### [57] CLAIM

The ornamental design for a video game controller for use with an exercise apparatus, as shown and described.

### DESCRIPTION

FIG. 1 is a front perspective view of my video game controller for use with an exercise apparatus, showing a typical embodiment of my new design;

FIG. 2 is a front end elevational view of my video game controller for use with an exercise apparatus;

FIG. 3 is a rear end elevational view of my video game controller for use with an exercise apparatus;

FIG. 4 is a left side elevational view of my video game controller for use with an exercise apparatus, which is a mirror image of its right side elevational view;

FIG. 5 is a top plan view of my video game controller for use with an exercise apparatus; and,

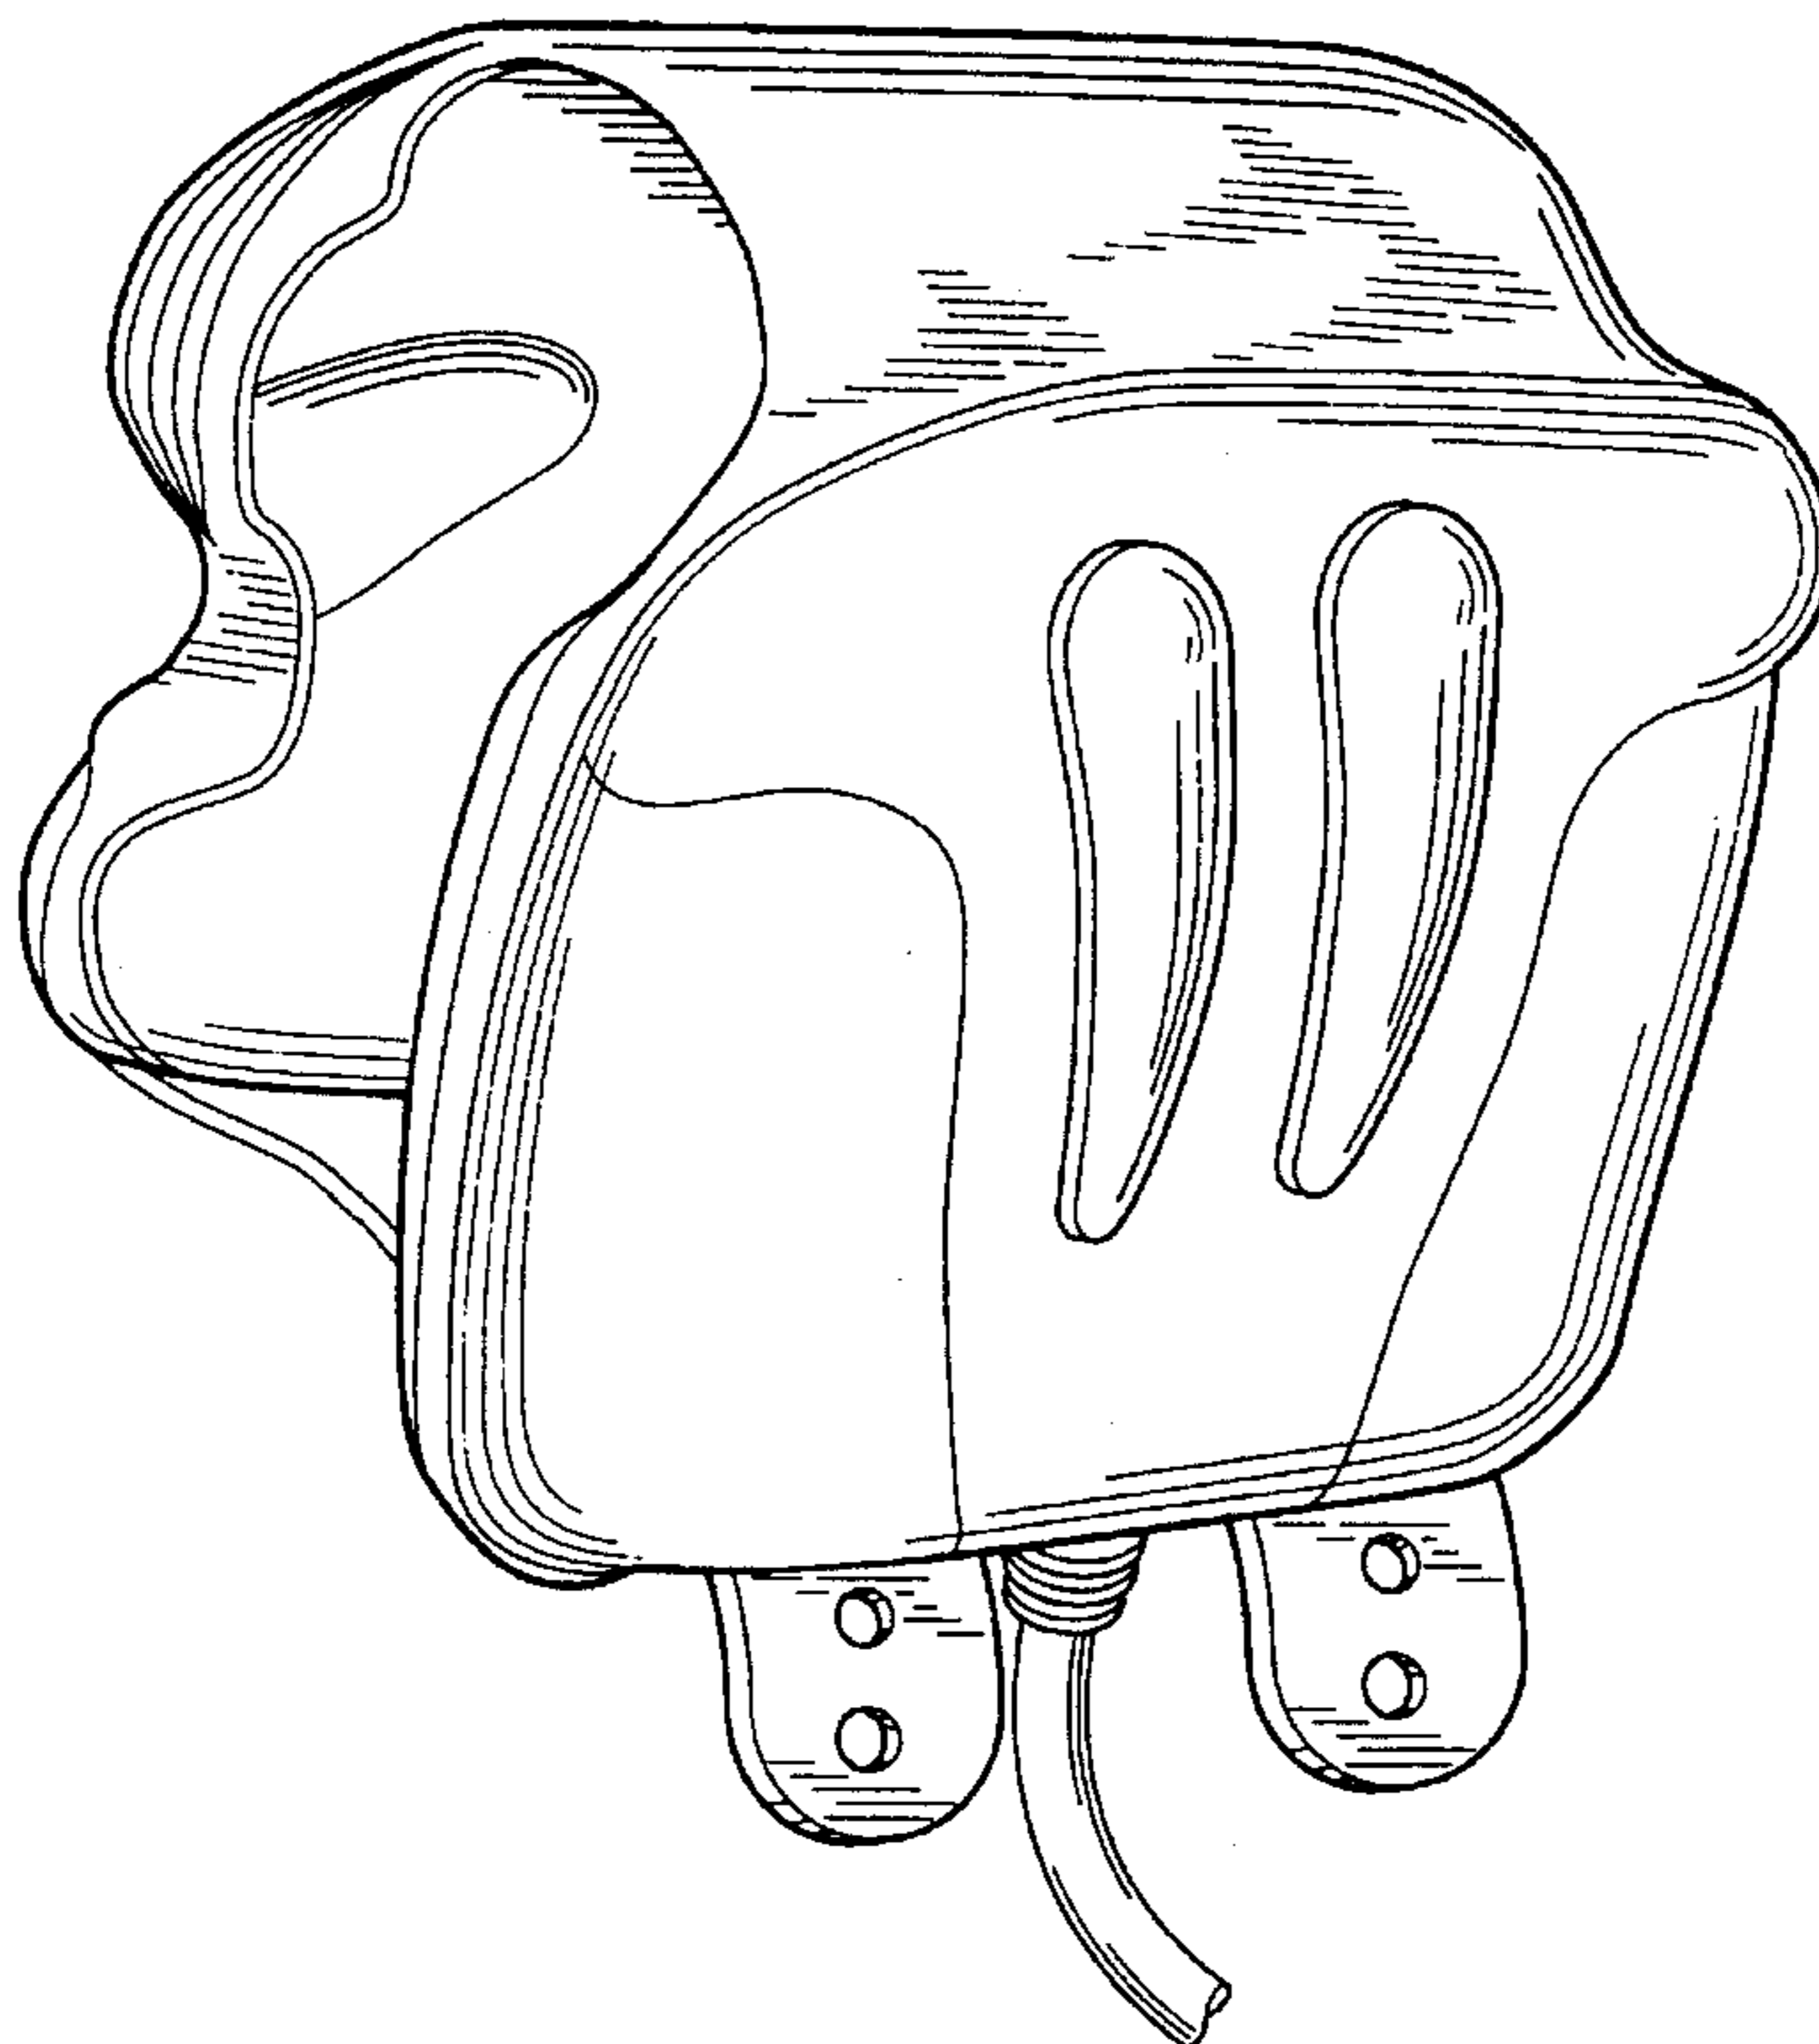

FIG. 6 is a bottom plan view of my video game controller for use with an exercise apparatus.

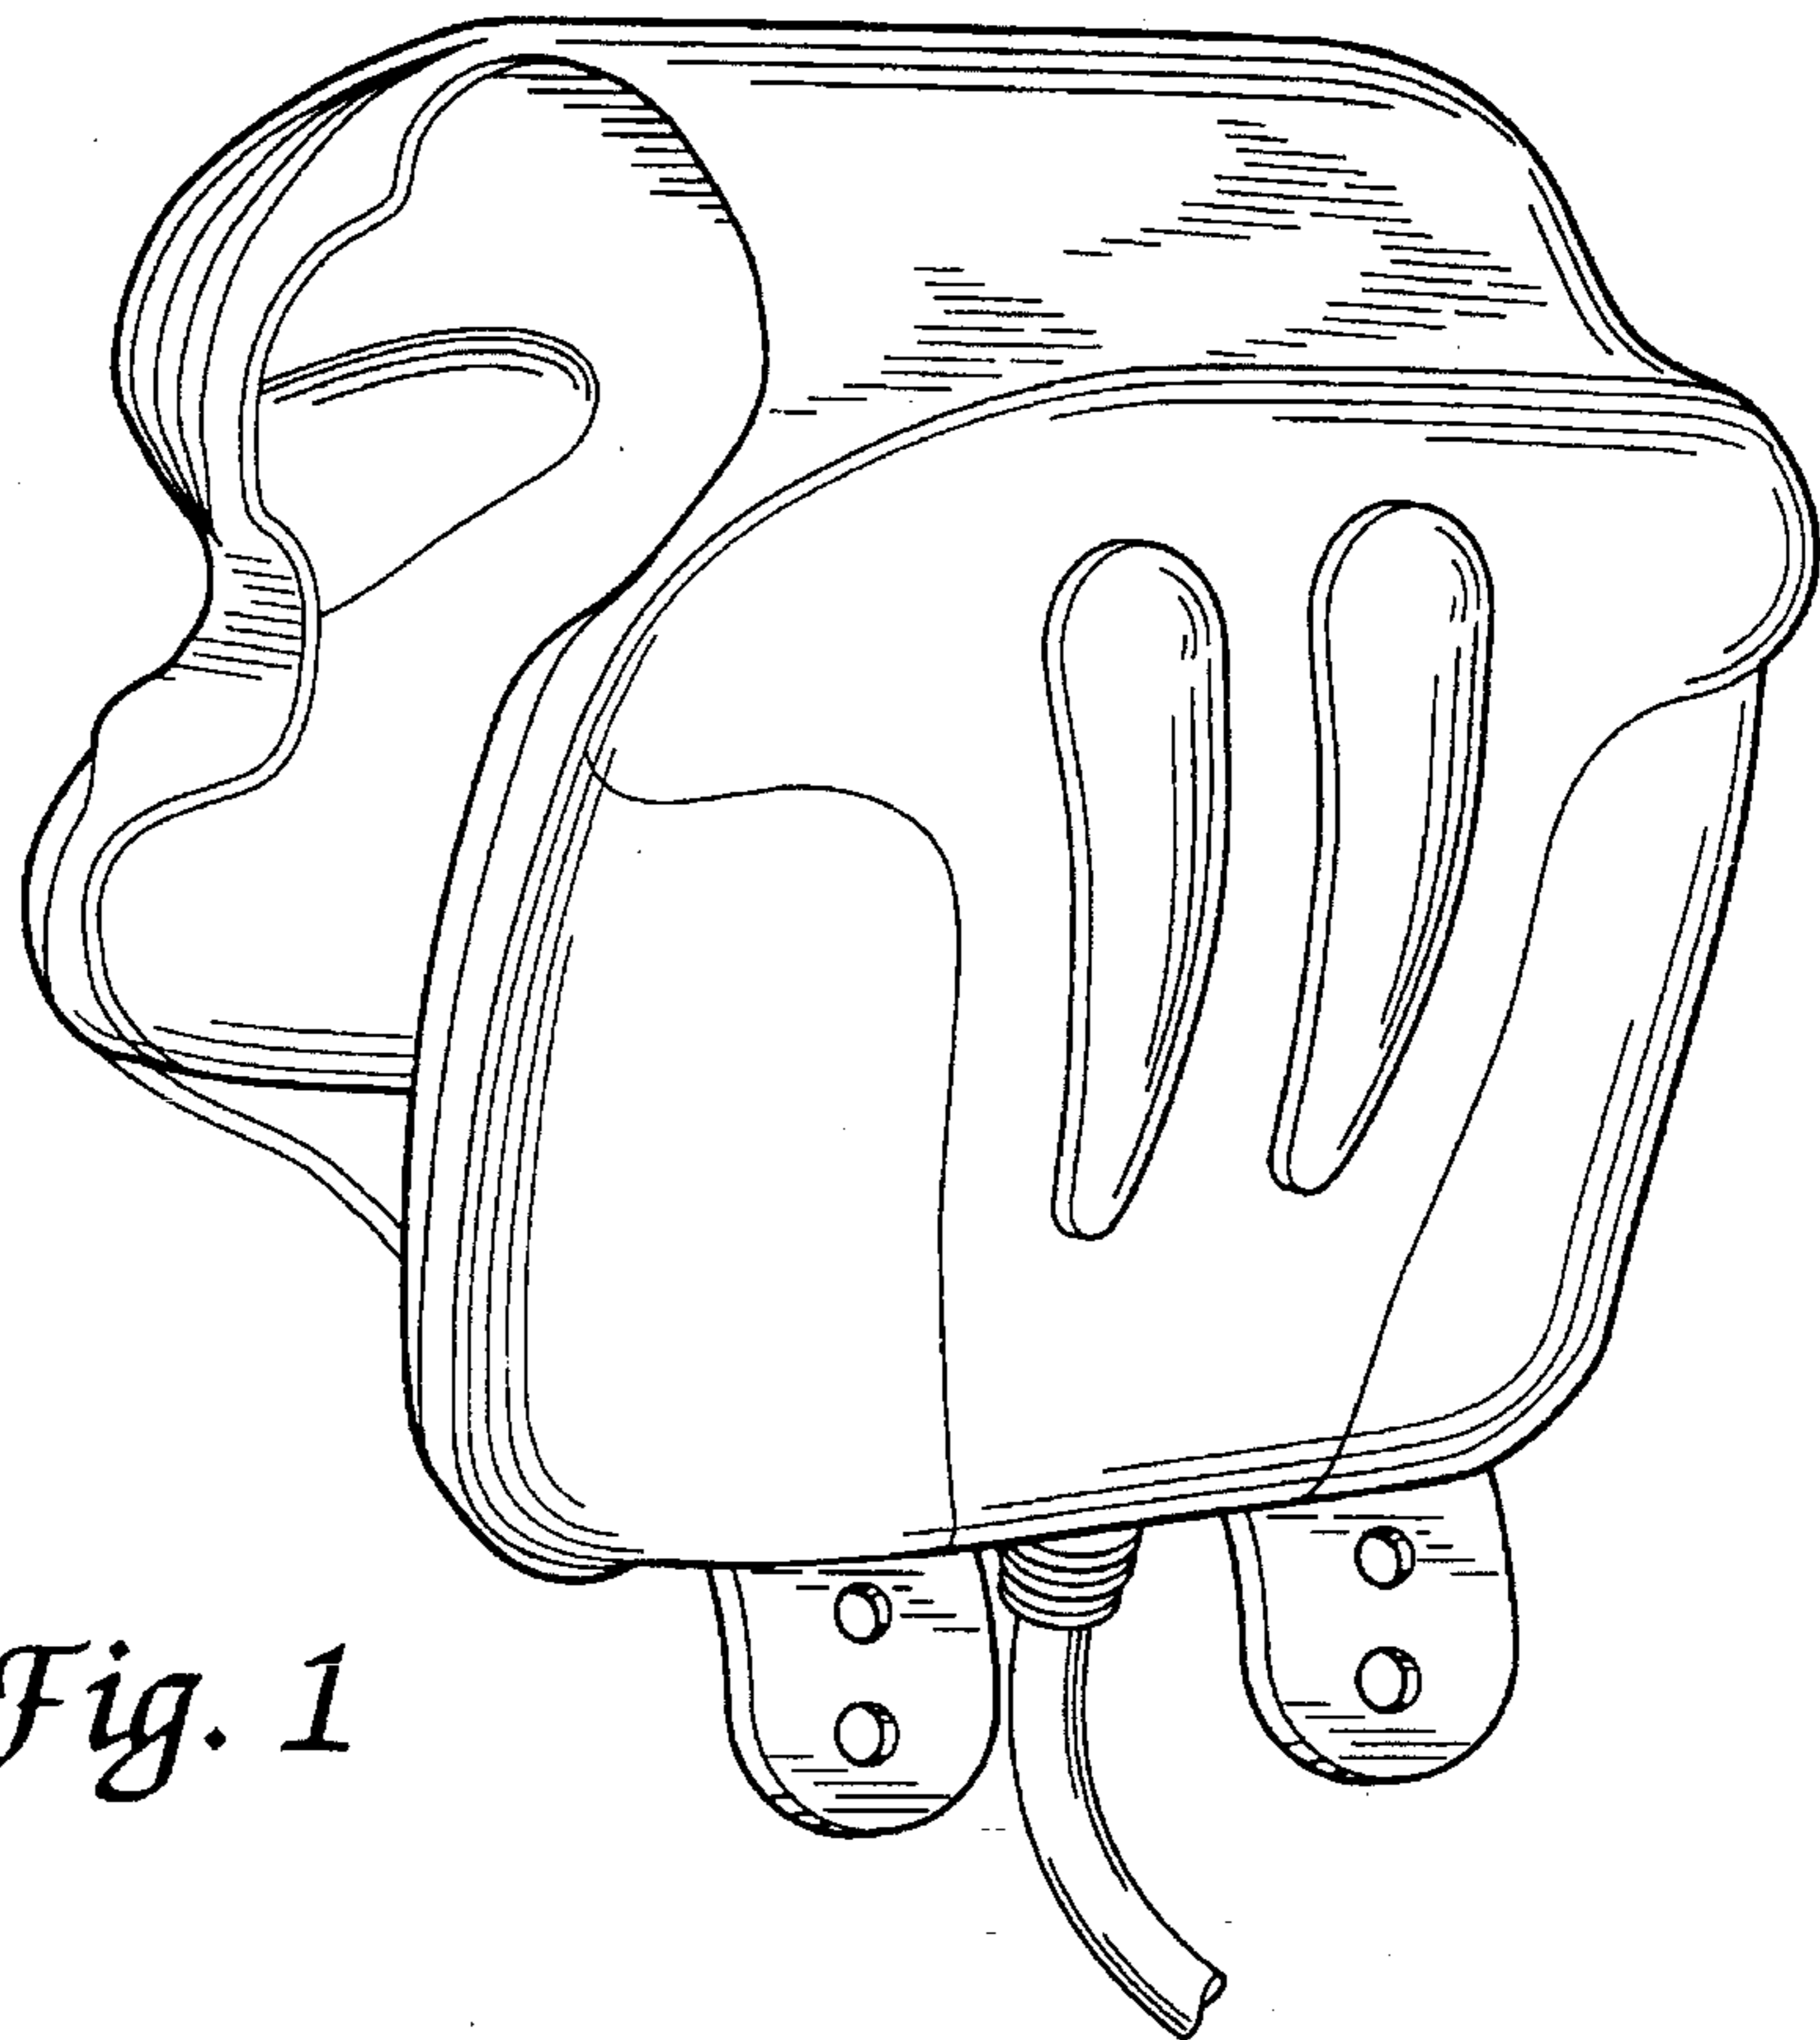

**1 Claim, 3 Drawing Sheets**
