CLAIM

[57]

The ornamental design for a circular cutting blade, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the circular cutting blade showing our new design; FIG. 2 is a side view thereof, the opposite side view being identical thereof;

FIG. 3 is a rear elevational view of the circular cutting blade shown in FIG. 1; and,

FIG. 4 is a cross-sectional view thereof, taken in the direction of line 4-4 of FIG. 1.

The broken line illustration of the central aperture is for illustrative purposes only and forms no part of the claimed design.
