord is included for the purpose of illustrating environmental structure only and forms no part of the claimed design.
