[57] **CLAIM**

The ornamental design for a fish tape, as shown and described.

DESCRIPTION

FIG. 1 is a fragmented front elevation view of a fish tape showing my new design, shown fragmented for ease of illustration indicating indeterminate length; FIG. 2 is a bottom plan view thereof; the top plan view being identical; FIG. 3 is a rear elevation view thereof; FIG. 4 is a left side elevation view thereof; FIG. 5 is a right side elevation view thereof; and FIG. 6 is a partial front elevation view thereof, with the loop in an alternate position and shown in use. The broken line showing of a connector and another length of tape in FIGS. 1-3 and the broken line showing of a cable in FIG. 6 are for illustrative purposes only and form no part of the claimed design.
