[57] **CLAIM**

The ornamental design for a set of synthetic posterior or masticatory denture teeth, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a set of synthetic posterior masticatory denture teeth, the set consists of left and right upper and lower portions;
FIG. 2 is an opposite side elevational view thereof;
FIG. 3 is a front elevational view of the set;
FIG. 4 is a rear elevational view of the set;
FIG. 5 is a top plan view of the set;
FIG. 6 is a bottom plan view of the set; and,
FIG. 7 is a front perspective view of the set.

No novelty is claimed in the appearance of the shape and configuration of the bottom plan as shown.
