[57] **CLAIM**

The ornamental design for the memorial marker, as shown and described.

DESCRIPTION

The sole FIGURE is a front elevational view of the invention. The invention is a memorial marker comprising a plate below and a flag above. The mounting post and surface indicia shown in broken lines are for illustrative purposes only, and form no part of the claimed design. The rear of the memorial marker is flat and unornamented and forms no part of the design. The plate and flag are of conventional thickness.
