[57] CLAIM

The ornamental design for a combined back exerciser and massager, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined back exerciser and massager showing our new design;

FIG. 2 is a top plan view of the combined back exerciser and massager of FIG. 1, the bottom plan view being plain and unornamented;

FIG. 3 is a right side elevational view of the combined back exerciser and massager of FIG. 1, the left side elevational view being symmetrical thereto; and,

FIG. 4 is a front elevational view of the combined back exerciser and massager of FIG. 1, the rear elevational view being symmetrical thereto.
