[57] **CLAIM**

The ornamental design for a laundry basket, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view, taken from the top and front, left side of the laundry basket;

FIG. 2 is a top plan view of the laundry basket shown in FIG. 1 showing the characteristic feature of the first side having a dark color and the second side having a light color;

FIG. 3 is a bottom plan view of the laundry basket shown in FIG. 1 showing the characteristic feature of the first side having a dark color and the second side having a light or white color;

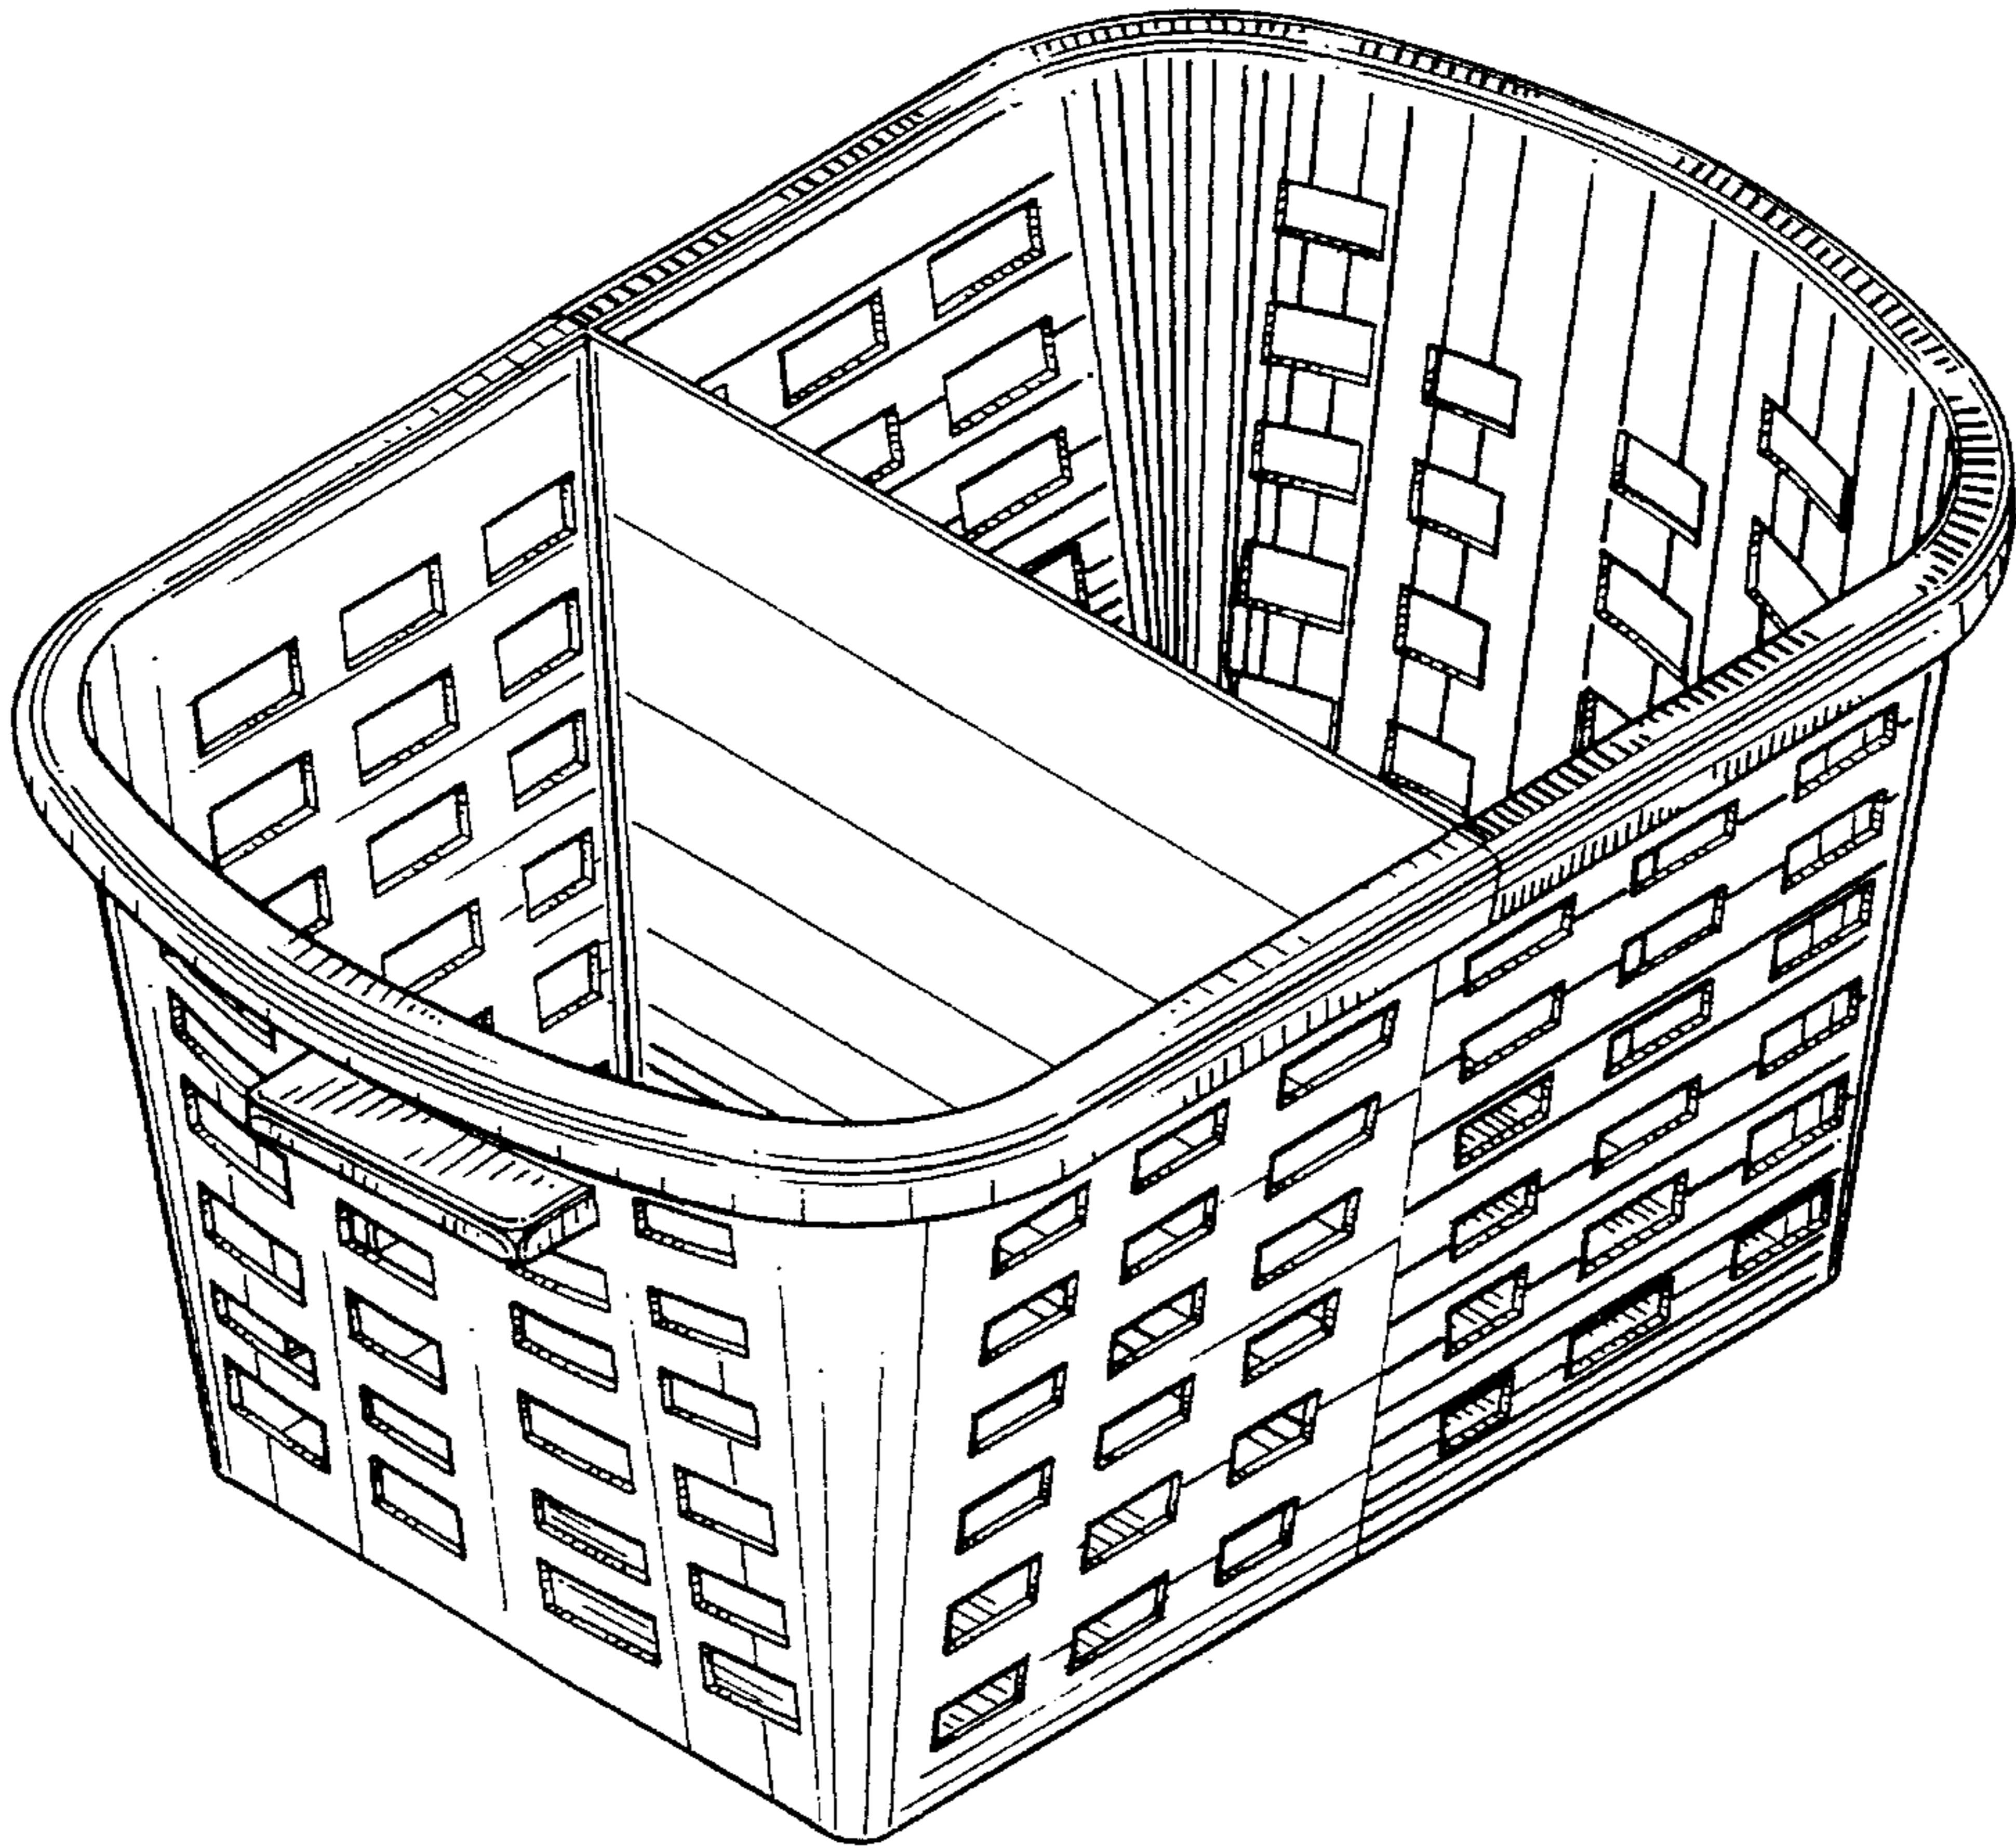

FIG. 4 is a front elevational view of the laundry basket shown in FIG. 1 showing the characteristic feature of the first side having a dark color and the second side having a light color;

FIG. 5 is a rear elevational view of the laundry basket shown in FIG. 1 showing the characteristic feature of the first side having a dark color and the second side having a light color;

FIG. 6 is a right side elevational view (as viewed from the front) thereof showing the characteristic feature of the first side having a dark color; and,

FIG. 7 is a left side elevational view (as viewed from the front) thereof showing the characteristic feature of the second side having a light or white color.
