[57] **CLAIM**

The ornamental design for set of instructional first aid cards and case therefor, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a set of instructional first aid cards and case therefor showing our new design;
 FIG. 2 is a front elevational view thereof;
 FIG. 3 is a rear elevational view thereof;
 FIG. 4 is a top plan view thereof;
 FIG. 5 is a bottom plan view thereof;
 FIG. 6 is a left side elevational view thereof; and
 FIG. 7 is a right side elevational view thereof;
 FIG. 8 is a front elevational view of a first embodiment of a set of instructional first aid cards and embodiment of a set of instructional first aid cards and case therefor showing the cards in a fanned position without the case for clarity of illustration only;
 FIG. 9 is a rear elevational view thereof;
 FIG. 10 is a left side elevational view thereof;
 FIG. 11 is a front elevational view of the first embodiment of a set of instructional first aid cards and case therefor showing one card in a fanned position without the case for clarity of illustration only;
 FIG. 12 is a rear elevational view thereof;
 FIG. 13 is a left side elevational view thereof;
 FIGS. 14 through 22 are front elevational views of a set of instructional first aid cards and case therefor showing each card separate from the case and each other for clarity of illustration only;
 FIG. 23 through 31 are rear elevational views of a set of instructional first aid cards and case therefor showing each card separate from the case and each other for clarity of illustration only;
 FIG. 32 is a front elevational view of a second embodiment thereof, showing the cards in a fanned position without the case for clarity of illustration only;
 FIG. 33 is a rear elevational view thereof;
 FIG. 34 is a left side elevational view thereof;
 FIG. 35 is a front elevational view thereof, showing one card in a fanned position without the case for clarity of illustration only;
 FIG. 36 is a rear elevational view thereof;
 FIG. 37 is a left side elevational view thereof;

FIGS. 38 through 55 are front elevational views of a set of instructional first aid cards and case therefor showing each card separate from the case and each other for clarity of illustration only; and

FIG. 56 is a rear elevational view of a set of instructional first aid cards and case therefor showing the card separate from the case and other cards for clarity of illustration only, the others being the same.

The broken lines representing indicia in the drawings are for illustrative purposes only and forms no part of the claimed design.
