[57] **CLAIM**

The ornamental design for a concrete form splash funnel, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of the concrete form splash funnel;

FIG. 2 is a side-elevational view with the understanding that the other side-elevational view is the same; and,

FIG. 3 is an end elevational view with the understanding that the other end elevational view is the same;

FIG. 4 is a bottom plan view;

A second embodiment of the invention is illustrated in FIGS. 5-8 and wherein;

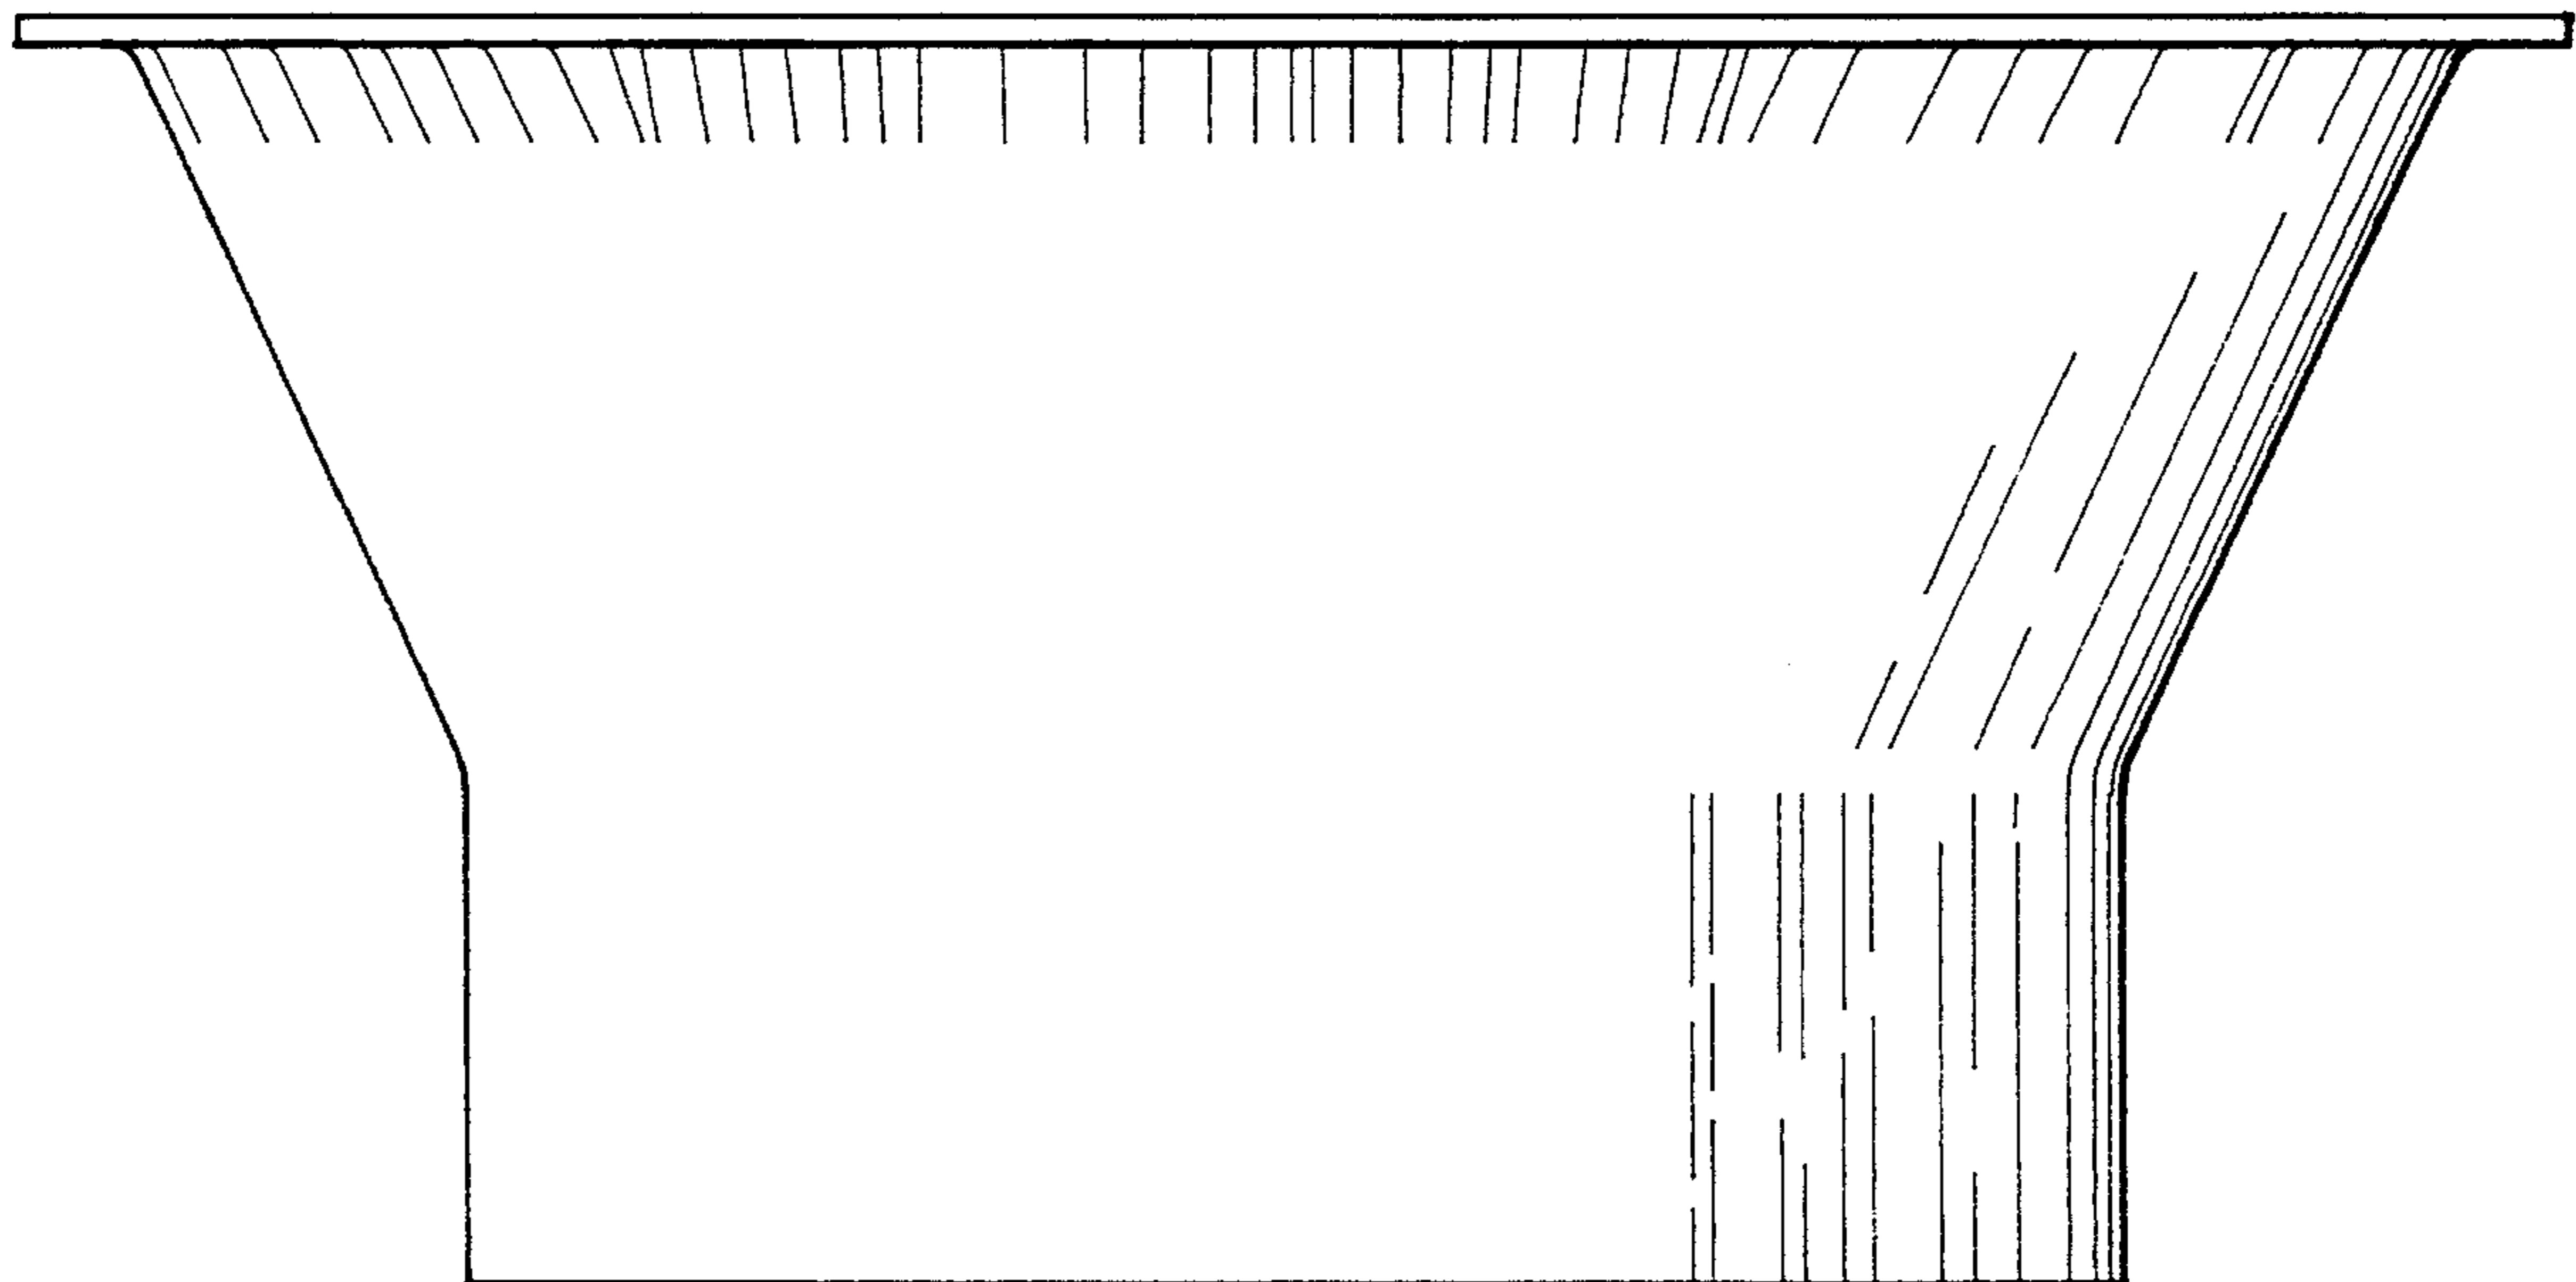

FIG. 5 is a side-elevational of the concrete form splash funnel with the understanding that the other side-elevational view is the same;

FIG. 6 is an end elevational view of the concrete form splash funnel with the understanding that the other end elevational view is the same;

FIG. 7 is a top plan view; and,

FIG. 8 is a bottom plan view.
