[57] **CLAIM**

The ornamental design for a lottery number selector capable of encasing a business card, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the lottery number selector apparatus of this invention in an embodiment adapted for attaching a key ring and bearing indicia printed on the face of the apparatus;

FIG. 2 is a front view thereof;

FIG. 3 is a back plan view thereof, showing in phantom the outline of a business card encased therein;

FIG. 4 is a right side view thereof, the left side view being a mirror-image of the right side view;

FIG. 5 is a top view thereof; and

FIG. 6 is a bottom view thereof;

FIG. 7 is a perspective view of the lottery number selector apparatus of this invention in a second embodiment bearing indicia printed on the face of the apparatus;

FIG. 8 is a front view thereof;

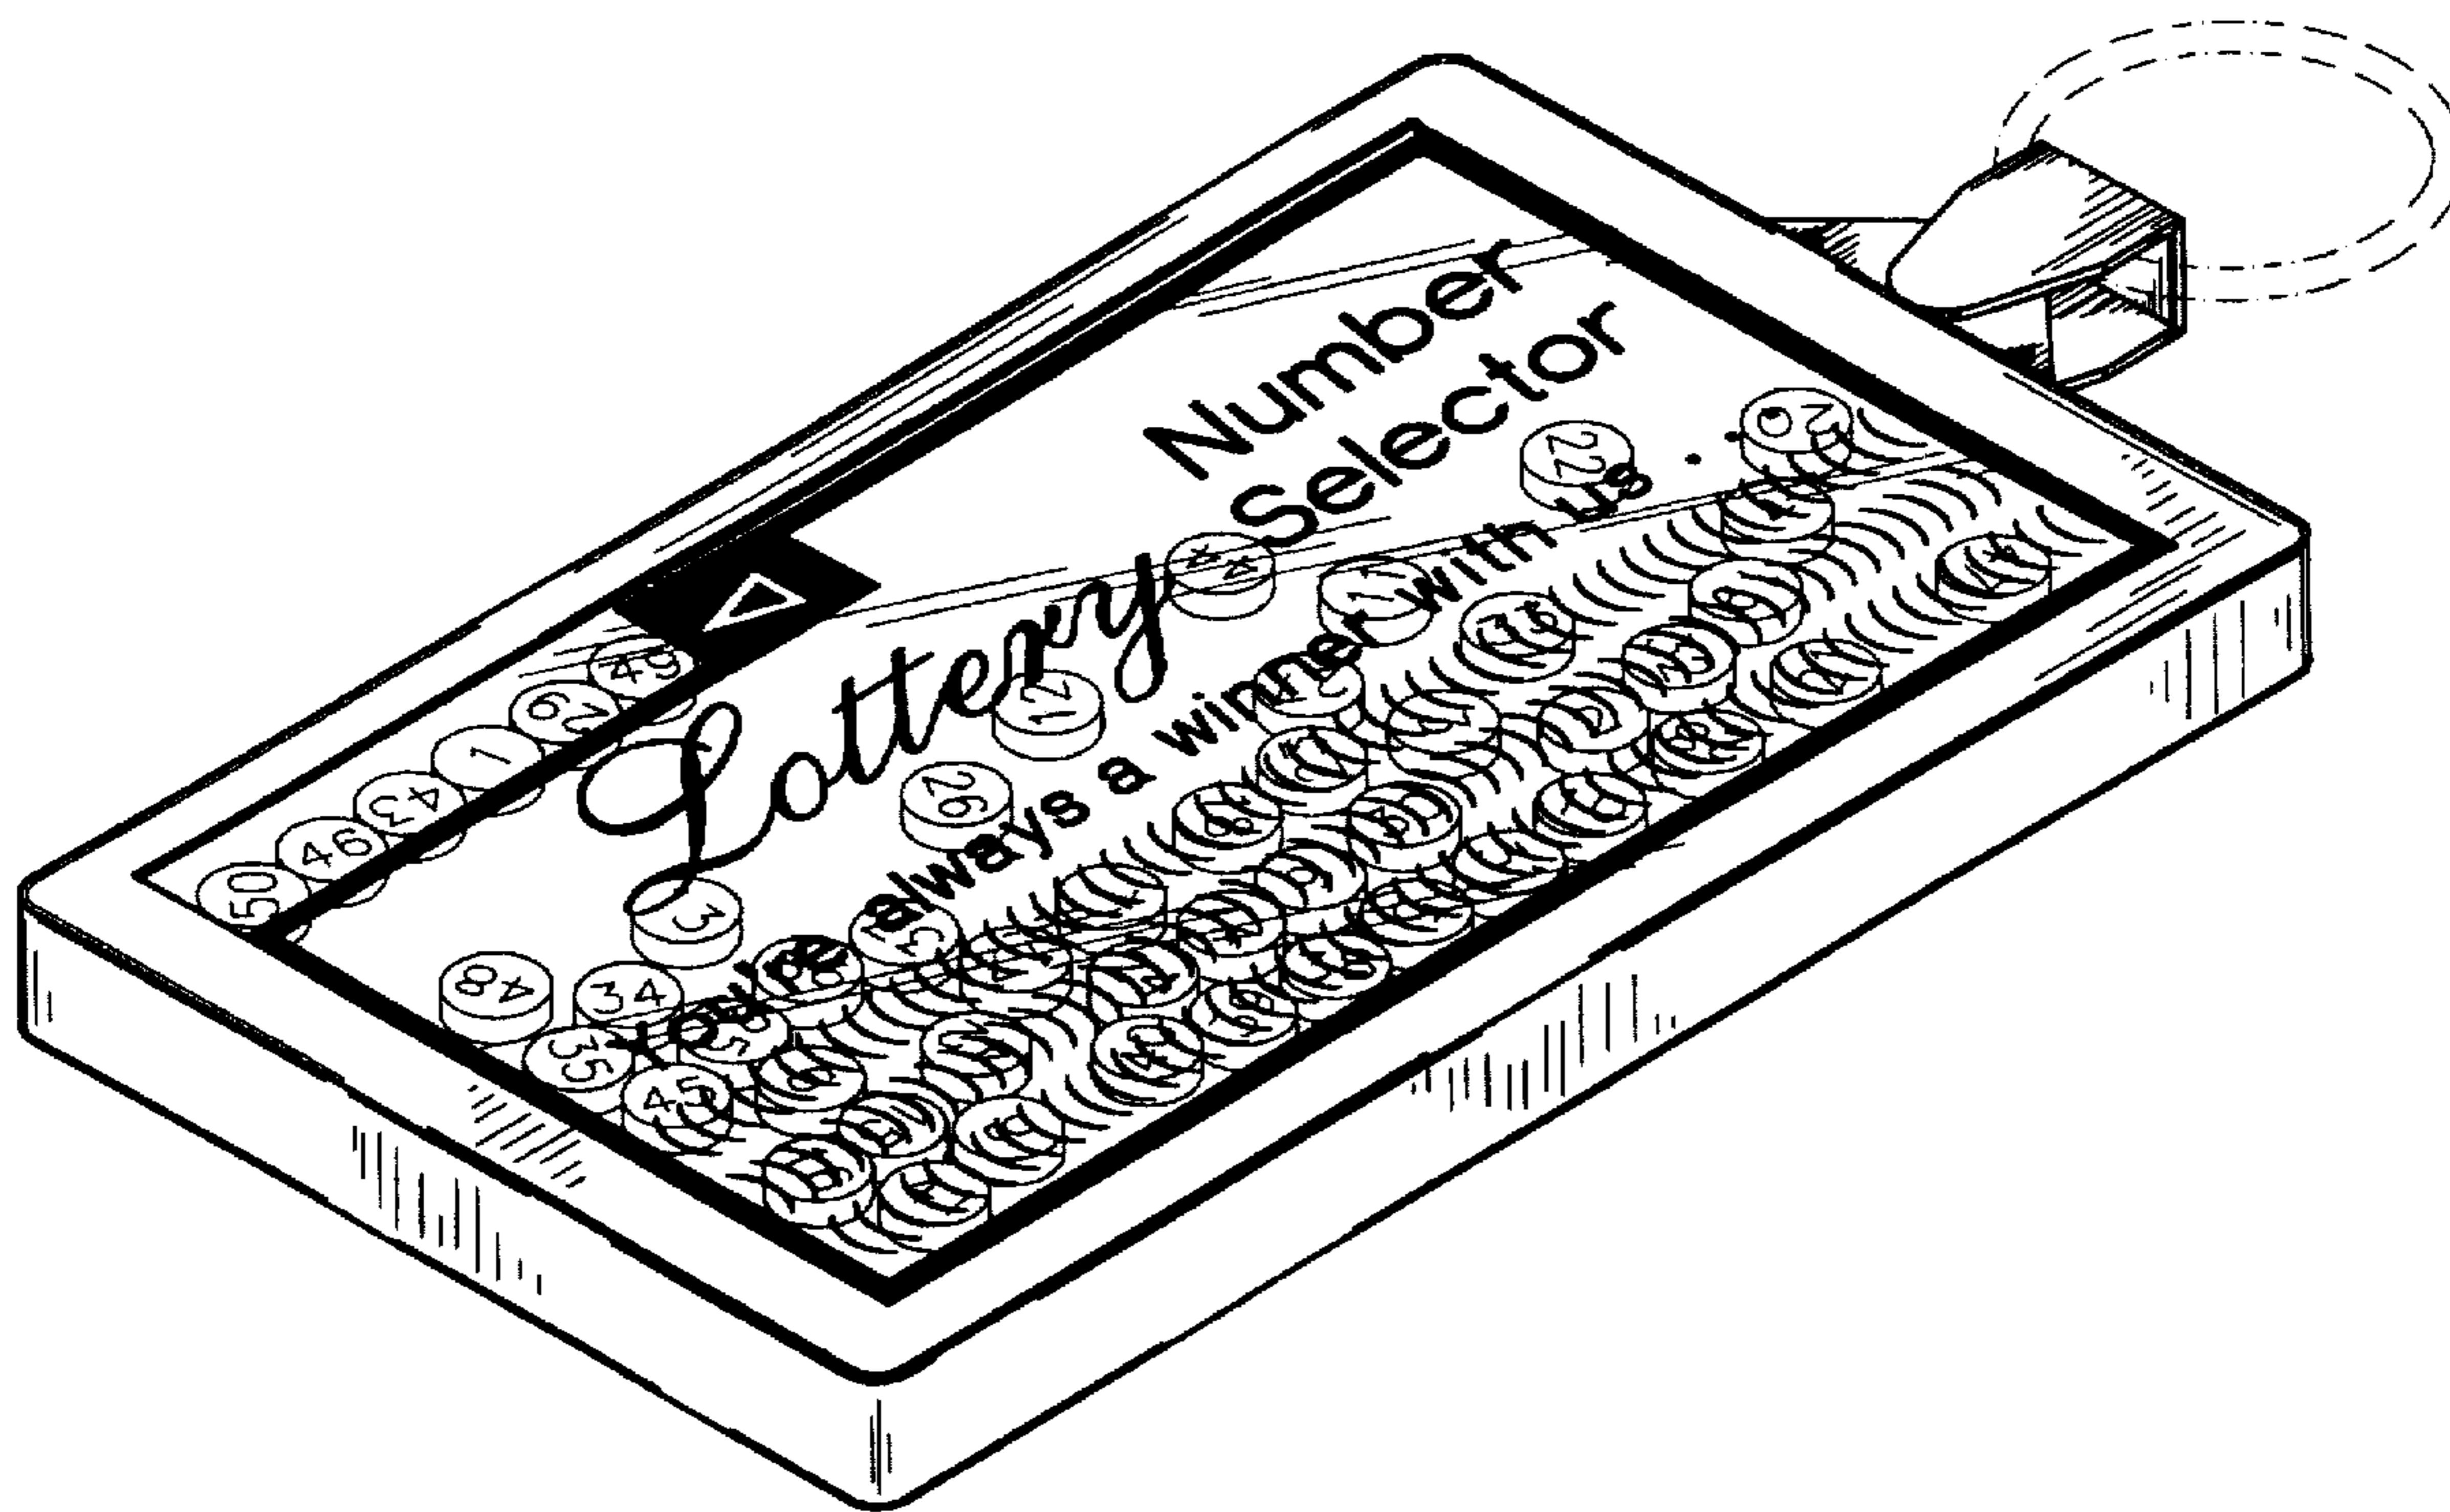

FIG. 9 is a back plan view thereof, showing in phantom the outline of a business card encased therein;

FIG. 10 is a right side view thereof, the left side view being a mirror-image of the right side view; and,

FIG. 11 is a top view thereof, the bottom view being a mirror-image of the top view.

The broken lines are shown for illustrative purposes only and form no part of the claimed design.
