[57] CLAIM

The ornamental design for a timepiece, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a timepiece showing my new design;

FIG. 2 is a rear elevational view of FIG. 1;

FIG. 3 is a typical side elevational view of FIG. 1;

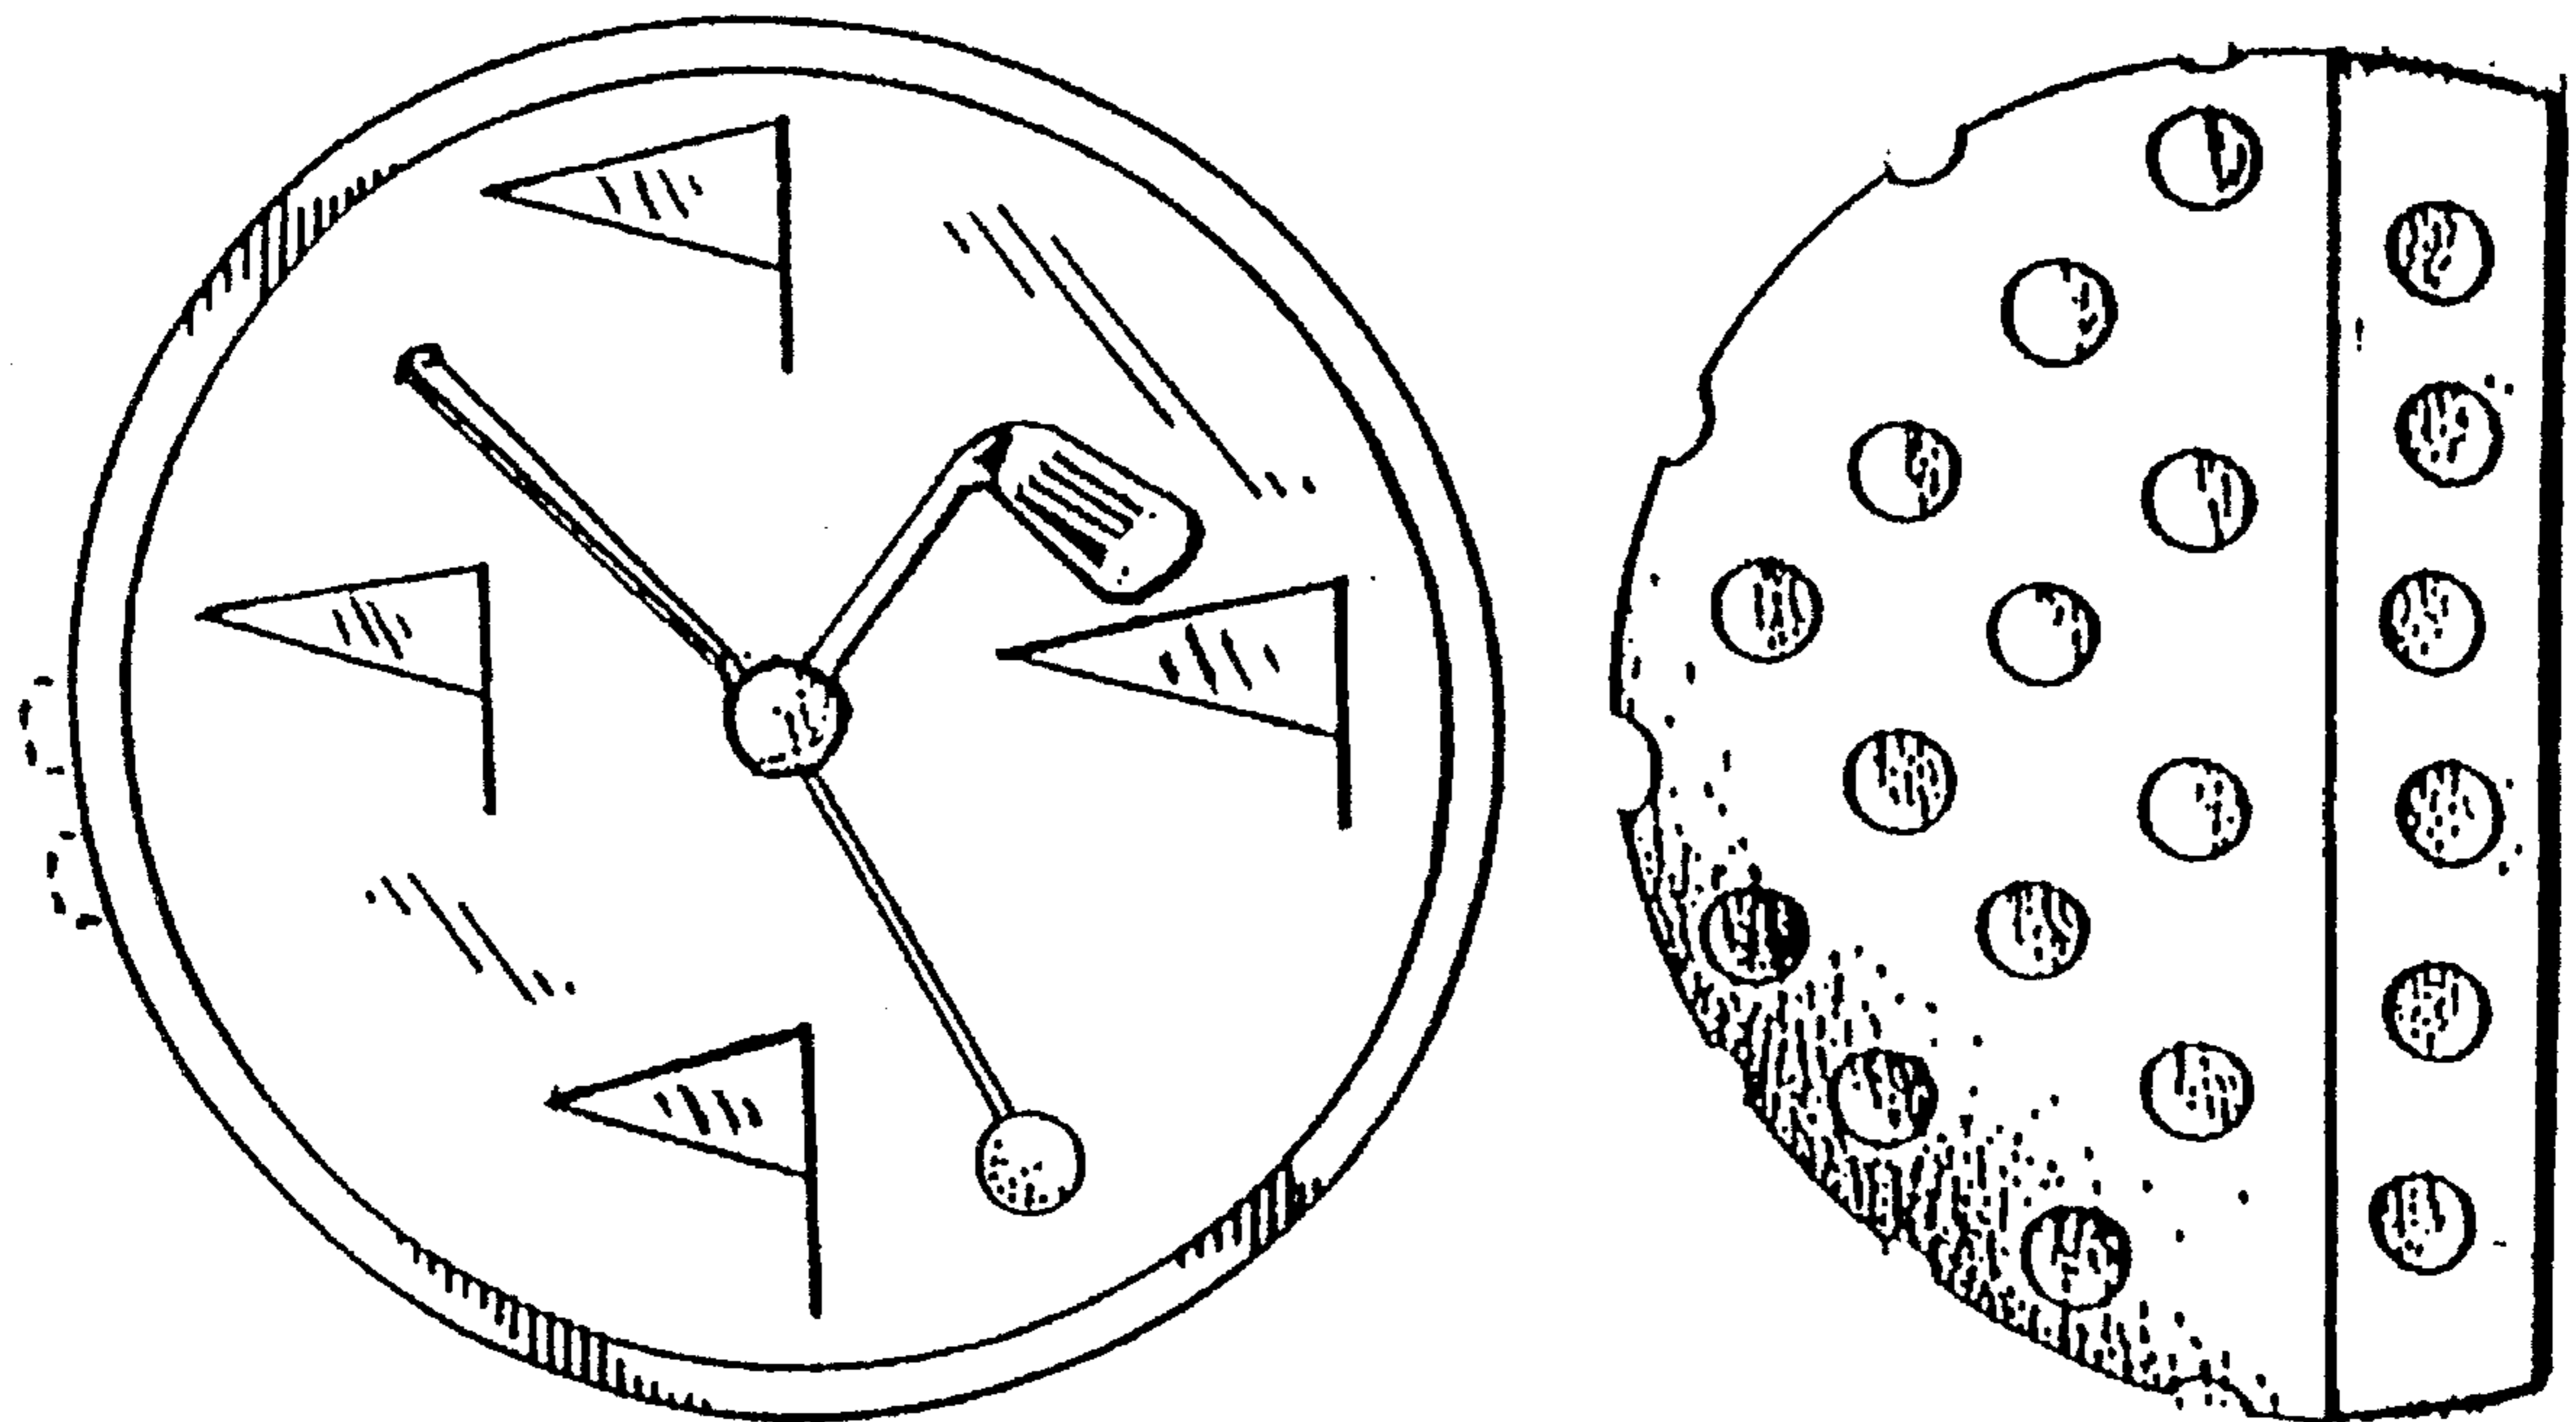

FIG. 4 is a second embodiment of my new design of FIGS. 1-3 wherein the rear is now flat, plan and unornamented;

FIG. 5 is a rear elevational view of FIG. 4;

FIG. 6 is a front elevational view of a third and fourth embodiment of my new designs of FIGS. 1-3 and 5 and 6 and wherein a stroke counter box opening has been added to the dial thereof, all other view being identical to those shown for the first and second embodiments.

The broken line showing in FIGS. 1 and 5 are environmental only and form no part of the claimed design.
