[57] **CLAIM**

The ornamental design for a video advertising display module, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a video advertising display module showing my new design, with the broken line showing for illustrative purposes only and forming no part of the claimed design;
FIG. 2 is a left side elevational view thereof, with the opposite side being a mirror image;
FIG. 3 is a front elevational view thereof, with the rear being a mirror image;
FIG. 4 is a bottom view of the video advertising module illustrated in FIG. 1; and,
FIG. 5 is a top plan view of the video advertising module illustrated in FIG. 1.
