[57] **CLAIM**

The ornamental design for a temperature controller for soldering irons, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a temperature controller for soldering irons embodying the present inventive design; FIG. 2 is a front elevational view; FIG. 3 is a rear elevational view; FIG. 4 is a right side elevational view; FIG. 5 is a left side elevational view; FIG. 6 is a top plan view; FIG. 7 is a bottom plan view; FIG. 8 is a cross-sectional view taken along the line 8—8 of FIG. 4; and, FIG. 9 is a perspective view showing the temperature controller for soldering irons in operation. The broken line showings are for illustrative purposes only and forms no part of the claimed design.
