Primary Examiner—Susan J. Lucas

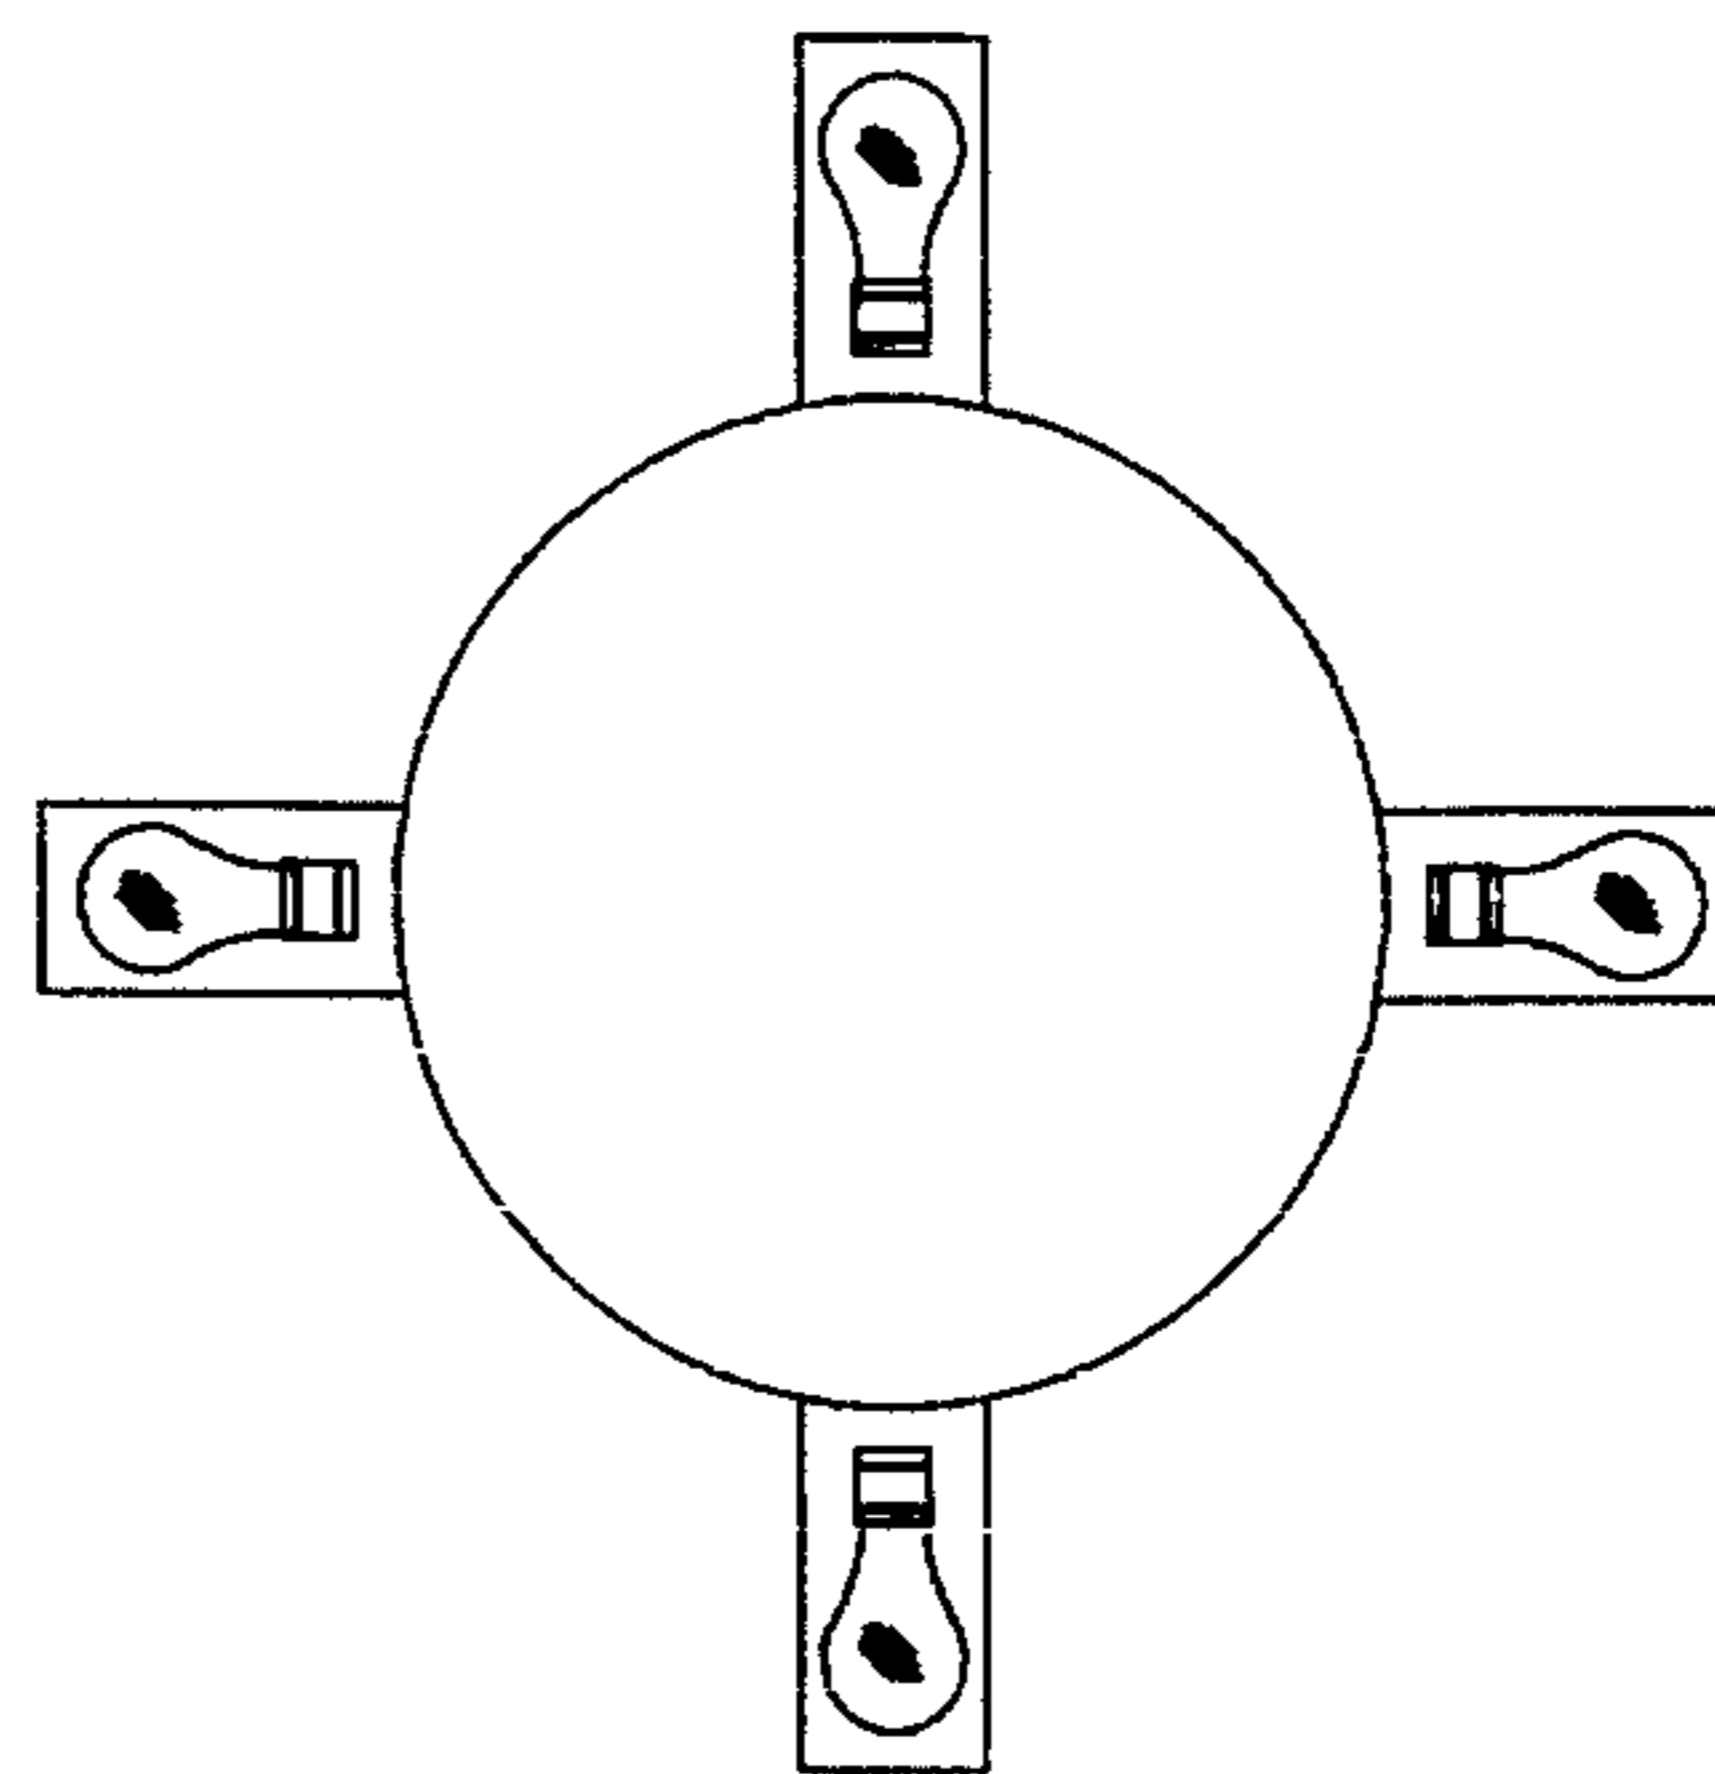

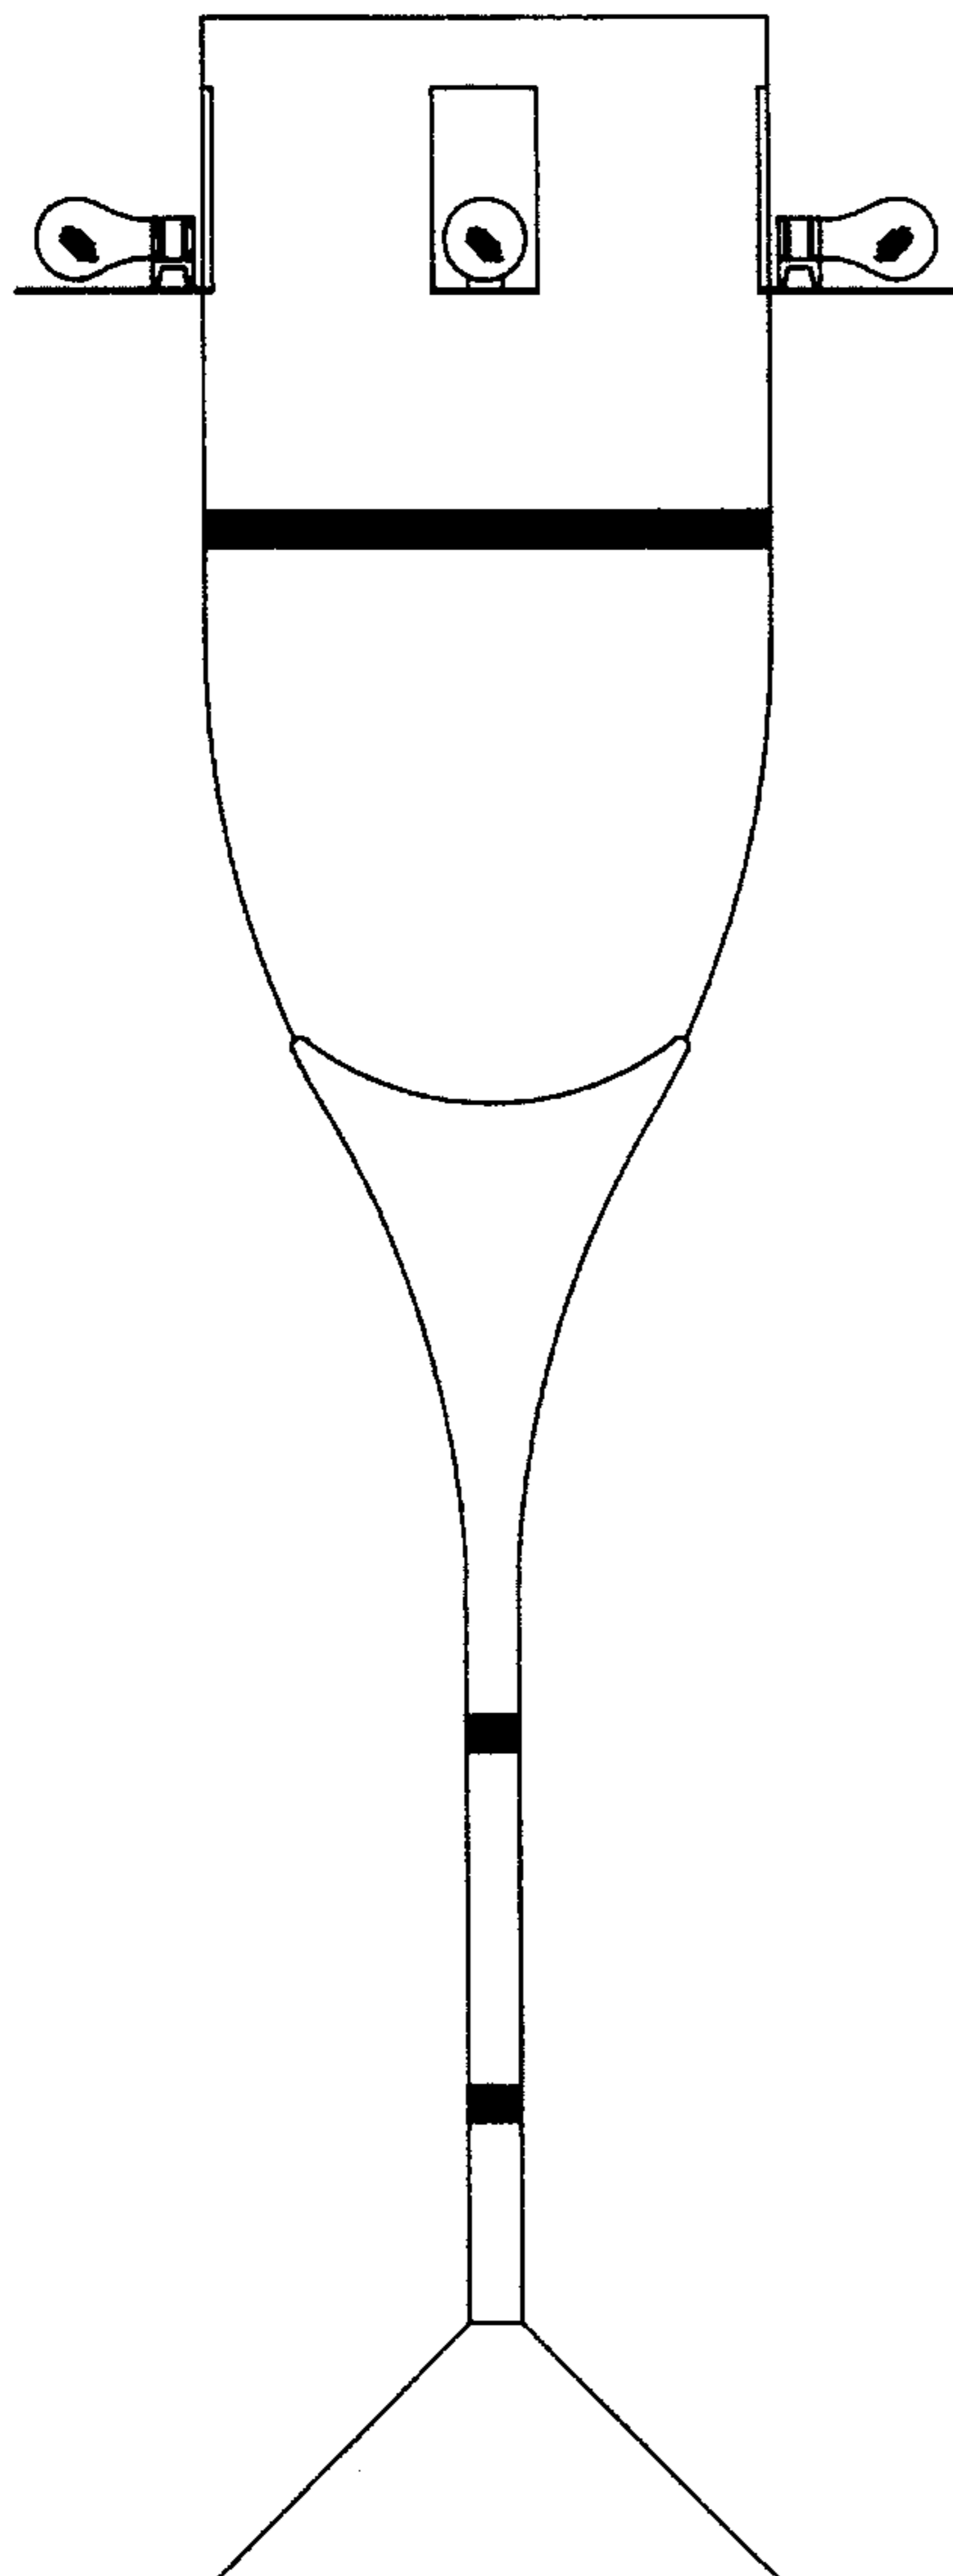

[57] **CLAIM**

The ornamental design for a floor lamp with closable lights, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of my invention with the lids open and the lights in the extended position, it being understood that the sides and rear are identical to the front; FIG. 2 is a front elevational view of my invention with the lids closed and the lights retracted, it being understood that the sides and rear are identical to the front; and, FIG. 3 is a top plan view with the lights in the extended position shown in FIG. 1.
