[57] **CLAIM**

The ornamental design for a depression for a tablet, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a depression for a tablet showing our new design;
 FIG. 2 is a top plan view thereof;
 FIG. 3 is a front elevational view thereof, the rear elevational view is identical; and,
 FIG. 4 is a right side elevational view thereof, the left side elevational view is identical.
 The broken line drawing of a tablet in all figure views is for illustrative purposes only and forms no part of the claimed design.
