[57] **CLAIM**

The ornamental design for a platform for a baby diaper changing station, as shown and described.

DESCRIPTION

FIG. 1 is an upper perspective view of a baby diaper changing station with a platform in open position on a wall and incorporating the new design of the invention, shown in full lines, with the broken lines illustrating the environment of the design;

FIG. 2 is a lower perspective view thereof;

FIG. 3 is a front perspective view thereof with the platform of the baby diaper changing station in a stowed position against the wall;

FIG. 4 is a front view of the baby diaper changing station platform;

FIG. 5 is a top view of the baby diaper changing station platform with the bottom view being a mirror image thereof; and,

FIG. 6 is a side view of the baby diaper changing station platform with the other side view being a mirror image thereof.
