[57] **CLAIM**

The design for a burner pilot assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a burner pilot assembly showing our new design;
FIG. 2 is a left side elevational view thereof, including environment in phantom lines, the right side being a mirror image thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a rear elevational view thereof; and,
FIG. 5 is a bottom plan view thereof partially broken away to show obscured detail.
The broken line showing of the electrode and the flame sensing bulb in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
