## [57] CLAIM

The ornamental design for the adhesive backed hook, as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view of a adhesive backed hook in its environment;

FIG. 2 is a front elevational view of the adhesive backed hook thereof;

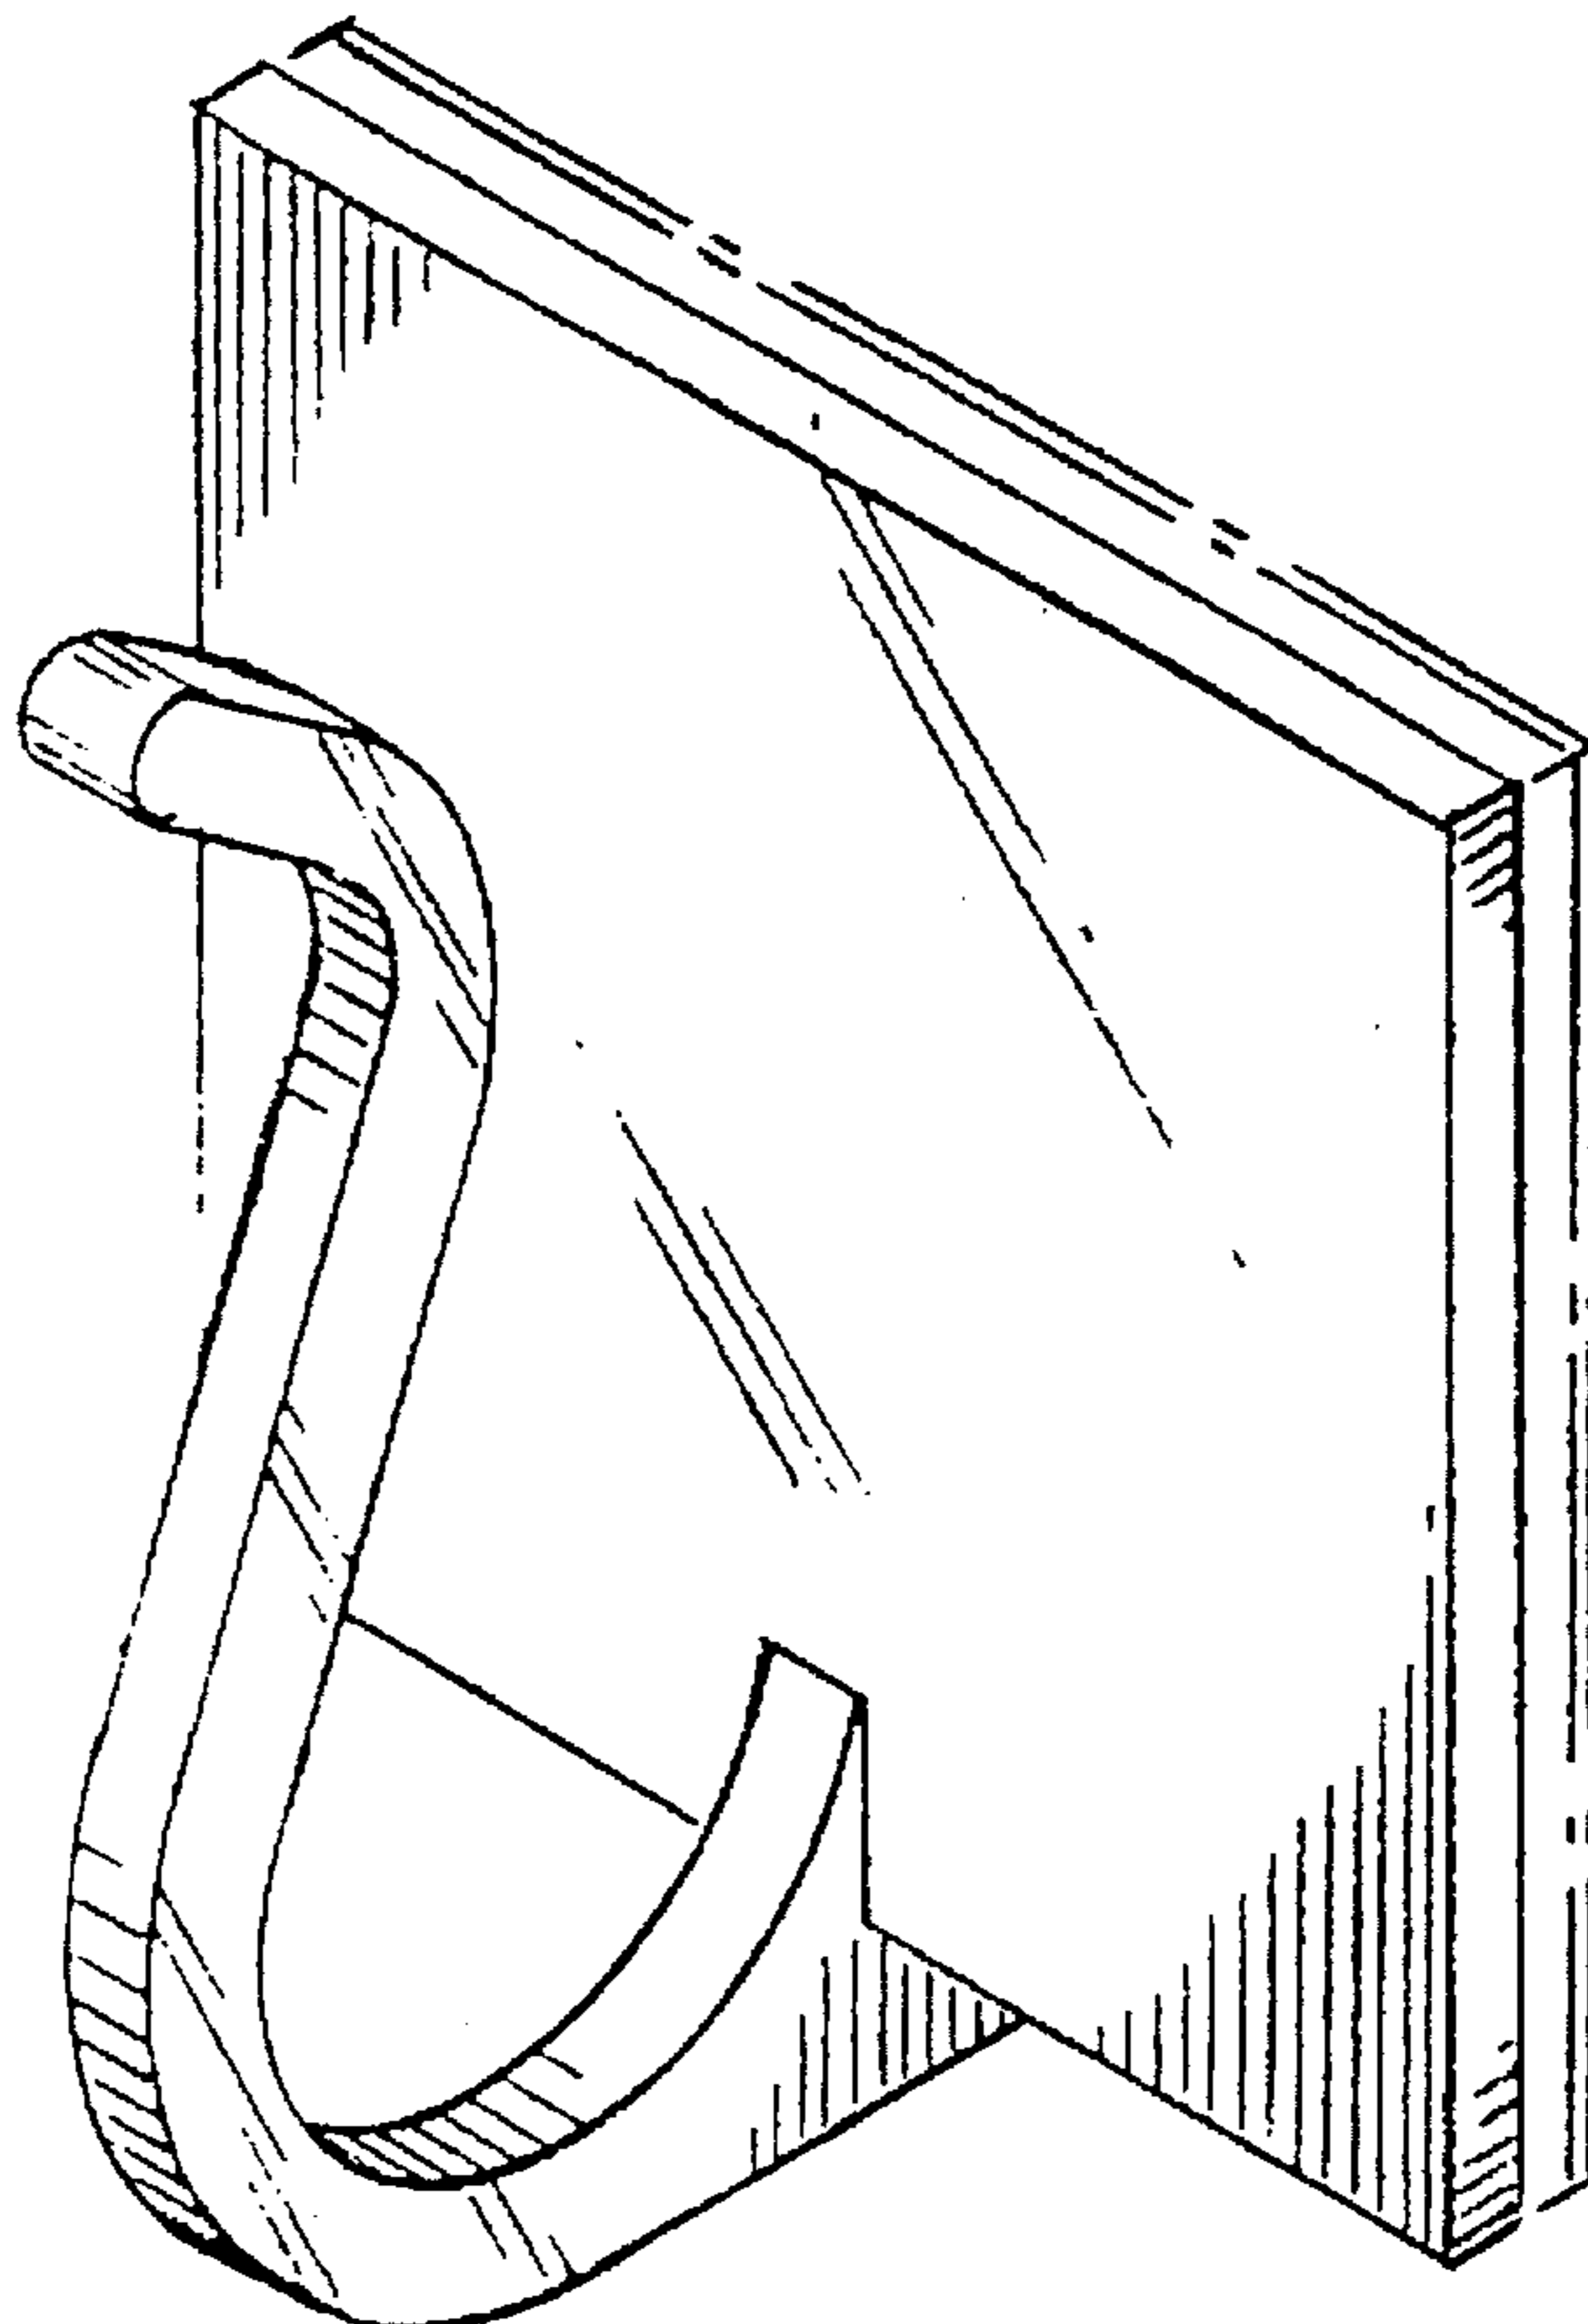

FIG. 3 is a right side view of the adhesive backed hook of FIG. 2 with the left side being a mirror image; and,

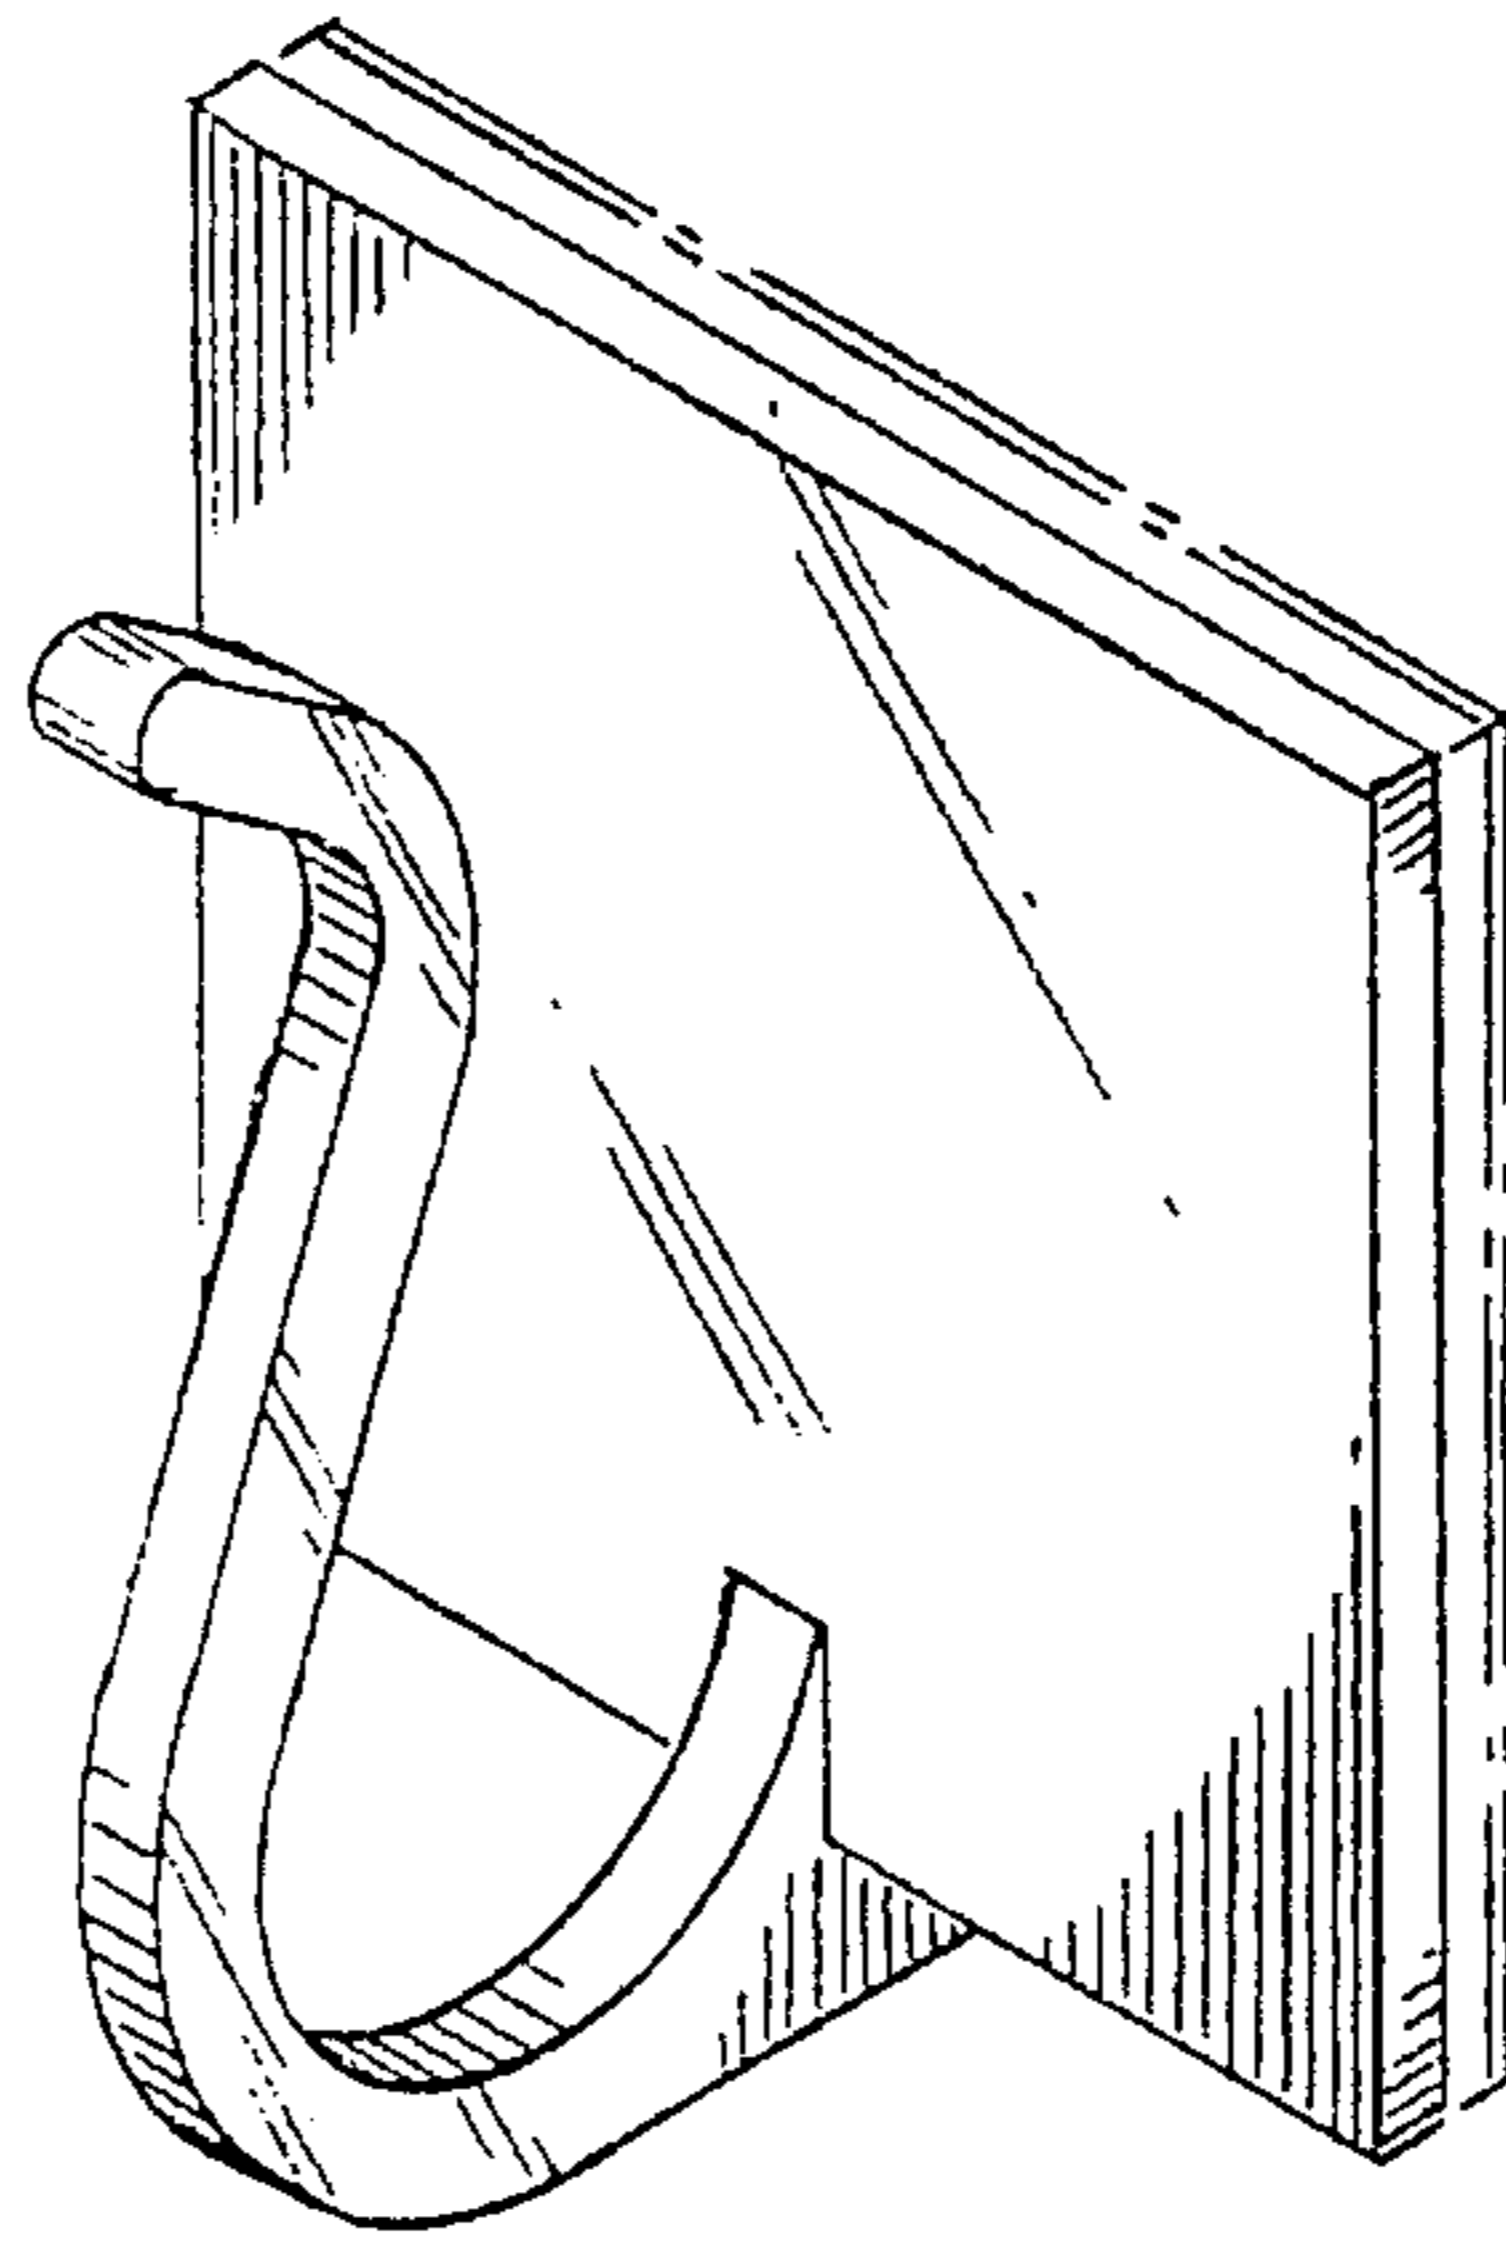

FIG. 4 is a top view of the adhesive backed hook as illustrated in FIG. 2.

The undisclosed bottom plan view is unornamented.

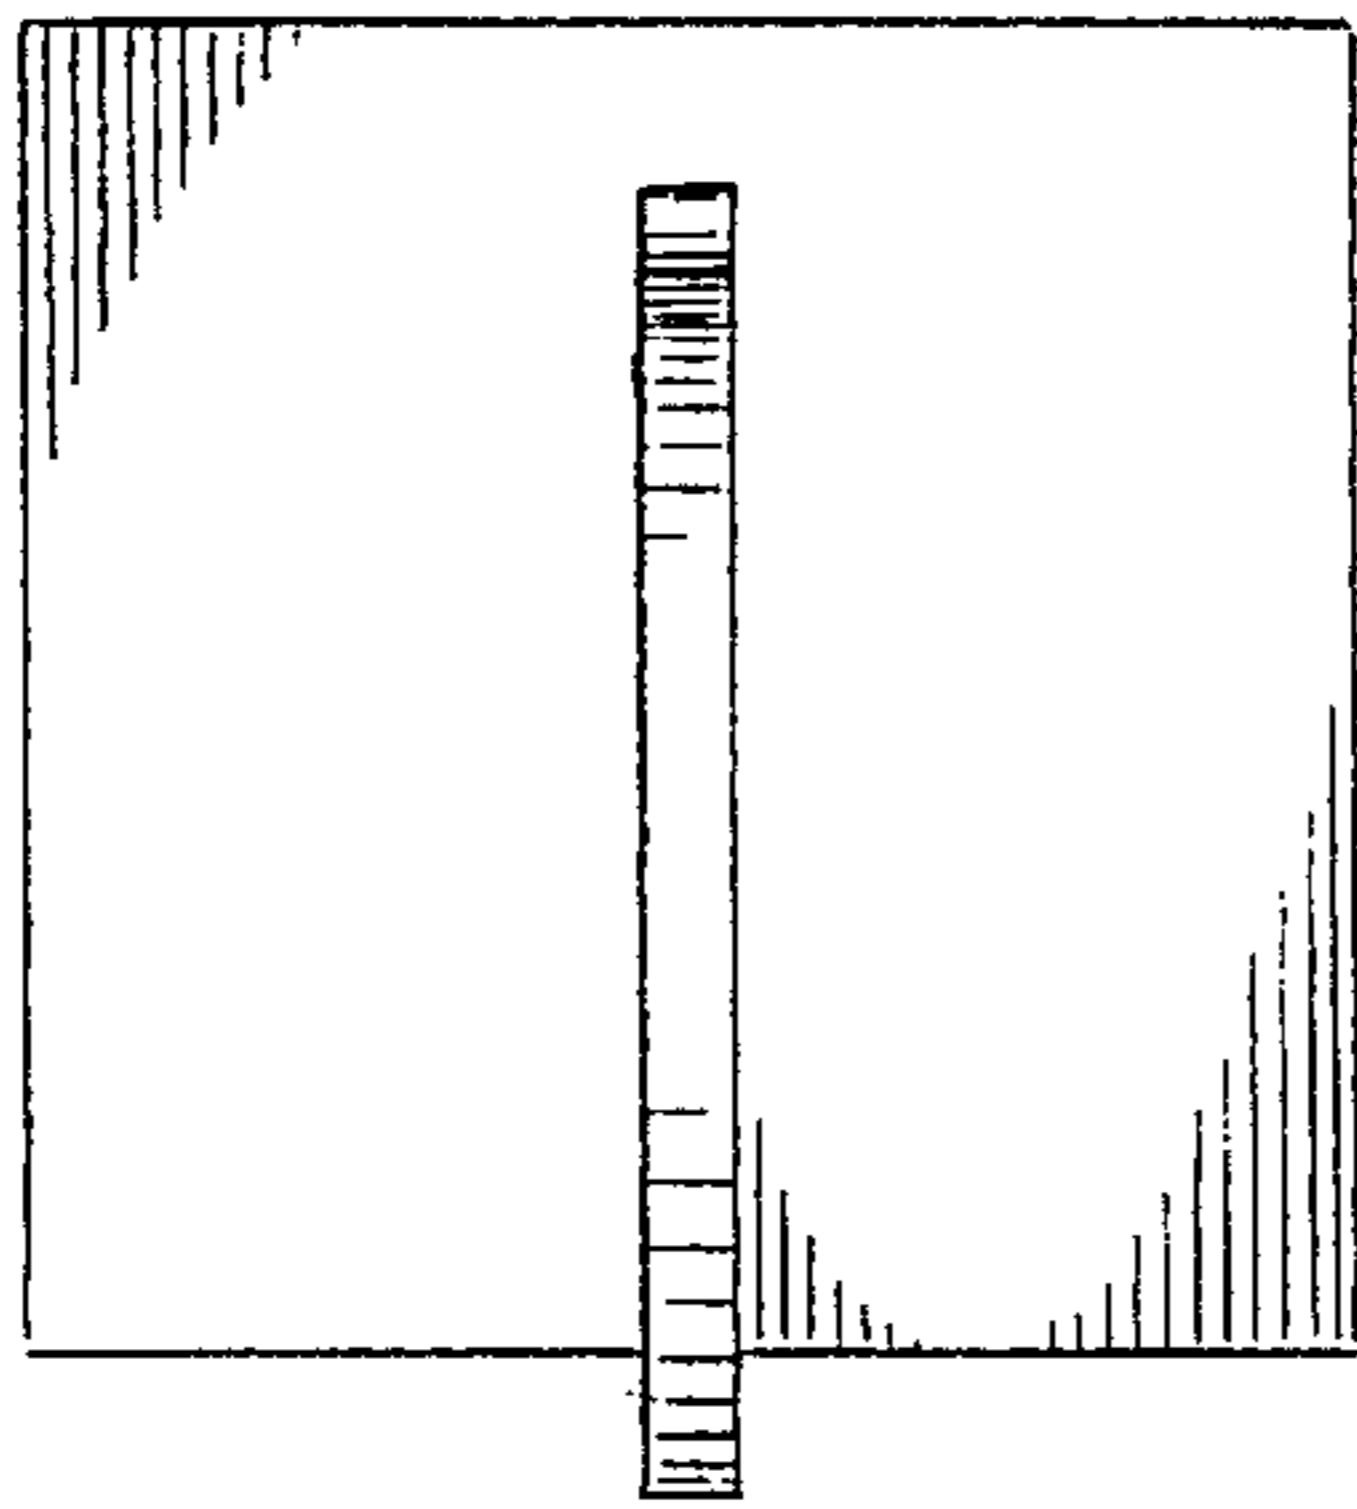

The broken line showing of an adhesive backing is for illustrative purposes only and forms no part of the claimed design.
