[57] **CLAIM**

The ornamental design for a solution bottle positioner, as shown and described.

DESCRIPTION

FIG. 1 is a right side view of our solution bottle positioner showing the positioning device and switch handle attached to a cable, broken to indicate a cable of indeterminate length. The dotted line showing of a solution bottle and a hook for hanging the device are for illustrative purposes only and form no part of the claimed design;

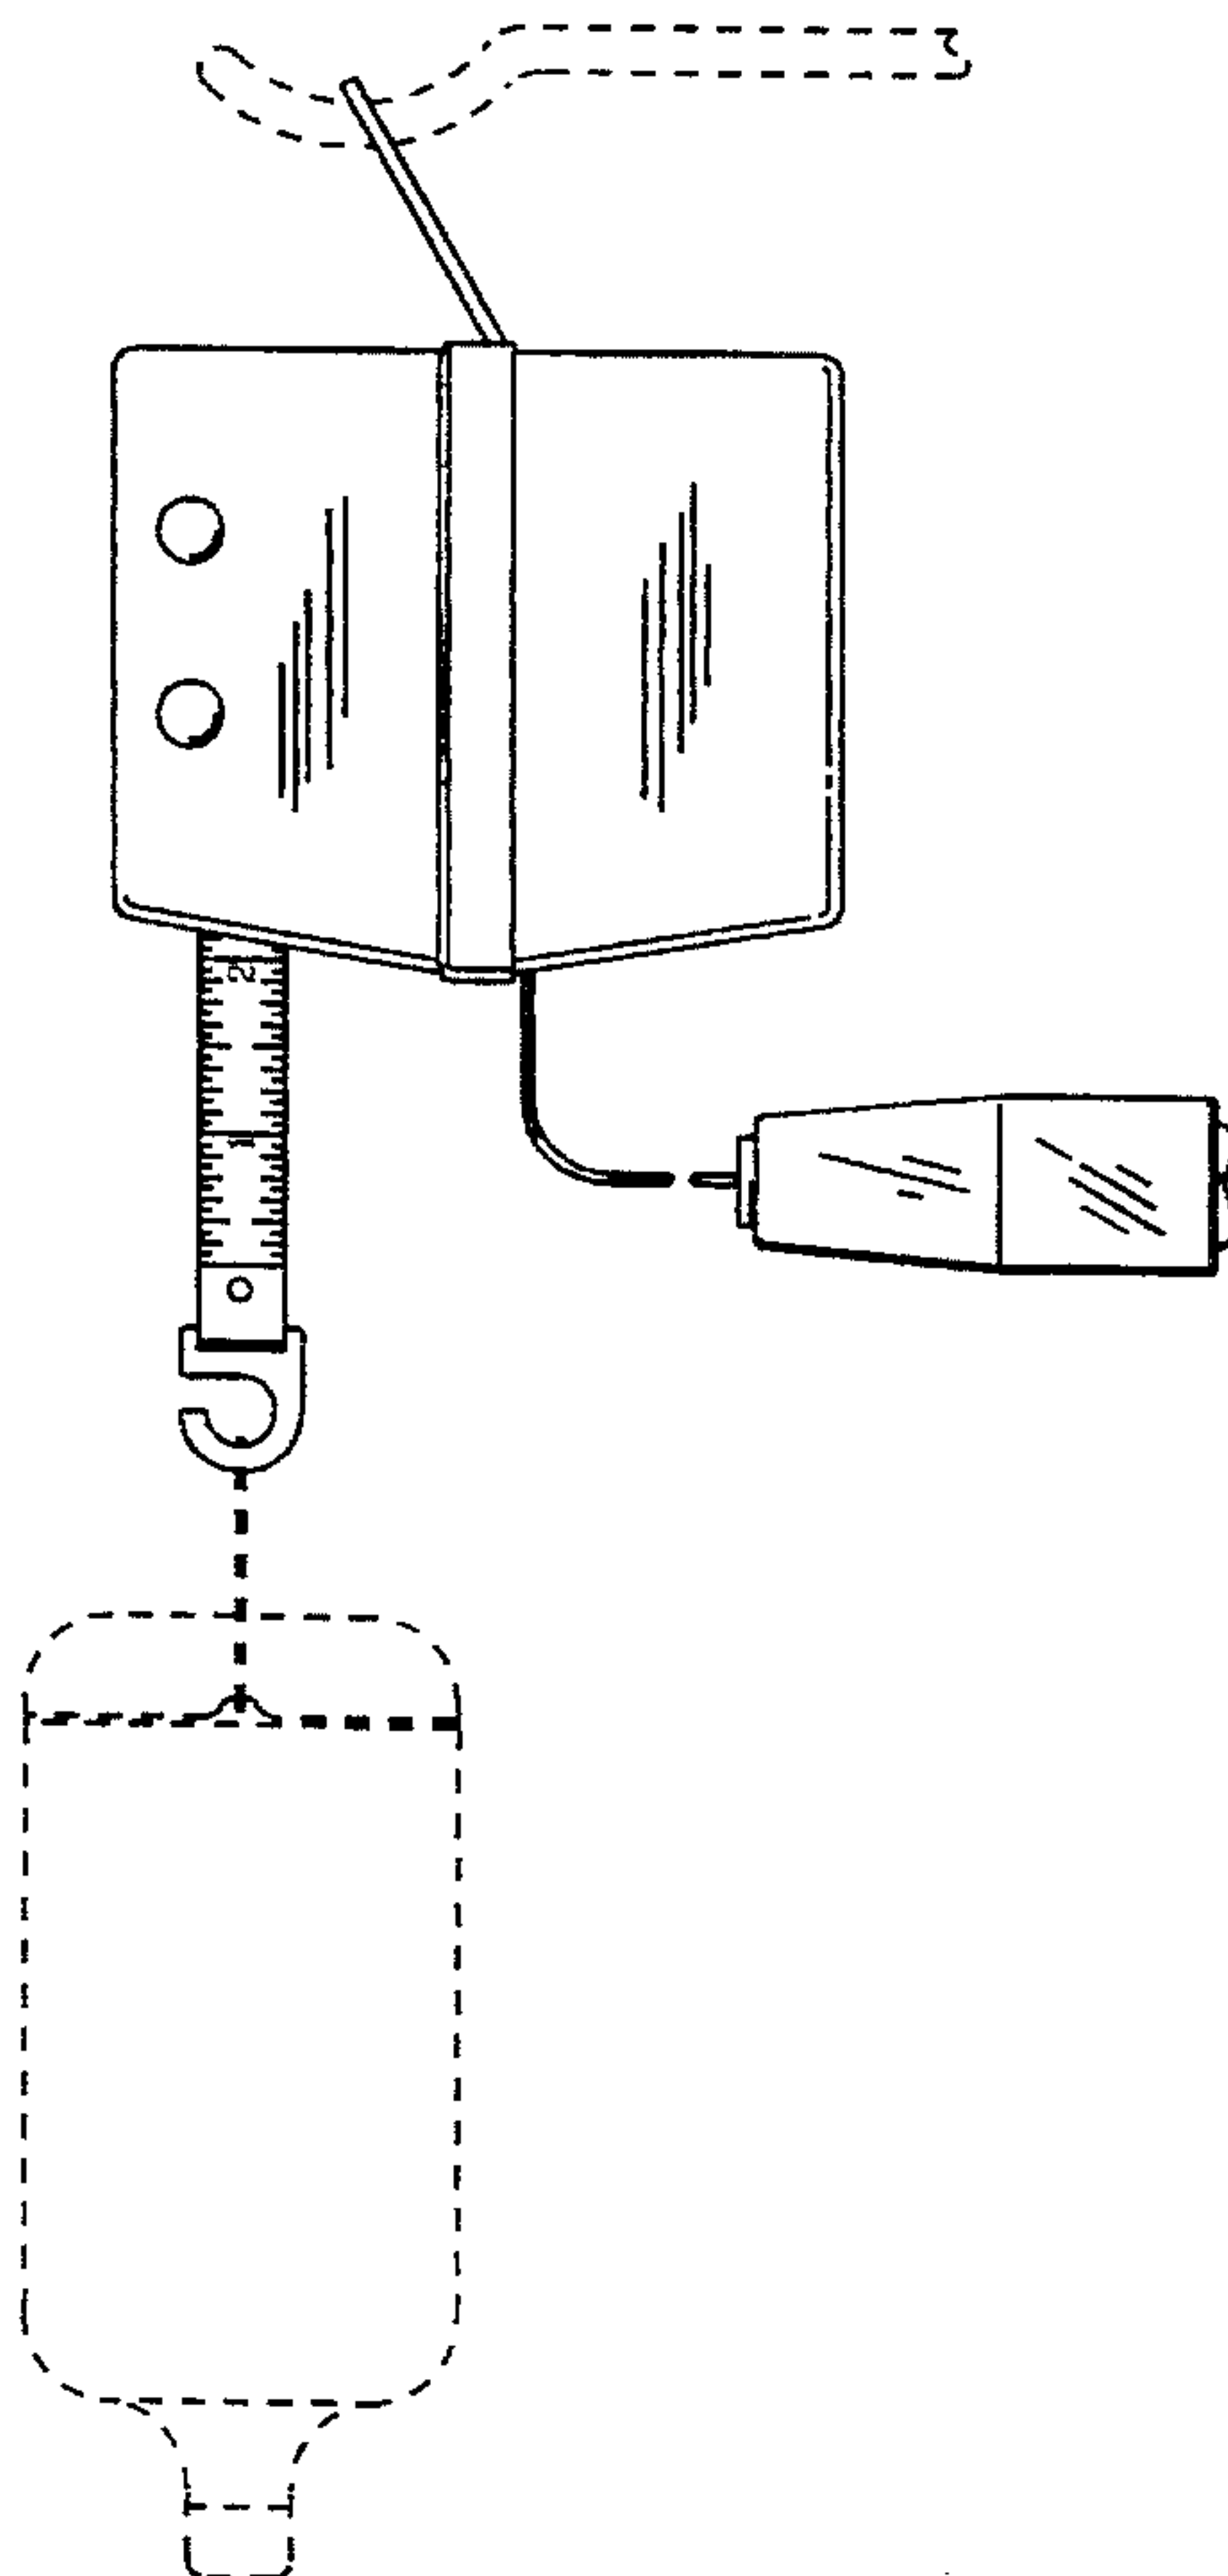

FIG. 2 is a front view of our solution bottle positioner and a rear view of the switch handle;

FIG. 3 is a rear view of our solution bottle positioner and a front view of the switch handle;

FIG. 4 is a top view of our solution bottle positioner and a partial top view of the switch handle; and,

FIG. 5 is a bottom view of our solution bottle positioner and a bottom view of the switch handle.
