## [57] CLAIM

The ornamental design for a tripod burner, as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view of the tripod burner of the present invention in its erected position, showing the front, sides and top of the new design;

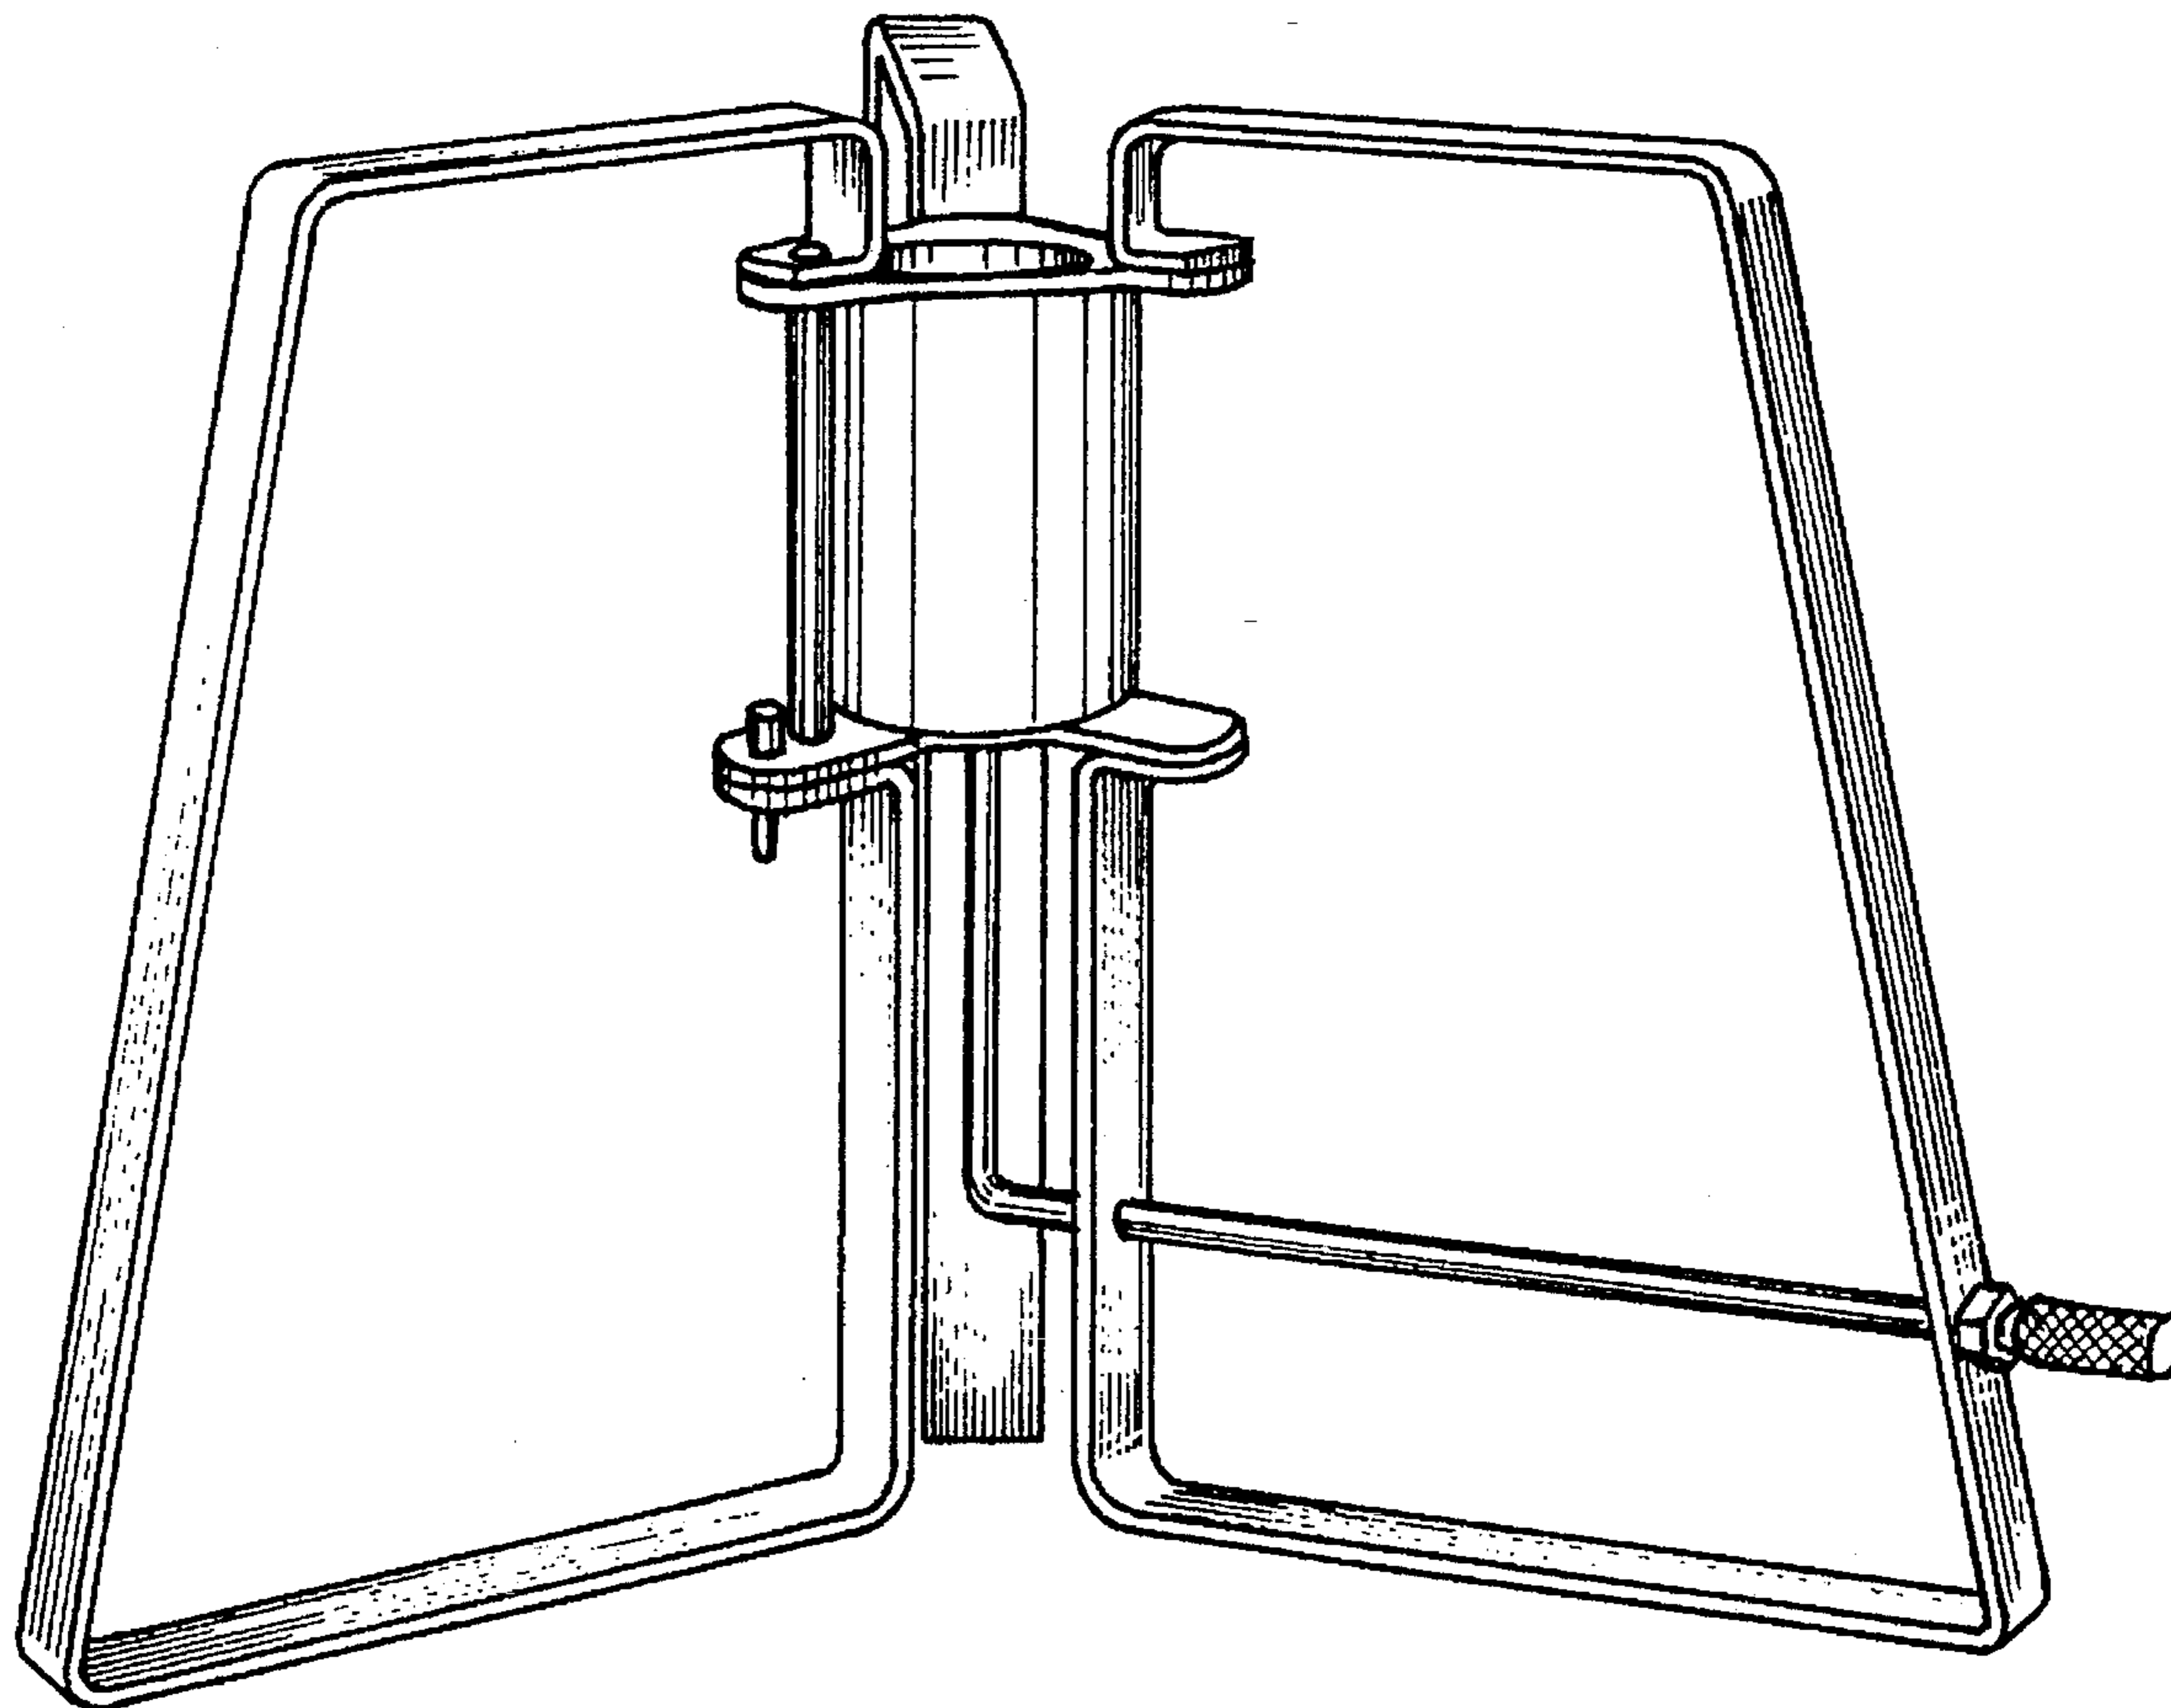

FIG. 2 is a top view of the tripod burner of FIG. 1;

FIG. 3 is a side view of the tripod burner of FIG. 1, both sides being substantially identical;

FIG. 4 is a perspective view of the tripod burner of the present invention in its collapsed position, showing the front, sides and top of the new design; and,

FIG. 5 is a top view of the tripod burner of FIG. 4.
