[57] **CLAIM**

The ornamental design for a portable tack and grooming station, as shown and described.

DESCRIPTION

Fig. 1 is a front perspective view of a portable tack and grooming station showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a right side elevational view thereof; FIG. 5 is a left side elevational view thereof; FIG. 6 is a rear elevational view thereof; FIG. 7 is a bottom plan view thereof; FIG. 8 is a front elevational view thereof, a saddle and a riding helmet being shown in phantom for illustrative purposes only and therefore forming no part of my claimed design; and, FIG. 9 is an exploded perspective view thereof in a open condition and with an internal storage tray, the opposite end of the internal support for the tray being identical, and an underlying wheeled cart being depicted in combination therewith. The broken lines are for illustrative purposes only and form no part of the claimed design.
