[57] CLAIM

The ornamental design for vehicle seat, as shown and described.

### DESCRIPTION

FIG. 1 is a right, front perspective view of my new vehicle seat design;

FIG. 2 is a top plan view of my new vehicle seat design. The bottom plan view is not seen in normal use and contains no design features;

FIG. 3 is left, front perspective view of my new vehicle seat design;

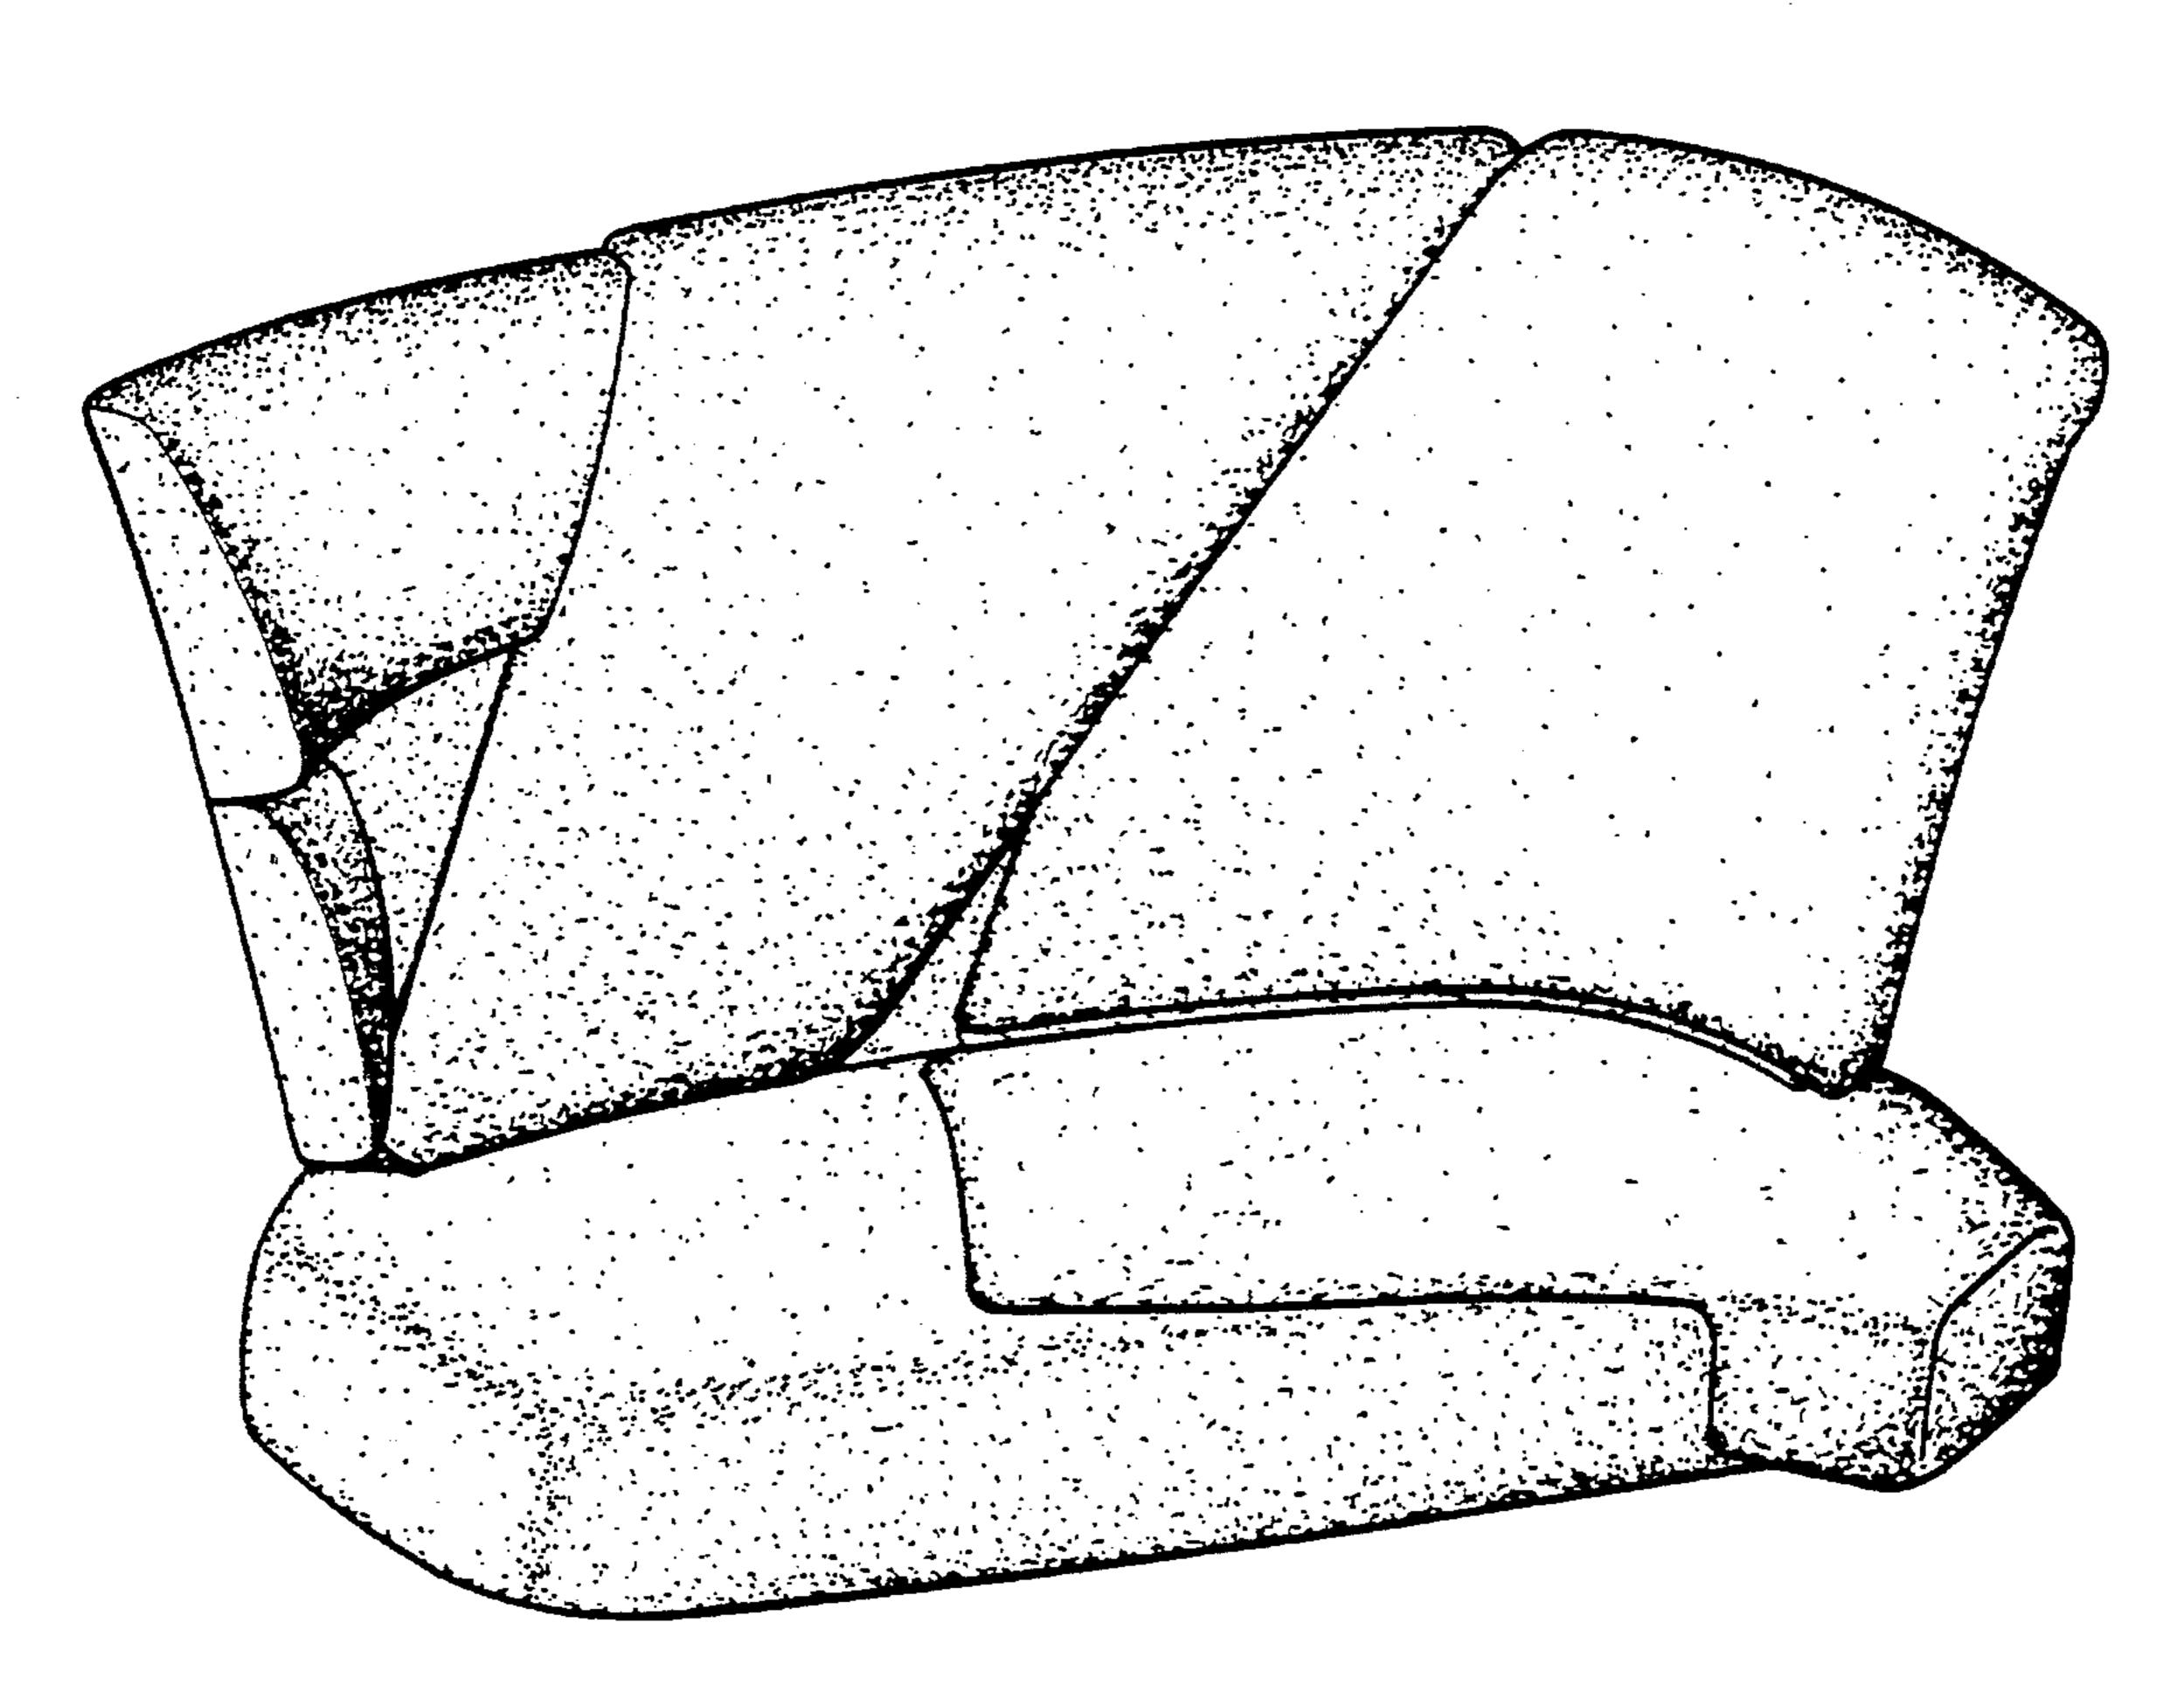

FIG. 4 is a front elevation view of my new vehicle seat design. The rear elevation view is not seen in normal use and contains no design features;

FIG. 5 is a right side elevation view of my new vehicle seat design; and,

FIG. 6 is a left side elevation view of my new vehicle seat design.

The broken line showing of environmental matter in FIGS. 5 and 6, is for illustrative purposes only and forms no part of the claimed design.
