[57] **CLAIM**

The ornamental design for a tamper-evident safety closure cap, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the safety cap, shown in its closed position, and being mounted on a bottle or container, the latter being illustrated in broken lines and forming no part of the claimed design;

FIG. 2 is a perspective view, greatly enlarged, of the cap of FIG. 1, and illustrating a locking tab thereof in a raised, unlocking position;

FIG. 3 is a fragmentary perspective view, thereof; illustrating the locking tab of the cap in a depressed, locked position;

FIG. 4 is a top plan view thereof;

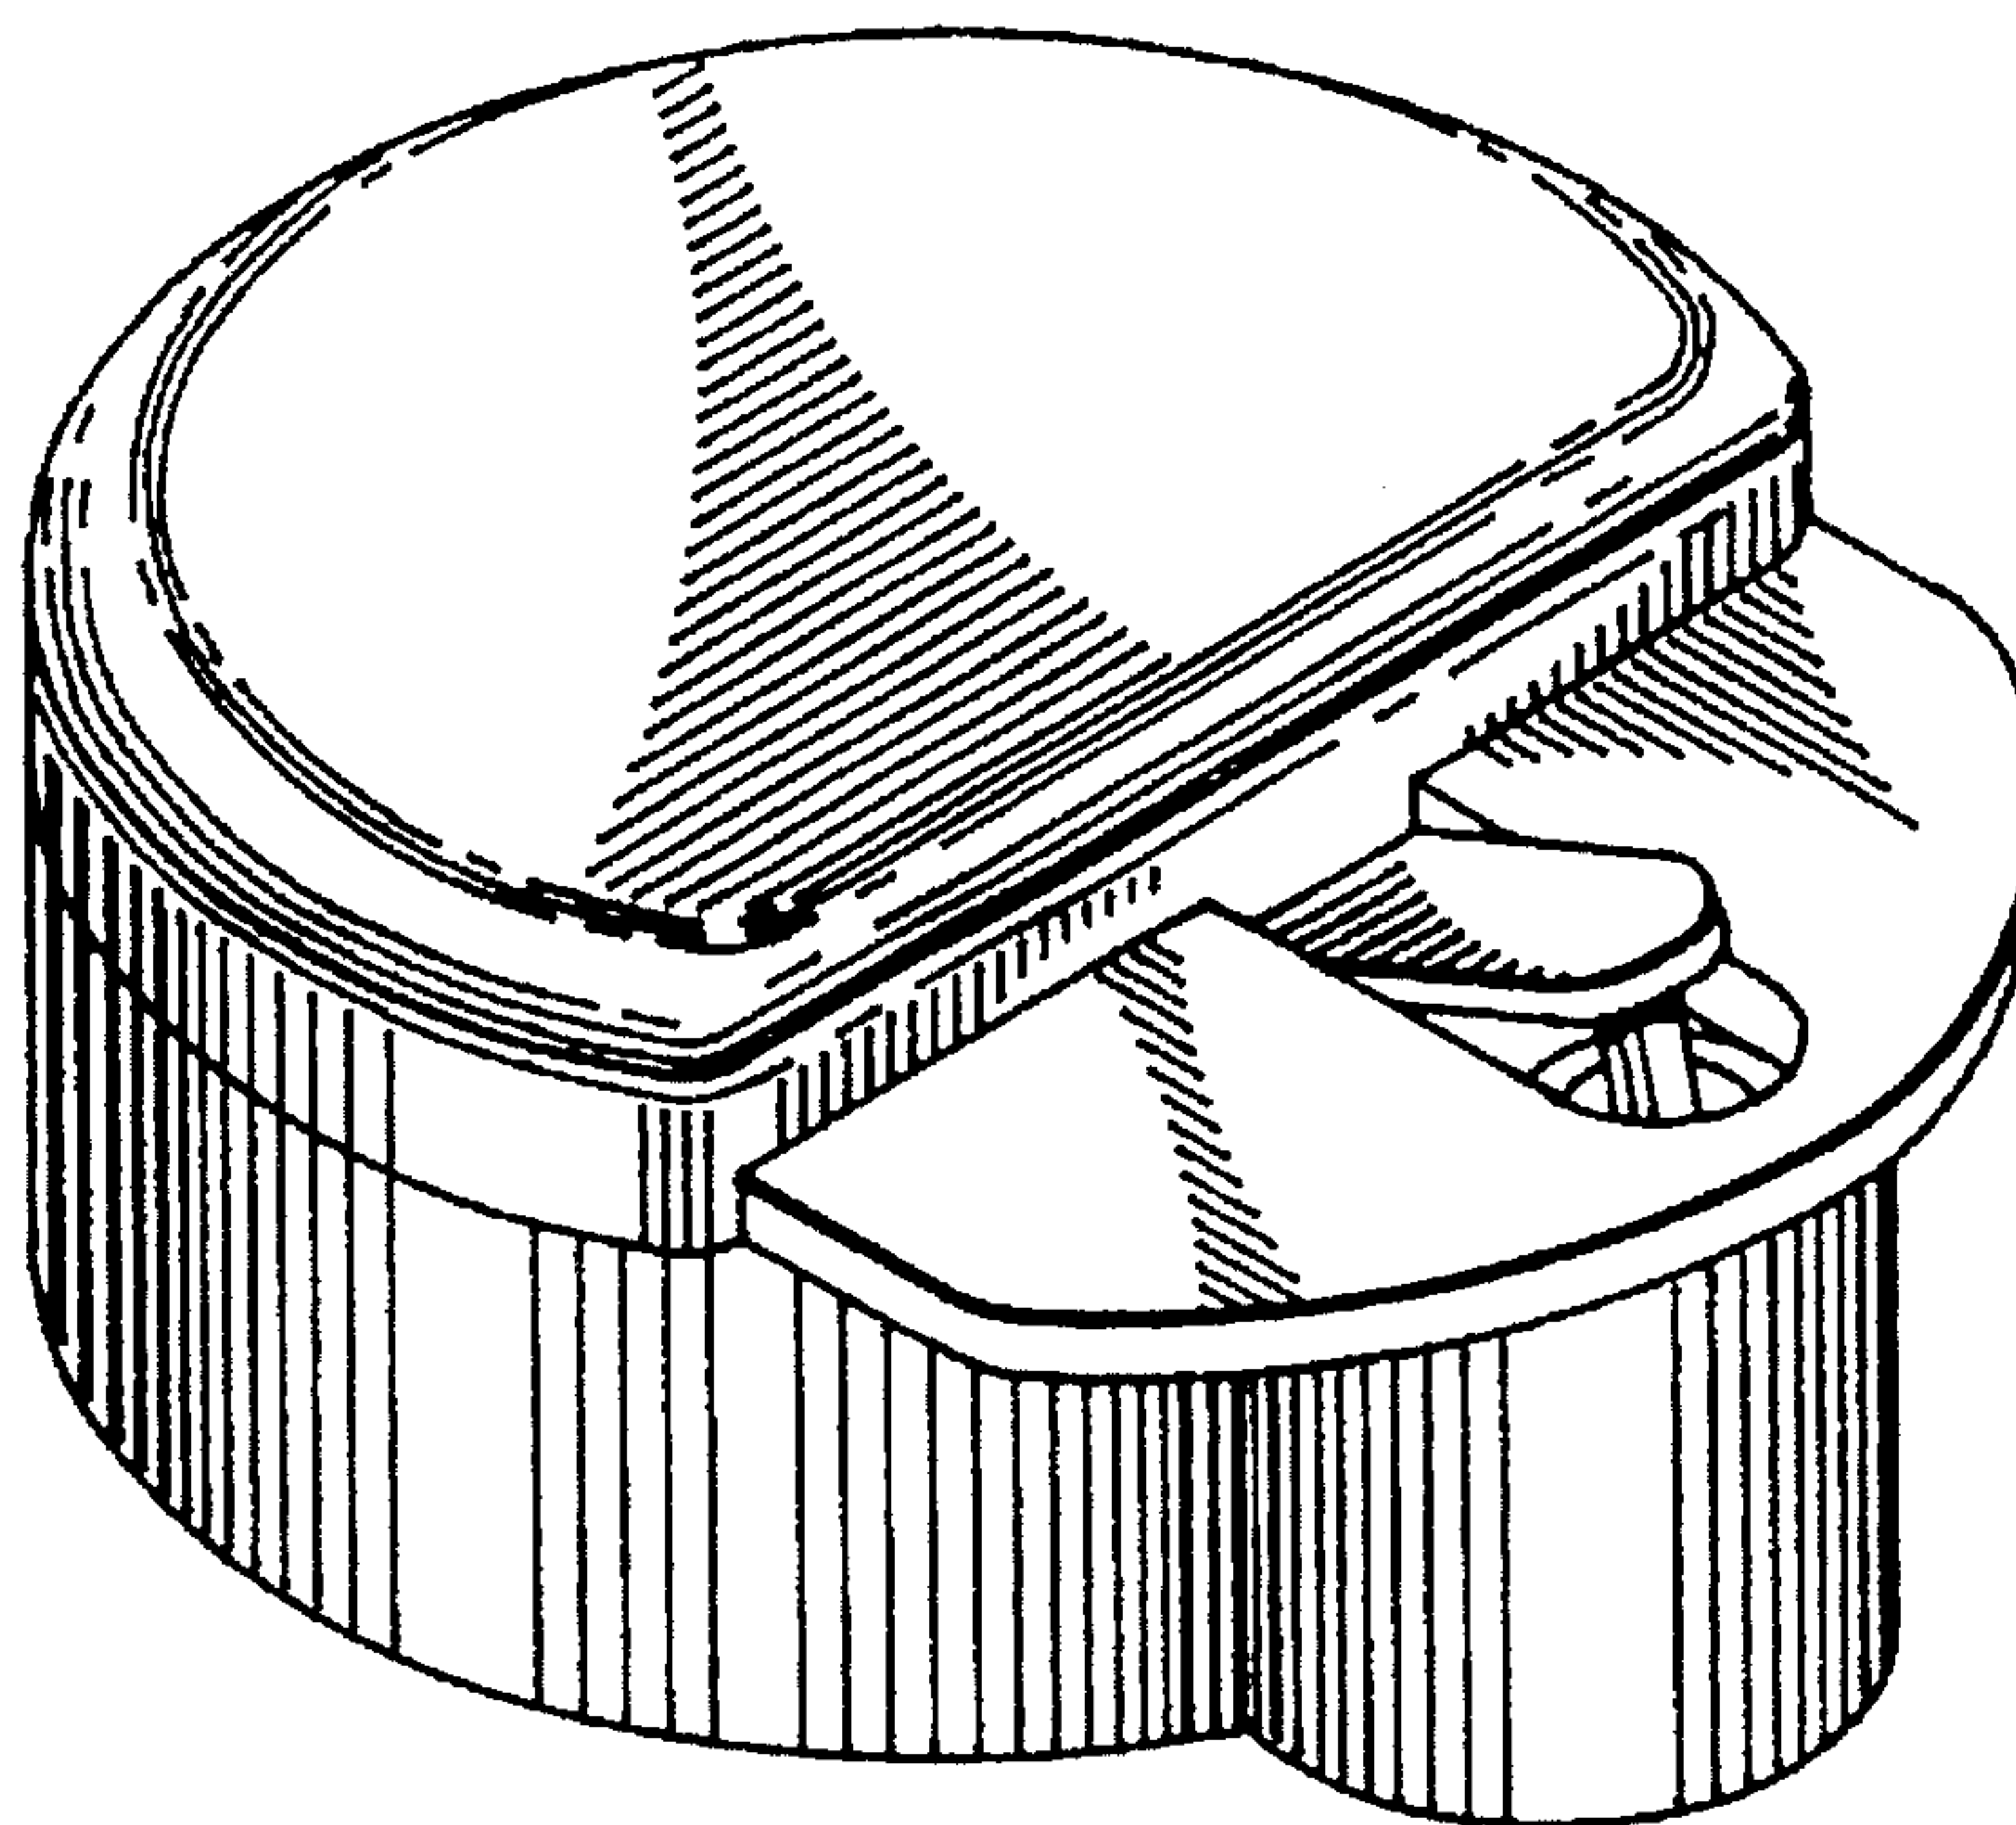

FIG. 5 is a side elevation thereof; the opposite side being a mirror image thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front elevation thereof; and,

FIG. 8 is a rear elevation thereof.
