[57] CLAIM

The ornamental design for a bracket for decorative lights, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a first embodiment of a bracket for decorative lights showing my new design from the top and one end;

FIG. 2 is an isometric view thereof shown from the top and end opposite that of FIG. 1;

FIG. 3 is an isometric view thereof shown from the bottom and same end as that of FIG. 2;

FIG. 4 is an isometric view of a second embodiment of the bracket for decorative lights showing my new design from the top and one end;

FIG. 5 is an isometric view thereof shown from the top and end opposite that of FIG. 4; and,

FIG. 6 is an isometric view thereof shown from the bottom and same end as that of FIG. 5.
