[57] **CLAIM**

The ornamental design for a cabinet for nebulizer, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top front and left side of a cabinet for nebulizer embodying our new design;

FIG. 2 is a elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan thereof;

FIG. 6 is a left side elevational view thereof; and,

FIG. 7 is a right side elevational view thereof.

The fragmentary broken line representations of vents are for the purpose of illustration only and form no part of the claimed design.
