[57] CLAIM

The ornamental design for an combined equestrian knee grip pad and protector, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined equestrian knee grip pad and protector showing my new design; FIG. 2 is a top view thereof in an open flattened configuration; FIG. 3 is a right side elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a bottom view thereof; FIG. 6 is a front elevational view thereof; and, FIG. 7 is a rear elevational view thereof. The crosshatch shading shown in FIGS. 1, 6 and 7 is understood to repeat throughout the indicated area. The broken line showing of a leg on which the knee grip-pad and protector is worn in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
