[57] **CLAIM**

The ornamental design for a watering can, as shown and described.

DESCRIPTION

FIG. 1 is an enlarged top left front perspective view of a watering can showing my new design;

FIG. 2 is a front elevational view, reduced in size in relation to FIG. 1;

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view thereof; the right side elevational view being a mirror image;

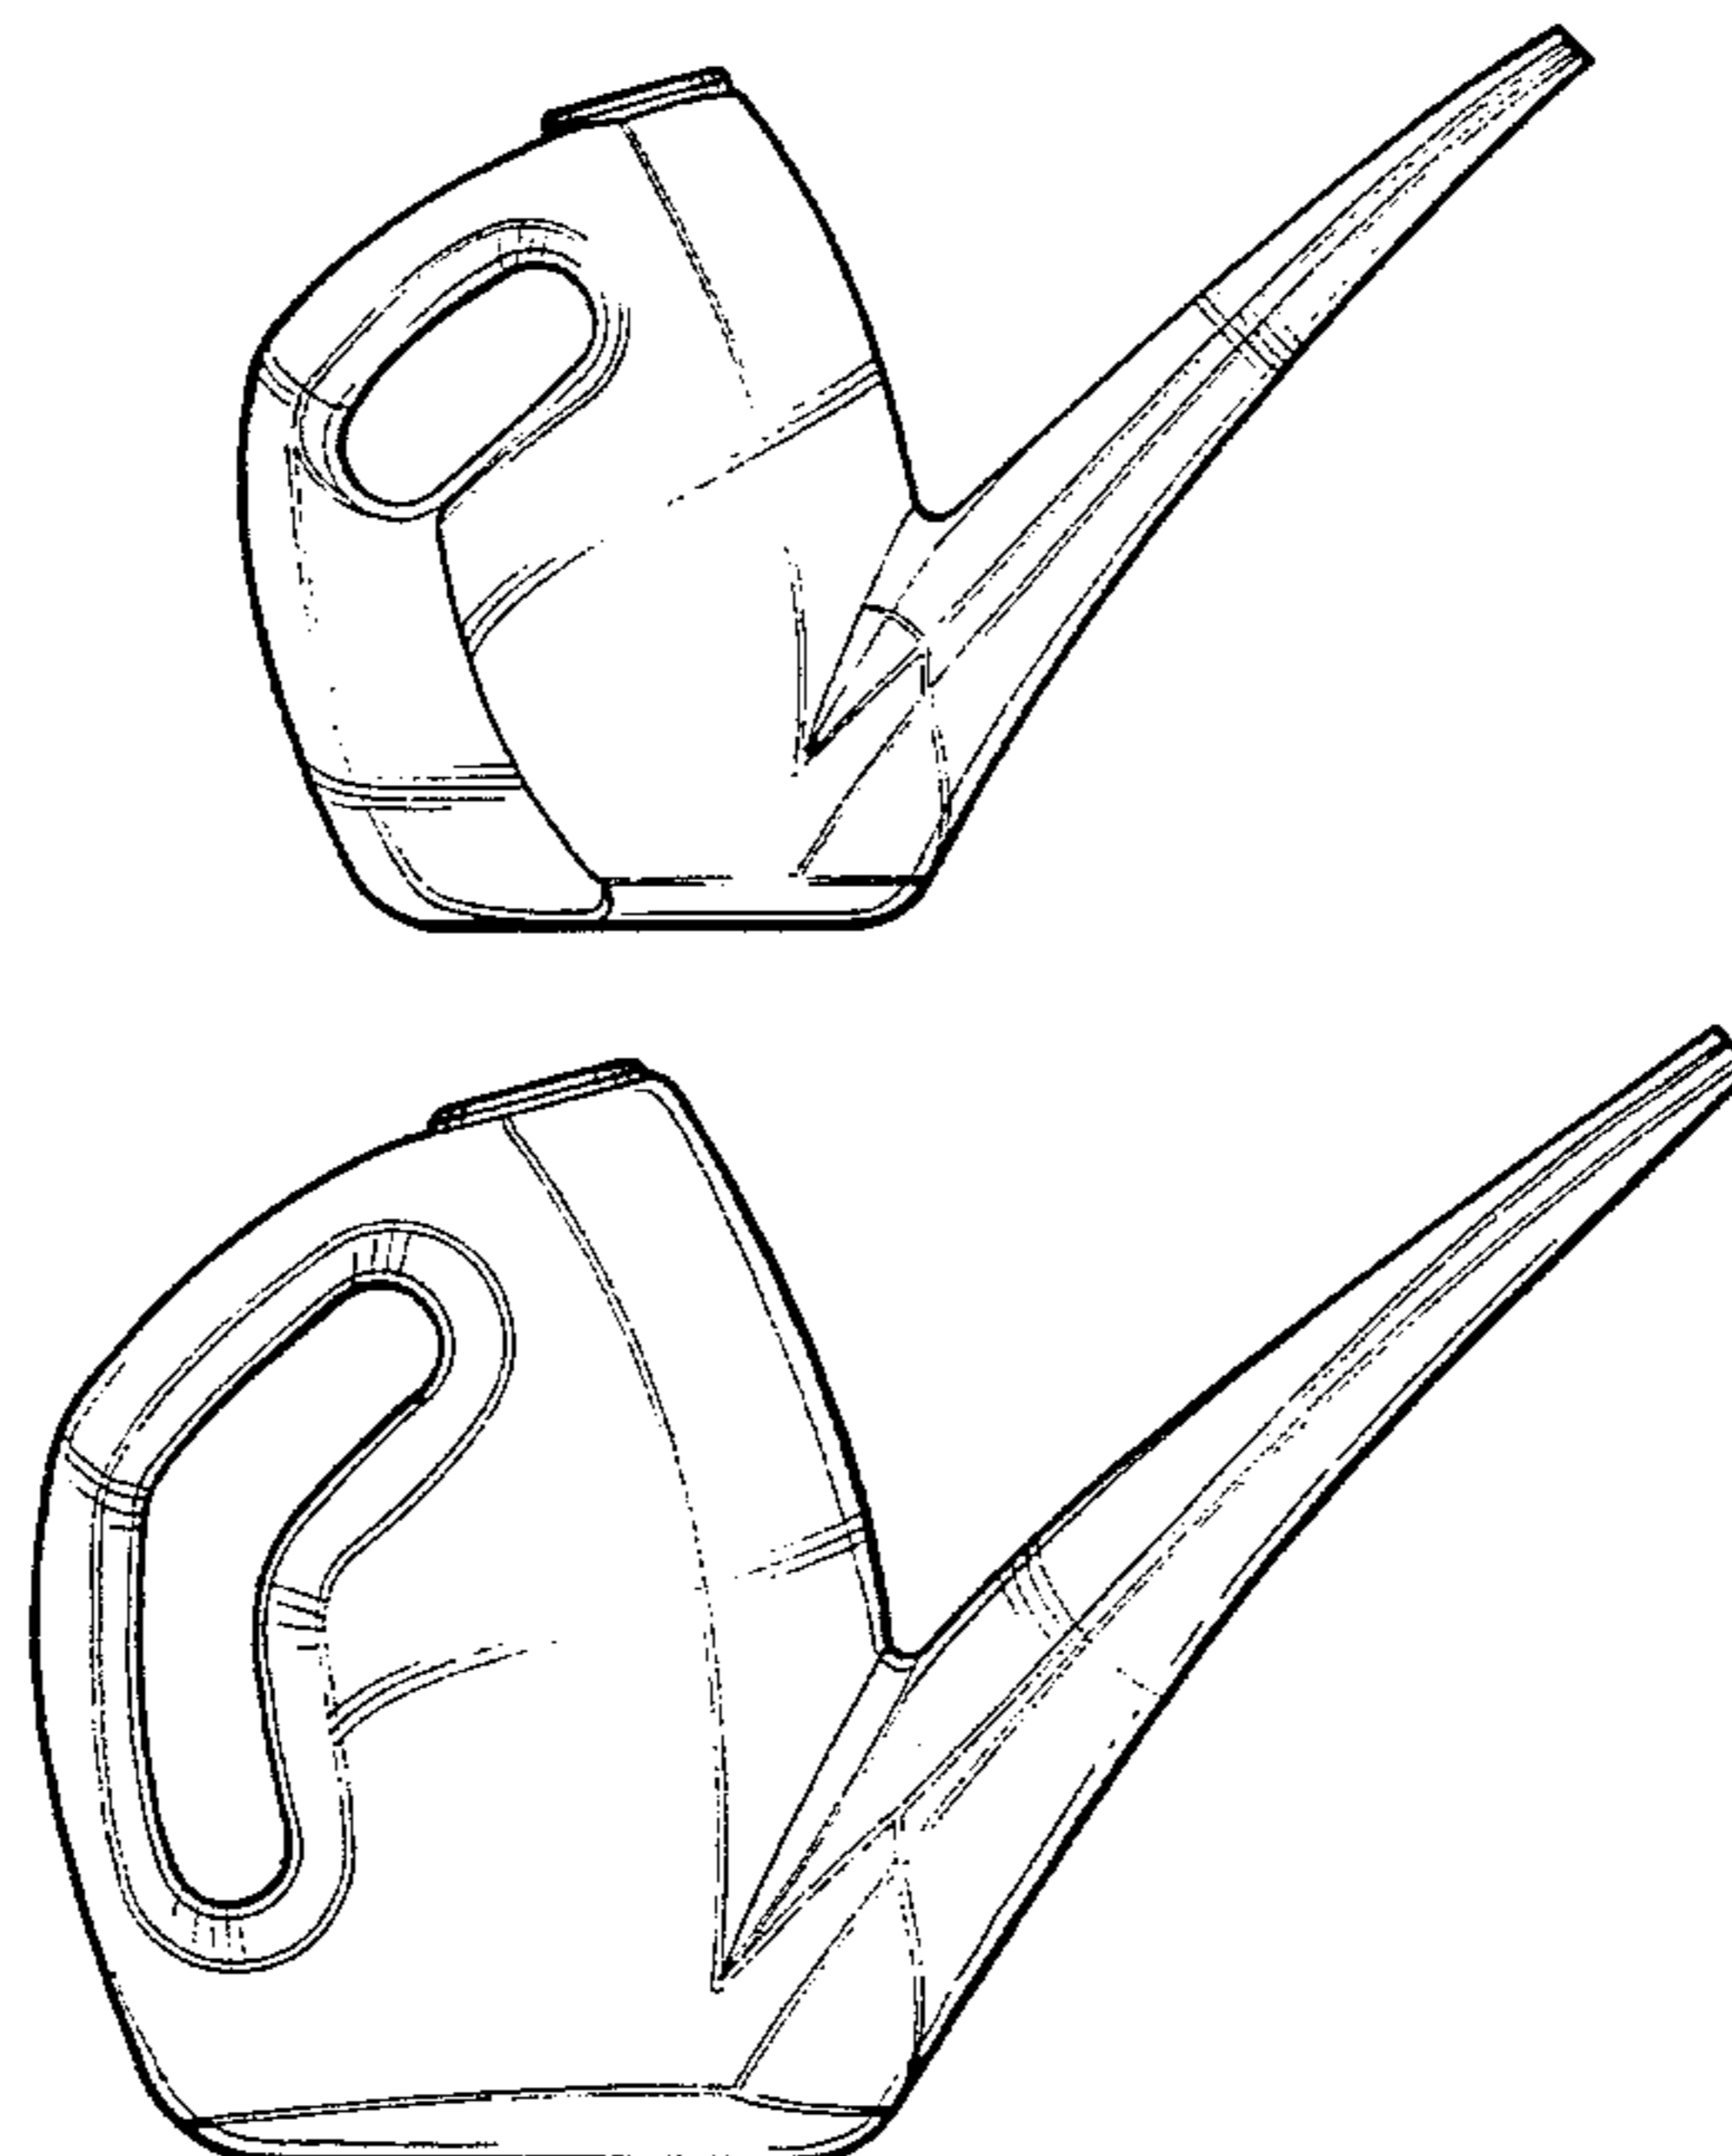

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a top left front perspective view of the alternate embodiment of a watering can showing my new design, the only difference being the configuration of the handle opening; and,

FIG. 8 is a left side elevational view of the alternate embodiment, reduced in size in relation to FIG. 7; the right side elevational view being a mirror image thereof.
