[57] **CLAIM**

The ornamental design for a combined antenna-mounting pole and electrical equipment cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined antenna-mounting pole and electrical equipment cabinet, showing my new design;

FIG. 2 is a front elevational view thereof, the rear elevational view thereof and both side elevational views thereof being identical;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a bottom plan view thereof.

In FIG. 1, four antennas shown in broken lines represent environmental structure only and form no part of the claimed design. In FIG. 2, ground level shown in broken lines represents environmental structure only and forms no part of the claimed design.
