[57] **CLAIM**

The ornamental design for a combined nail driver and guide, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a combined nail driver and guide in a engaged configuration showing my new design; FIG. 2 is a reverse perspective view of a combined nail driver and guide in a disengaged configuration showing my new design; FIG. 3 is a side view thereof; FIG. 4 is a top view thereof; FIG. 5 is a front view thereof; FIG. 6 is a rear view thereof; and, FIG. 7 is a perspective view of a combined nail driver and guide in a disengaged configuration showing my new design wherein the nail driver handle is further removed from the nail driver shaft. The broken lines indicate the order of assembly of combined nail driver and guide and form no part of the claimed design.
