[57] CLAIM

The ornamental design for a mouse pad, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the ornamental design for a mouse pad of the present invention;
FIG. 2 is a bottom plan view of the ornamental design for a mouse pad of the present invention;
FIG. 3 is a perspective view of the ornamental design for a mouse pad of the present invention;
FIG. 4 is a perspective view of the ornamental design for a mouse pad of the present invention, one corner of the mouse pad bent flexibly upward;
FIG. 5 is a front elevational view of the ornamental design for a mouse pad of the present invention;
FIG. 6 is a rear elevational view of the ornamental design for a mouse pad of the present invention; and,
FIG. 7 is a side elevational view of the ornamental design for a mouse pad of the present invention.
The broken line drawings in FIGS. 4 and 9 are for illustrative purposes only and form no part of the claimed design.
