[57] **CLAIM**

The ornamental design for an exhaust stack cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an exhaust stack cover according to the preferred embodiment of the preferred invention;
FIG. 2 is a top plan view of the exhaust stack cover illustrated in FIG. 1, the bottom and right side of the strap being identical to the top and left side;
FIG. 3 is a bottom view of the exhaust stack cover illustrated in FIG. 1;
FIG. 4 is a right side view of the exhaust stack cover illustrated in FIG. 1, the left side view being substantially identical to the right side view;
FIG. 5 is a back view of the exhaust stack cover illustrated in FIG. 1; and,
FIG. 6 is a front view of the exhaust stack cover illustrated in FIG. 1.
For ease of illustration due to the flexible structure, the positioning of the cover varies slightly in FIGS. 1-6.
For ease of illustration, the strap is shown in one position in FIGS. 1-6.
