[57] **CLAIM**

The ornamental design for a handle for plumbing fitting, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, front and right side of a handle for plumbing fitting embodying my new design;

FIG. 2 is a rear elevational view thereof, the front being the mirror image of the rear;

FIG. 3 is a right side elevational view, the left side elevational view being identical to the right side view shown;

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a bottom plan view thereof.
