[57] **CLAIM**

The ornamental design for a computer lock, as shown and described.

DESCRIPTION

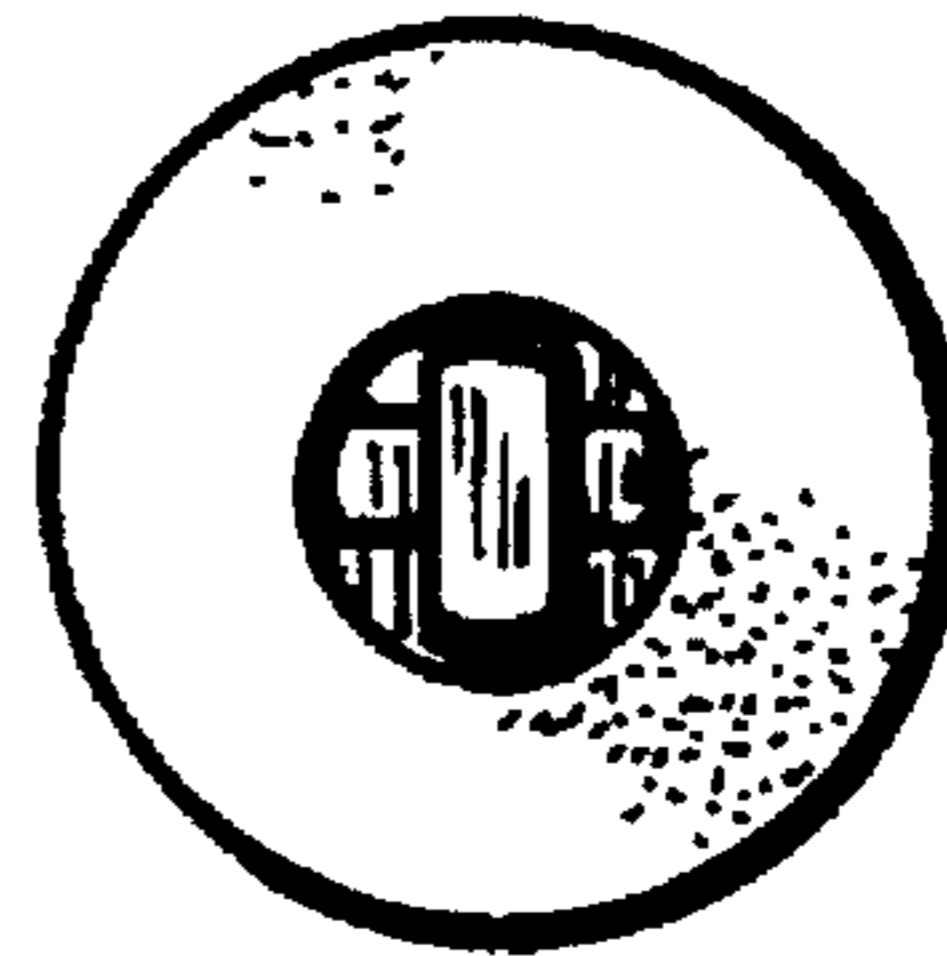

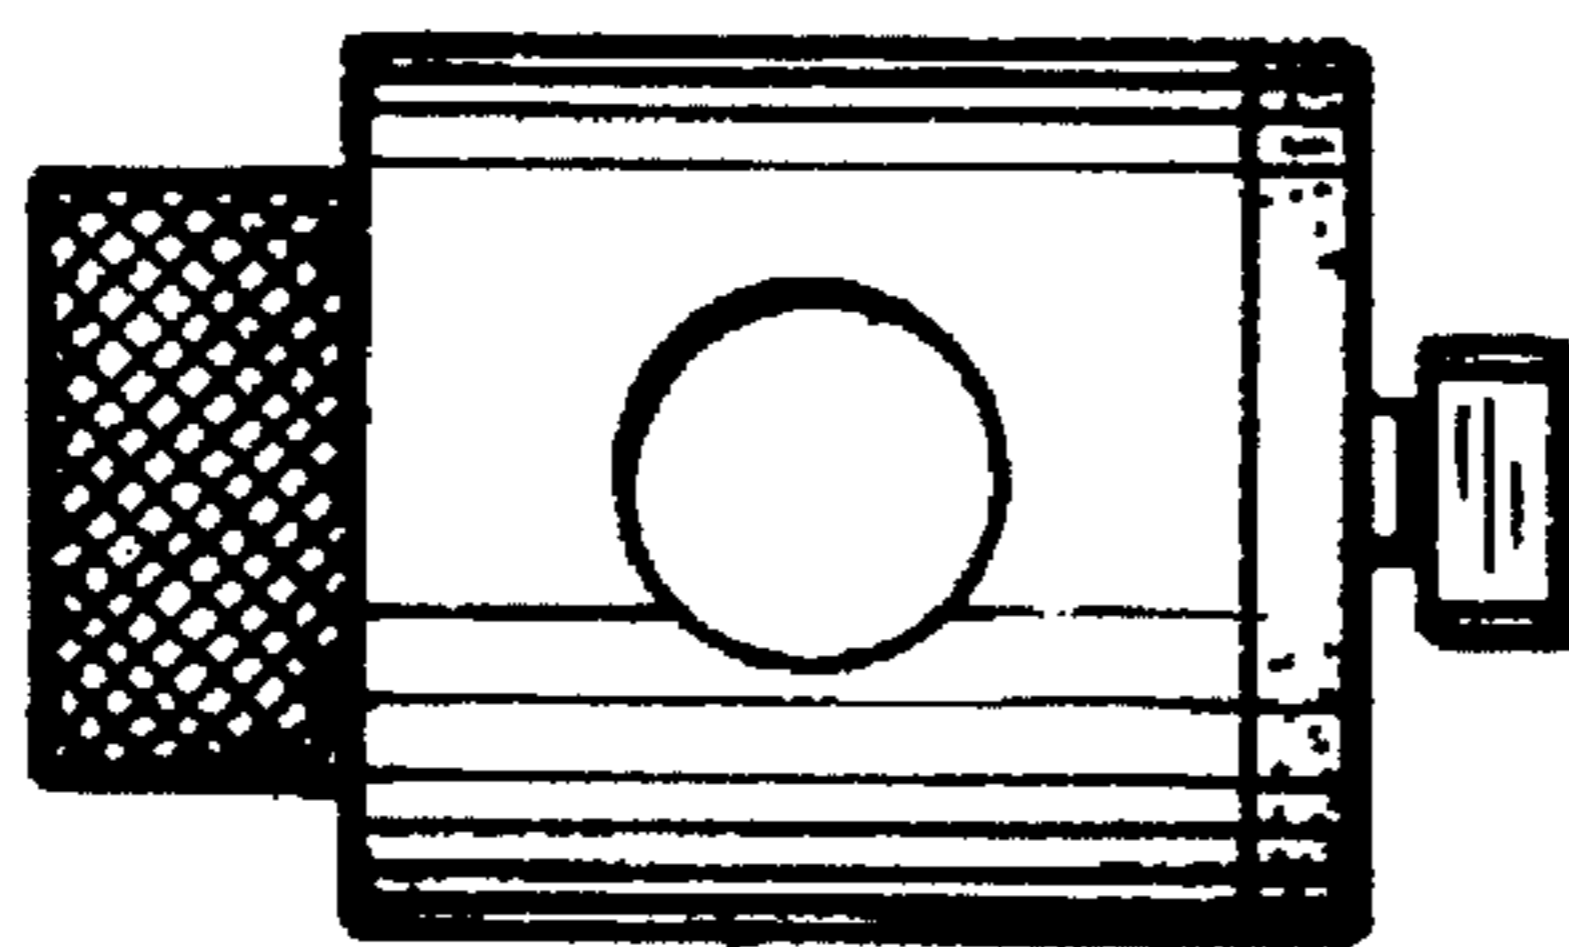

FIG. 1 is a front elevational view of a computer lock showing my new design;
FIG. 2 is a right side elevational view thereof, the left side being a mirror image of that shown;
FIG. 3 is a rear elevational view thereof; and,
FIG. 4 is a top plan view thereof, the bottom being identical in appearance.

1 Claim, 1 Drawing Sheet
