[57] **CLAIM**

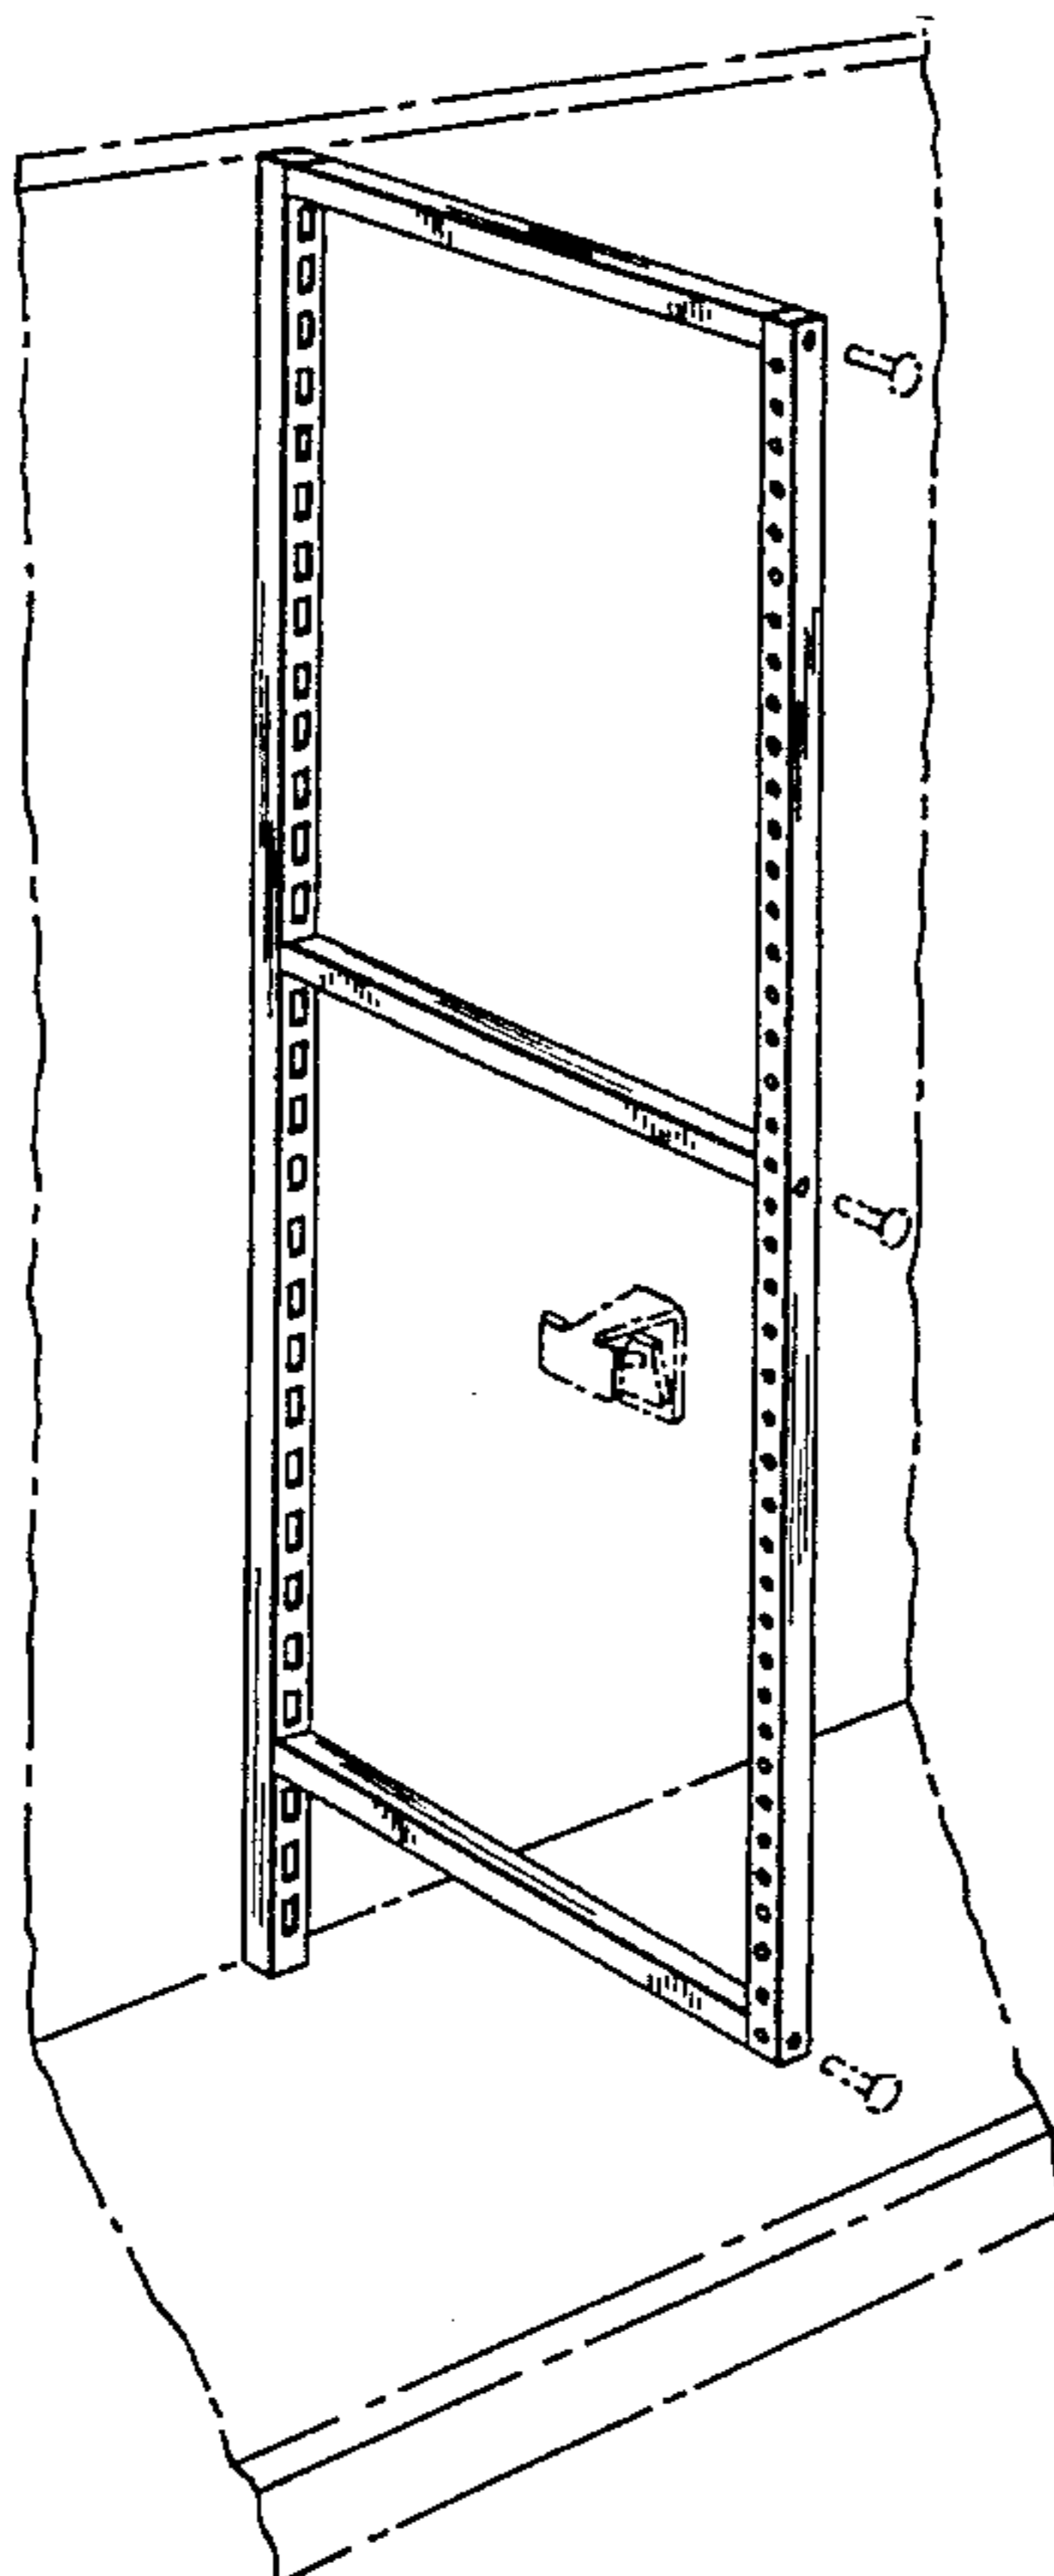

The ornamental design for a merchandising fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective left side and front view of a merchandising fixture constructed in accordance with the teachings of the present invention;
FIG. 2 is a front view thereof;
FIG. 3 is a top view thereof;
FIG. 4 is a perspective rear side and front view thereof; and,
FIG. 5 is a bottom view thereof.

It is to be understood that the hidden line showing throughout the drawings is for illustrative purposes only and forms no part of the subject invention. It is to be further understood that the bottom surfaces of the upper and middle horizontal members are flat and unornamented.
