[57] CLAIM

The ornamental design for an apparatus for protection of coin operated telephones, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view from the left side, of an apparatus for protection of coin operated telephones, illustrating my new design, the telephone being shown in phantom for environmental purposes;
FIG. 2 is a perspective view thereof with parts separated for ease of illustration;
FIG. 3 is a top plan view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a rear elevational view thereof; and,
FIG. 6 is a bottom plan view thereof.
The broken line showings of FIGS. 1-3 are for illustrative purposes only and form no part of the claimed design.
