[57] CLAIM

The ornamental design for an infusion package, as shown and described.

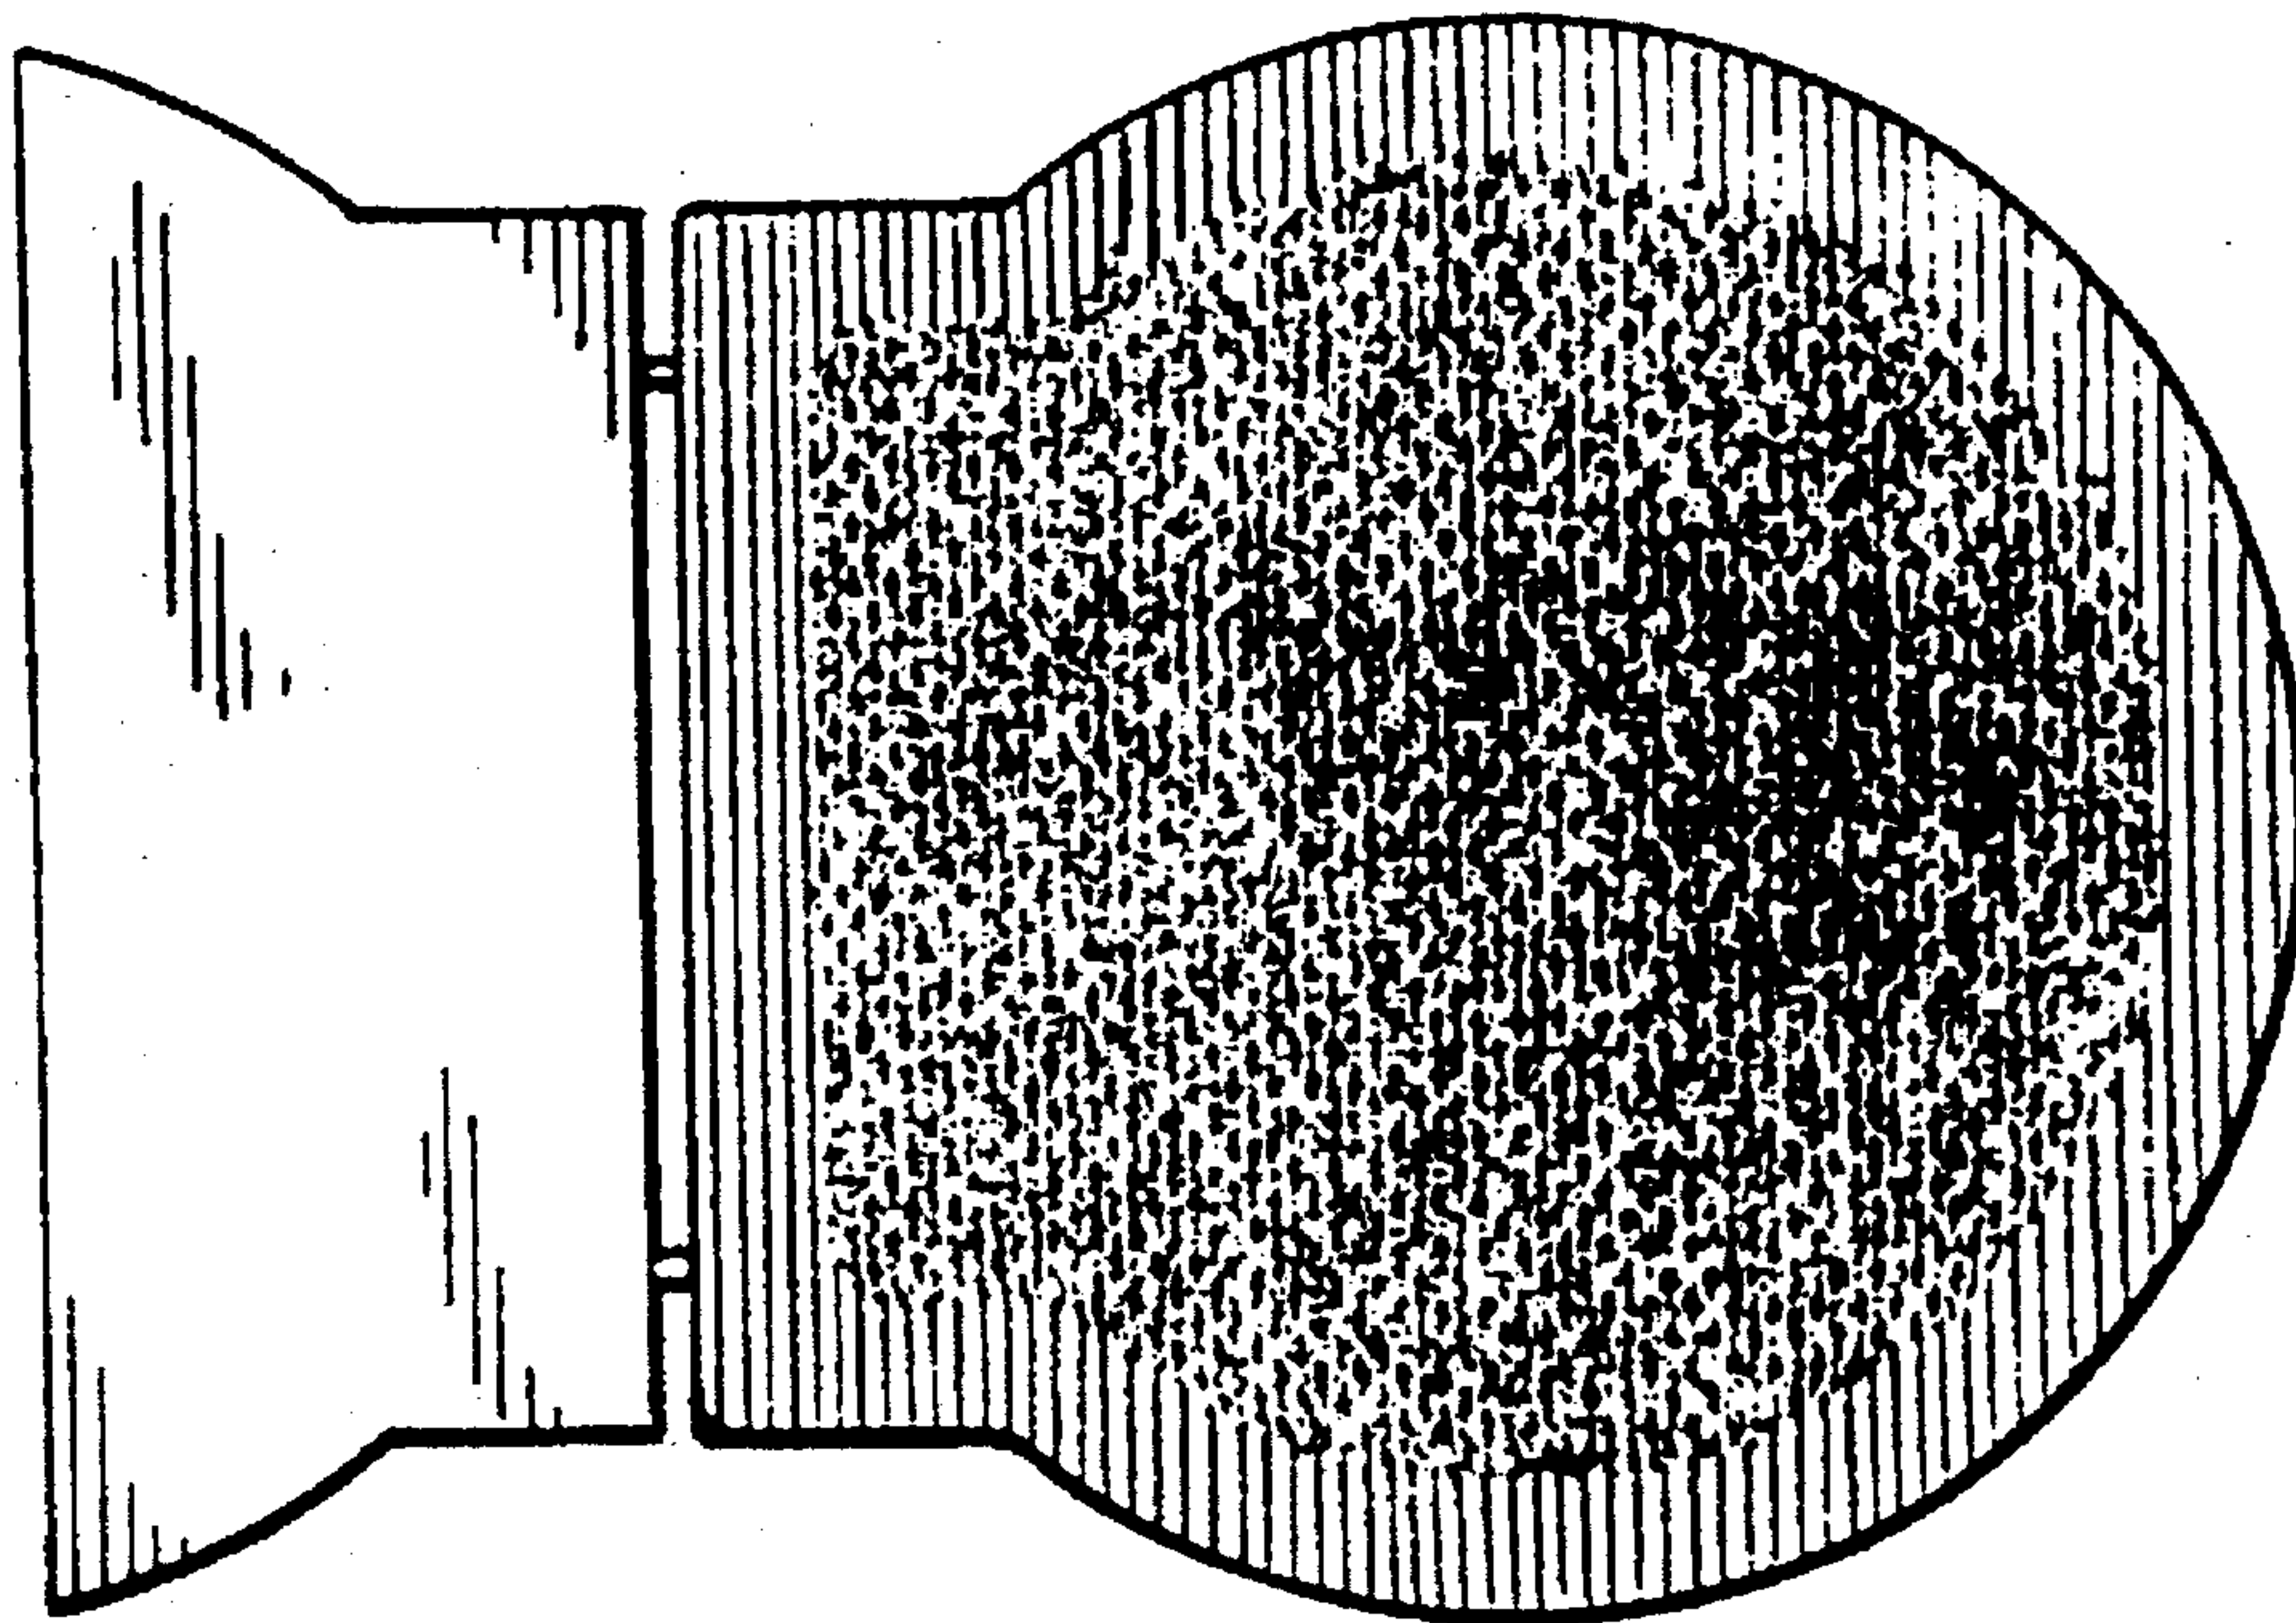

DESCRIPTION

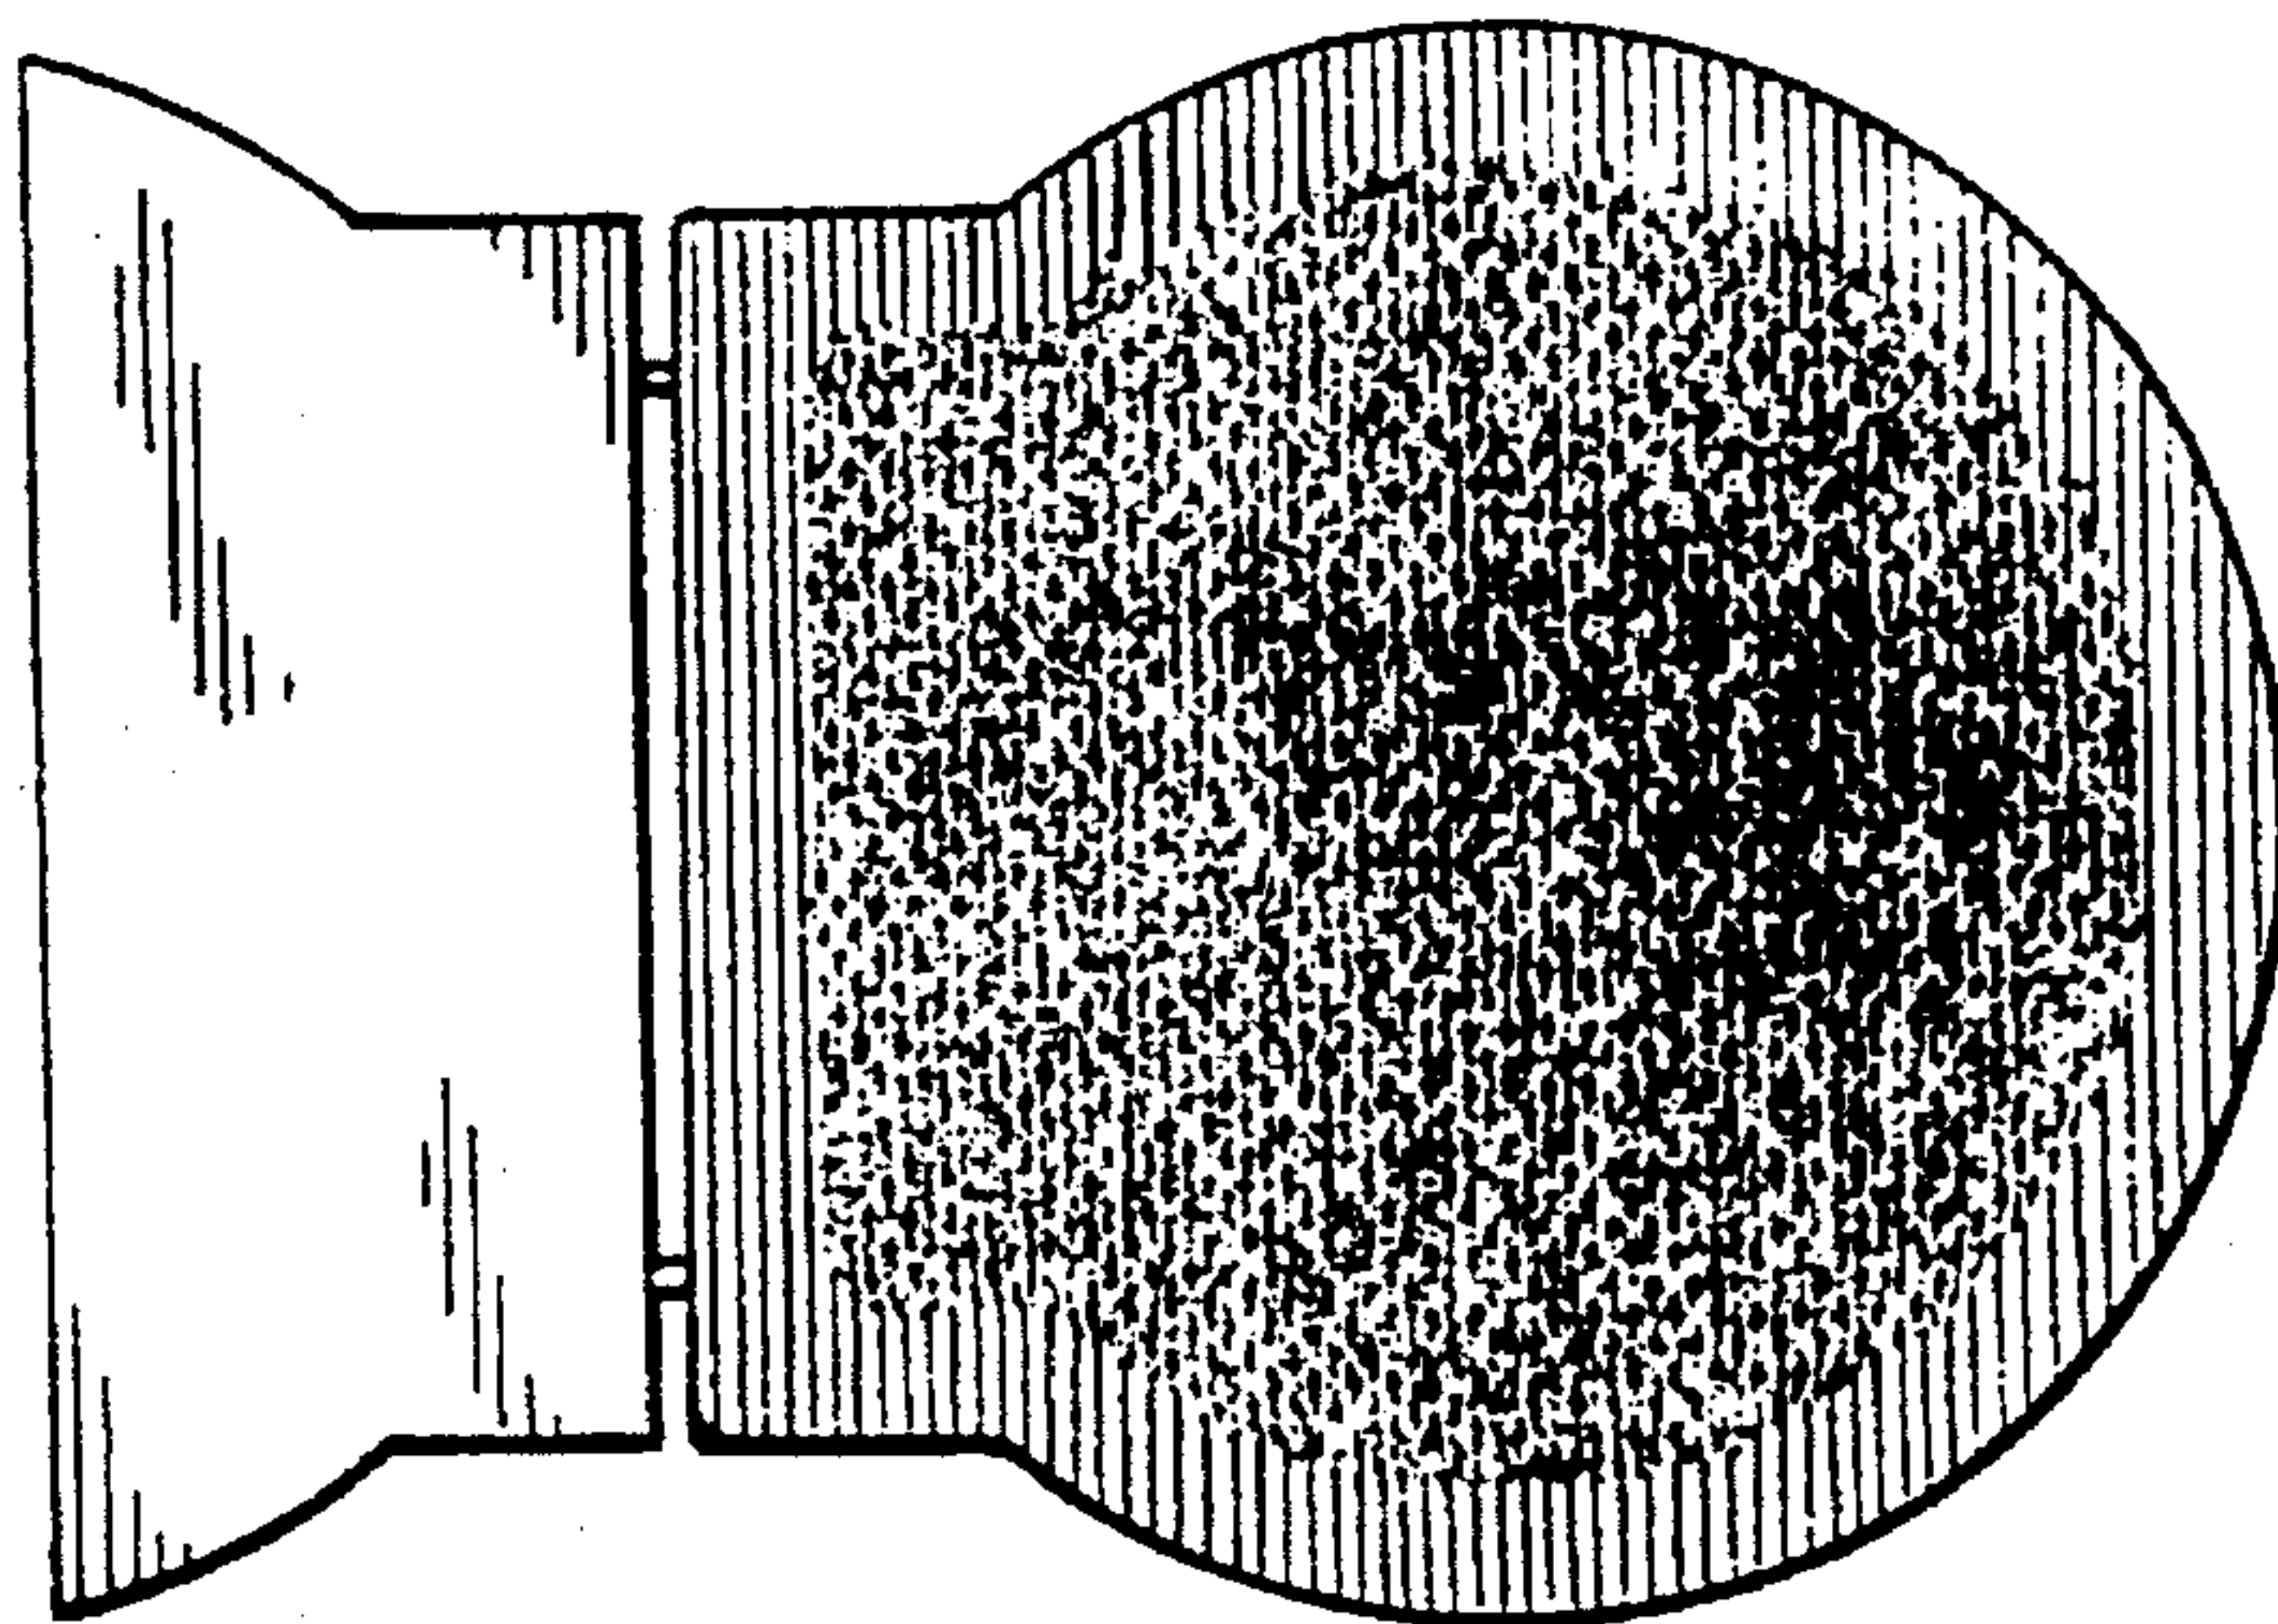

FIG. 1 is a top plan view of an infusion package according to this design, with a tag extending outward therefrom, the bottom plan view being a mirror image of FIG. 1;

FIG. 2 is a right side elevational view of the infusion package with the tag extending therefrom, the left elevational view thereof being a mirror image of FIG. 2; and,

FIG. 3 is a top plan view of the infusion package shown with the tag folded thereover in an alternate position.
