[57] **CLAIM**

The ornamental design for pipe welding fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a pipe welding fixture showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a bottom plan view thereof; and,

FIG. 7 is a rear elevational view thereof.

The dominant feature of the invention resides in the design of a pipe welding fixture for use with clamping pipe bends and straight pieces of pipe.

The broken line showing of a pipe is for illustrative purposes only and forms no part of the claimed design.
