[57] **CLAIM**

The ornamental design for an incontinence electrode, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an incontinence electrode showing our new design; FIG. 2 is a side elevation view thereof, with all other sides being identical to that shown; FIG. 3 is a top view thereof; and, FIG. 4 is a bottom view thereof. The broken line showing of the power cord in the FIGS. 1 and 2 is for illustrated purposes only and forms no part of the claimed design.
